God is For Us Simon C Ponsonby, 2013-04-22 Simon Ponsonby presents 52 inspirational chapters bringing Paul's greatest letter to life and blending careful theological and historical detail with illuminating application Romans is intellectually and theologically massive Augustine of Hippo the great architect of Western theology was converted while reading Romans Martin Luther's encounter with the text led to a personal revival and the European Reformation and Dr Martyn Lloyd Jones refused to teach on Romans for decades until he had grappled with and understood chapter 6 This passionate illuminating devotional will prove a potent means of grace and growth

Without Absolutes, God Is Not God Ronald A Train, 2013-01-12 Absolutes As a Christian it is foundational I believe to hold to absolutes For example a Christian should have absolutes about God's ontology the principle of being absolutes about theology the study of God absolutes about Christology the study of Christ and absolutes about pneumatology the study of the Holy Spirit Each of the foregoing absolutes I believe impact upon how one constructs a world view and how one considers the wider implications of God's kingdom work hence why I have titled this collection of essays Without absolutes God is not God I guess the reader will be asking him or herself why is there a requirement to hold to absolutes The need for absolutes is not complex In reality the argument determines whether one is a believer or non believer in the triune God A believer will weigh whether God revelationally speaks into this world generally and specifically A non believer will object to such a proposition and as a consequence leave him or herself open to other belief systems To perhaps put it another way a non believer is faced with the choice of deciding whether God is a reality or whether God is a creation of human imagination Decision making then is crucial when accepting the triune God and his work Does one make a decision to believe in God empirically or does one make a decision to believe in God from a position of faith It is my view that God cannot be known empirically i.e. by trial or experience but rather he can only be known by faith However it depends on how we define faith Those who accept other belief systems would argue that they too have a faith or a belief in some god or person In the Christian context however faith is an action based on the accepted evidence In other words if one accepts that the written word of God is substantially true 2 Peter 1:20-21 and that the Word of God Jesus of Nazareth is who he is recorded as being or is who he claims to be John 1:1-5, 14:6-7 then faith is given substance But I would go further and argue that authentic faith is derived from a spiritual encounter with God which then enables the recipient's faith response to be one which is prompted or ignited by God My argument is supported from Scripture 1 Corinthians 12:9

Ephesians 2 8 9 and from personal experience Both of the foregoing references I suggest argue that faith is a gift which has its origin in God Hence faith is not only prompted by God but also sustained by him The analysis of such faith is that it is revelatory and constitutes an utter reliance on who God is and why he exists Revelatory Faith Evangelicals argue that faith is a gift from God However this argument is treated with caution by others Existentialism suggests that faith is made possible and so granted by the gracious approach and self disclosure of being Interestingly at this point there is no great variance between the latter perspective and Martin Luther who argued that faith originates with or is at least aroused by God Contemplating the third article of the Apostles Creed he wrote I believe that I cannot of my own reason or strength believe in Jesus Christ my Lord or come to him But the Holy Spirit has called me by the Gospel enlightened me with His gifts sanctified and kept me in the true faith Modernists also argue that faith constitutes a persons response but only after having been drawn to Gods work of salvation This argument suggests faith to be an a priori act of God an act that prompts recognition that in the Christ God is endeavouring to share his own life This arousal of faith then affects worship praise and prayer and the practise of Christian discipleship The same argument suggests further that the prior love of God and the response of love that it generates are what shape a persons Christian faith Biblical support for these theological reflections is found in Ephesians

**God Is Not a Story** Francesca Aran Murphy, 2007-07-19 This is a challenging critique of narrative theologies Murphy argues that the widespread notion that the role of the theologian is to tell God s story has not helped theology to advance the reality of its doctrines She offers her own alternative approach making use of cinema and film theory

*God is Subversive* Lee Griffith, 2011-04-12 To Lee Griffith being a peacemaker means much more than sporting PEACE T shirts or voting for left wing political candidates Peacemaking is for him a daily practice of community formation lifestyle decisions and prayer ordinary living that is faithful to the gospel and happily out of sync with most of the world most of the time and it is a vital part of following Jesus Christ In these challenging talks Griffith a veteran anti war activist who has been arrested many times for his pro peace demonstrations sets forth a solidly biblical argument for uncompromising nonviolence Along the way he describes encounters with dumpster divers and prostitutes with bag ladies

and judges with people who hear voices and see ghosts and he shares how through these encounters and more he has come to know better the subversive God of the gospel

**God Is Not Fair, Thank God!** George E. Thompson, 2014-02-05 Life is not fair What does this reality imply about the nature of God and the destiny of human beings In this engaging book Thompson asserts that fairness is not an expectation of the faithful within the Judeo Christian Scriptures Biblical narrative discloses the mystery of a paradoxical deity that indwells with the suffering of creation and thereby provides a mercy that exceeds the evasive goal of fairness The process of healing and redemption of this cracked creation occurs through the tears and suffering of the biblical God whose authentic power is revealed within divine vulnerability and weakness The Jesus of history truly manifested the fullness of this paradoxical God for he disclosed the richness of the divine Being by emptying himself and taking the form of a redemptive servant When the church grasps for power and control avoids compassionate and costly ministries among the poor and powerless and renders primary focus upon gaining heavenly rewards it rejects its Christ centered mission relinquishes its paradoxical purpose and ceases to strive toward becoming an extension of the incarnation Thompson explores various paradoxical facets of each person of the Trinity and richly illustrates with stories from his vast experience as a parish theologian

**Your God is Too Somber** Christopher Dreisbach, 2019-01-16 Your God is too somber if your posture before him lacks a spirit of joy and a commitment to rejoice as much as possible While life has its sadness and tragedy the good news of Jesus Christ is that God s kingdom has won and the suffering we face for a time is shorter compared with the endless delight that God promises So Rejoice in the Lord always again I will say Rejoice Phil 4 4 Your God is too somber if you embrace a theology of tears rather than a theology of laughter Of course salvation and Christ s sacrifice are serious business and we should engage in moments of penitential reflection confession and atonement But all of this so we can shake off the shackles of our shortcomings and celebrate God fully and joyfully Your God is too somber if you fail to see the humor in the Bible the calls to joy paradox irony burlesque play and wordplay God laughs sometimes with us sometimes at us and Jesus s humor is evident in parables and sayings with the goal of teaching us the truth Is your God too somber This book aims to help you answer that question
