God Loves Us Robert Ridings, 2015-08-21 *God Loves Us* consists of thirteen lessons that reveal God's love for you Each weekly lesson has seven daily challenges for the week These challenges are aimed in helping you walk each day with the Lord knowing how he reveals his perfect love for you Knowing his love brings a lasting peace and joy that only comes from God through the Spirit At the end of each day there are five questions to answer enabling you to reflect on the day The goal of the thirteen weekly lessons with seven daily challenges per week is to renew the mind where walking and communing with Lord will become natural The more we commune with praise and thank God the more natural it becomes because God created us to walk with him As you complete these weekly lessons and daily challenges it is my prayer that you will trust the Lord more and live life to the fullest with peace and joy knowing that God is with you and loves you more than anyone can imagine You can go to www.foreverlearnaboutGod.com and view a short video that gives an introduction to each lesson

God'S Love for All People . . . Dr. Maxine Lee-Fatt, 2017-09-13 This book has been an inspired work of love It came to me early one morning as I was having coffee and meditating on the goodness of God and the many ways God is revealed to his human family as I regularly do in the magnificent creation he has provided for all his people Whenever this tiny voice speaks to me in the extreme interior of my heart I pay attention and I follow through with whatever is revealed This has happened before in other areas of my life with amazing results I pray that those who read this work may not only find it inspirational but will also recognize in their own lives the many ways God speaks to them and act upon the message revealed We must respond when God calls us to a particular cause If he calls us he will show us the way however remote however distant or however difficult the call may seem to us We are his children his chosen people and he loves us beyond measure
