**Power of Silence** Robert Sarah, 2017-03-30 Now with a new afterword by Pope emeritus Benedict XVI In a time when technology penetrates our lives in so many ways and materialism exerts such a powerful influence over us Cardinal Robert Sarah presents a bold book about the strength of silence The modern world generates so much noise he says that seeking moments of silence has become both harder and more necessary than ever before Silence is the indispensable doorway to the divine explains the cardinal in this profound conversation with Nicolas Diat Within the hushed and hallowed walls of the La Grande Chartreux the famous Carthusian monastery in the French Alps Cardinal Sarah addresses the following questions Can those who do not know silence ever attain truth beauty or love Do not wisdom artistic vision and devotion spring from silence where the voice of God is heard in the depths of the human heart After the international success of God or Nothing Cardinal Sarah seeks to restore to silence its place of honor and importance Silence is more important than any other human work he says for it expresses God The true revolution comes from silence it leads us toward God and others so as to place ourselves humbly and generously at their service      **An Exposition of the Prophet Ezekiel, with Useful Observations**

*the Ancient Paths* Walter C. Kaiser Jr., 2019-06-19 Ask for the ancient paths ask where the good way is and walk in it Jeremiah 6:16 In *Walking the Ancient Path* distinguished Old Testament scholar Walter C. Kaiser Jr. draws on a lifetime of study to illuminate the book of Jeremiah for a contemporary audience. Following an introduction that surveys the historical and literary background of Jeremiah along with its theological emphases, Kaiser examines each verse of the text, explaining its meaning and significance. Every section is followed by devotional and application insights that guide the reader in applying the text to their everyday lives. Bibliographies in each section provide resources for further study, and most textual and linguistic matters are discussed in footnotes. Pastors, scholars, and serious students of the Bible will find this volume indispensable for understanding Jeremiah's message and how to apply it today.
