Patrina M. Wright, 2011-12-21 Each year in the United States an estimated two to six million women are victims of domestic violence Domestic violence is a

pattern of assaultive and coercive behaviors including physical sexual financial spiritual and psychological abuse Domestic violence is about control manipulation and domination Ninetyfive percent of assaults on spouses or ex spouses are committed by men against women Too afraid and too shame to speak up there are countless numbers of women sitting in Churches all across America suffering in silence Victims and perpetrators are from all ages racial socioeconomic sexual orientation educational occupational geographic and religious groups If you or someone you know has ever experienced domestic violence you are in need of a personal life changing encounter with a powerful God One who delights in healing wounds and setting the captive free The Exodus is that kind of encounter its about coming face to face with a Holy God as He does those things that you cannot do for yourself He Who Has an Ear Norman Audi, This book provides numerous biblical examples of listening in the Holy Scriptures There are also personal examples of listening in the life of the author Norman Audi You will be taught how to listen to God ways to test the Spirit and questions to ask the Lord Also included are problems in listening to the Lord such as not hearing misinterpretation unbelief fears sin and mistakes *Called to Remember* Denise L. Posie,2025-08-28 Sometimes we think we will remember the critical moments God uses to shape our lives but we often forget Like an anchor to keep us steady in rough terrain or light to show us the next faithful step spiritual encounters are crucial to our spiritual formation especially for those in transition at a crossroads or uncertain How can we establish something to help us We can become remember ers That doesn t mean paying attention to every little detail in our lives but listening and discerning what God is doing asking ourselves if he is trying to get our attention If he is these are the stories to hold onto *Called to Remember* shows Denise Posie s incredible journey of remembering through sometimes painful situations She offers her spiritual memoir as a guide to encourage us to stay focused and hopeful in the Lord s strength and wisdom rather than relying on ourselves At the end of each chapter one of the twelve stones of remembrance represents how God got her attention simply and profoundly Using Posie s spiritual memoir as a guide readers can grow spiritually by reflecting on critical moments in their lives as God s way of shaping and guiding The Example of Justification Witness Lee,2025-05-07 In this booklet taken from Life study of Romans Witness Lee considers Abraham as an example of justification Justification may appear to be a doctrinal matter but the Apostle Paul along with the doctrine of justification gives us a living example of it the person of Abraham 4 1 25 In this booklet we will consider Abraham the example of justification He is our model our pattern The name Abraham means father of a multitude According to the Scriptures Abraham was the father of both the Jews and the believing Gentiles Rom 4 11 12 16 17 Gal 3 7 9 29 Whoever is of faith whether Jew or Gentile is a descendant of Abraham **Healing from Invisible Wounds** Michelle Harris,2016-11-21 Are you fully healed from your invisible wounds As Christians we have all faced moments of feeling pressed or oppressed by life situations However there is a way that one can live healed and as a body of Christ we are charged to help others as well to heal from invisible wounds This begins with love and transforming our minds to the mind of Christ see Romans 12 2 Most importantly to not continue the Life Cycle of

Complacency in dealing with any mental health substance abuse sexual addictions or any other invisible wounds that try to overwhelm us In these pages are insightful educational tools and resources to help not only yourself but others and especially church leaders to assist others to not only get strong in their healing but also to remain strong in their healing from invisible wounds

TODAY I DECIDE Desiree M Webb, 2018-02-21 Choices are everywhere We can't live without making them There are bad choices good choices and Godly choices Often we don't give much thought to our choices We simply live and let life happen to us In a fast paced stressful world many are doing their best to simply get through each day Everyone is tired and living on autopilot and yet everybody wants joy contentment and favor Everyone wants fulfillment and yet it is elusive to many What if by making Godly choices we could soar instead of just dragging through life from day to day What if our experience with God could be deeper than ever before simply by utilizing the gift of Godly choice well What if there was more and it was available through Godly choice Every day poor choices lead to unnecessary pain and struggle that passes down through the generations While good choices may result in limited positive results Godly choices yield supernatural results like bountiful peace contentment and joy that brings glory to God unlocks heaven's storehouse and blesses us and those around us When we understand the power of Godly choice it blesses generations Today we can experience greater peace contentment and fulfillment Today we can decide to utilize Godly choice and live the change that we have been praying for for decades Take the journey with Desiree and explore a whole new world overflowing with blessings and healing Today decide to never be the same by using Godly choice wisely
