God Tells The Man Who Cares:

God Tells the Man Who Cares A. W. Tozer, 2006-11-30 God has nothing to say to the frivolous man A W Tozer Tozer states this bluntly in the book's beginning and he carries the sentiment through the last chapter In *God Tells the Man Who Cares* Tozer urges the believer to be vigilant in his pursuit of God's voice in his life He reminds us that stillness and meditation on the Spirit of God may be more spiritually profitable than the front of religion that is so prevalent in modern society Stillness is the quality that is so often lost in the business of today's world To be still and know that He is God is an old truth that is much quoted but rarely lived Tozer's convicting voice will bring you to a new and humbling place in your relationship with the Lord He invites you to lay your emotions at God's feet provides insight into the true nature of a servant's heart and decries many aspects of institutionalized Christianity warning against artificial religion with these words It is a disease of the soul and can only be healed by the Physician of souls *God Tells the Man Who Cares* A. W. Tozer, 2022-11 Tozer encourages believers to be vigilant in their search for God's voice in their lives in *God Tells the Man Who Cares* He reminds us that spiritually stillness and meditation on the Spirit of God may be more beneficial than the public display of religion that is so common in current society Stillness is a quality that is frequently overlooked in today's corporate world It is an old truth to remain still and know that He is God yet it is rarely lived The condemning voice of A W Tozer will lead you to a new and humble place in your relationship with God He urges you to put your feelings at God's feet and reveals the genuine essence of a servant's heart **God Tells the Man Who Cares** Caleb Sinclair, A. W. Burden of Proof: Using Known Concepts to Reveal Eternal Truths Brandon Russell,2015-11-28 Where is the proof Why believe in something if there is no evidence Also why believe in something when there is evidence that runs contrary to a particular belief This is basic logic and a reason why most deny a deity Most who deny a deity argue there is no evidence Also they point to scientific evidence to validate their skepticism However what if there is evidence and evidence that is overwhelming Those who deny a deity have every right to demand evidence Yet what will they do when they are provided proof The Bible advocates a God who is sovereign If this is true everything points to his existence God is not hiding he wants to be known BURDEN OF PROOF Using Known Concepts to Reveal Eternal Truths was written to identify the evidence of God s existence The author answers forty thought provoking questions that highlight the eternal truths of Scripture Thus proving that the burden of proof does not lie with those who believe in God but with those who don t *He Was There All the Time* David E.
