## **God The Almighty Power Wisdom Holiness Love:**

*God, the Almighty* Donald G. Bloesch, 1995 Covers encoding and binary digits entropy language and meaning efficient encoding and the noisy channel and explores ways in which information theory relates to physics cybernetics psychology and art Uncommonly good the most satisfying discussion to be found Scientific American 1980 edition      **The Art of**

**Forgiveness** Myk Habets, Philip Halstead, 2018-10-31 Forgiveness is at the heart of the Christian Gospel It goes hand in hand with love mercy and grace the fundamental theological virtues However forgiveness is easier to define than it is to embody This unique collection of essays brings together theologians ethicists and ministry practitioners into a constructive dialog which explores the complex and crucial concept of forgiveness what it is where it is to be found and how it might be practiced These essays reflect the perspectives of those from various traditions who nonetheless take the Christian Scriptures seriously believe that forgiveness is central to living out the Gospel and are creative in the ways in which forgiveness can be practiced Forgiveness is an art and not simply a science as such it requires trust skill and hope alongside love mercy and grace if it is to be embodied This volume offers a unique window into the art of forgiveness and the faithful and innovative ways in which it is to be understood embodied and cultivated      **Great Is the Lord** Ron

Highfield, 2008-08-15 In keeping with the classic Christian tradition Great Is the Lord sets out the doctrine of God in a way that illumines the mind moves the heart and stirs the soul to praise the triune God Ron Highfield introduces students ministers and others to the traditional doctrine of God held by the majority of the church from the second to the twentieth century God is triune loving merciful gracious patient wise one simple omnipotent omniscient eternal omnipresent immutable impassible and glorious Irenically challenging open theism and process theology Highfield shows that the classical doctrine of God actually preserves our confidence in God's love and his liberating action better than its opponents do This traditional doctrine Highfield argues grounds our dignity and freedom in the center of reality the trinitarian life of God Highfield's work maintains the highest intellectual standards throughout even as it offers a true theology for the praise of God

**Constructing a Mediating Theology** J. D. Kim, 2022-11-16 How does an almighty and all loving God respond to his beloved human creatures who are made in his image and yet implicated in sin and suffering What is the origin of human suffering Is it sin or the limitations of human beings Is God moved by our suffering If he sympathizes and co suffers with us can he deliver us out of our miseries Thousands and perhaps millions of people have asked these questions and are searching desperately for their answers Two major views have been advanced in the history of Christian theology to describe God's response to the suffering of the world divine impassibility and divine passibility More recently a third mediating position between impassibilism and passibilism has arisen which affirms both the impassibility and the passibility of God This position can be identified as modified classical theism an approach that grasps the perfect and relational nature of God Following this mediating position this book sets out its own constructive understanding of a mediating position with the help of a new way

of understanding the way in which the eternal actions and corresponding passions of the divine persons condition one another the dynamic reciprocity model

**Embracing Vulnerability** Roberto Sirvent, 2017-04-27 Arguments in favour of divine impassibility take many forms one of which is moral This argument views emotional risk vulnerability suffering and self love as obstacles to moral perfection In *Embracing Vulnerability Human and Divine* the author challenges these mistaken assumptions about moral judgment Through an analysis of Hebrew thought and modern philosophical accounts of love justice and emotion Roberto Sirvent reveals a fundamental incompatibility between divine impassibility and the Imitation of God ethic imitatio Dei This book shows that a God who is not emotionally vulnerable is a God unworthy of our imitation But in what sense can we call divine impassibility immoral To be sure God's moral nature teaches humans what it means to live virtuously But can human understandings of morality teach us something about God's moral character If true how should we go about judging God's moral character Isn't it presumptuous to do so After all if we are going to challenge divine impassibility on moral grounds what reason do we have to assume that God is bound by our standards of morality *Embracing Vulnerability Human and Divine* addresses these questions and many others In the process Sirvent argues for the importance of thinking morally about theology inviting scholars in the fields of philosophical theology and Christian ethics to place their theological commitments under close moral scrutiny and to consider how these commitments reflect and shape our understanding of the good life

**He Who Gives Life** Graham A. Cole, 2007-08-16 Often the most misunderstood and therefore ignored member of the Trinity the Holy Spirit deserves our attention and understanding God the Father and God the Son rightfully garner much explanation and exploration and God the Holy Spirit ought to be given the same studiousness curiosity and scholarship In this addition to Crossway's Foundations of Evangelical Theology series Dr Graham Cole has written a work that offers a comprehensive theology of the Holy Spirit This book shows the ultimate selflessness of the Holy Spirit as the member of the Trinity who always works for the glory of God the Father and God the Son and the good of the saints Ideal for pastors teachers and students of theology this book is a superb theology of the Holy Spirit Part of the Foundations of Evangelical Theology series

**Rooted Leadership** John Johnson, 2022-06-14 Behind many of the challenges facing us today is a failure of leadership This is not a new problem Yearning for wise guidance and effective authority is a perennial human longing We need leaders who are credible competent and committed But many leaders seem to be caught up even consumed with their own power and agendas Some see the leadership crisis as an intellectual problem believing we lack a clear theory of leadership Others view the breakdown of leadership as a result of increasing deficiency in moral character Most leadership books today revolve around the concepts of motivation inspiration empowerment and teamwork Helpful as these themes might be they miss something more fundamental Leadership needs a theological foundation that will be useful for shaping the undergirding principles and evaluating current leadership theories and practices We need to view leadership from the vantage point of God In *Rooted Leadership* John E Johnson explores how Christian theology provides an

overarching leadership framework and applies that theory to leadership practices Spiritual reflection guided by scripture points us to the very center of leadership God and the purpose of leadership that we might display his glory All the best forms of leading take their cues from who God is his purposes and his ways of working with people that he has progressively revealed Building on three decades of research study and experience as a global leader Johnson surveys the landscape of contemporary leadership theory unpacks the assumptions and beliefs that underly current trends and responds by offering a robust approach to leadership founded on the character work and words of God **Mending the Soul, Second Edition**

*Communion with the Triune God* Dick O. Eugenio, 2014-03-03 The revival of Trinitarian studies in the twentieth century ushered in a new era of theological innovation The renewed and dedicated articulation of the Trinity as a doctrine in its own right is indeed noteworthy but more important and praiseworthy are the recent endeavors of theologians in integrating the doctrine of the Trinity with other Christian doctrines and with the many variegated aspects of the life and ministries of the church Today it is common to encounter the term Trinitarian being used as a modifier Trinitarian worship Trinitarian ecclesiology etc This book presents Thomas F Torrance as a participant theologian in this integrative paradigm Because Torrance argues that the Trinity is the ground and grammar of theology his doctrine of salvation is consistently Trinitarian But how did he formulate his unique Trinitarian soteriology This book attempts to spell this out

The One Who Is Dr. Kenny Rhodes, 2015-02-27 This book is a comprehensive and concise treatment of the philosophical theological and biblical issues related to the doctrine of God Within its pages the nature existence and tri unity of God are presented in an understandable and clear manner The authors objective was to hold in highest regard the text of Holy Scripture while reflecting the biblical position of the historic orthodox faith The books tone is polemic and passionate sincere and scholarly with a commitment to communicate the truth of Gods Word with simplicity and profundity Also between its covers you will find a wealth of information with numerous references and explanatory notes for clarification and further personal study The book is arranged around the concept of the term logos which suffixes many other words and turns them into fields of study as in the phrase theology Theos logos The term Logos refers to the concepts of epistemology ontology and hermeneutics Applied to the doctrine of God its organization deals with Knowing God the Being of God and

Communicating God This corresponds to Thomas Aquinas approach to understanding God in the questions what is God we define God by negation what He is not how do we know God we know him by His effects how do you communicate or explain God God is communicated to us by His names that is His attributes The book furthermore presents a classic and newly reworked argument for the existence of God called the Existential Argument which is based on the notion of being **The Trinity** Veli-Matti Kärkkäinen, 2007-01-01 Unique for its breadth in studying theologians not only from Europe and North America but also from Latin America Asia and Africa this landmark volume introduces the doctrine of the Trinity examining the work and thought of contemporary theologians throughout the world Veli Matti Karkkainen provides an overview of the biblical roots of the doctrine discussing both the idea of plurality in God in the Old Testament and the rise of Trinitarian understandings in the New Testament He details the historical growth of Trinitarian traditions and delves into specific theologies both Western and non Western Also including both an introductory consideration of the doctrine's significance and a concluding assessment and agenda for future thought Karkkainen's *The Trinity* is the broadest and most comprehensive contemporary study on the Trinity available *From Pentecost to the Triune God* Steven M. Studebaker, 2012-12-19 In *From Pentecost to the Triune God* Steven Studebaker puts forth a provocative Pentecostal Trinitarian theology arguing that the Holy Spirit completes the fellowship of the triune God and therefore shapes the identities of the Father and the Son The Holy Spirit Studebaker maintains is not simply a passive end product of a procession from the Father and Son but rather a dynamic person who plays an active role in the Trinity and a constitutional consummational role in the history of redemption In the course of his study Studebaker shows the theological yield of the Pentecostal experience of the Holy Spirit and uncovers the biblical narratives of the Spirit from creation to Pentecost A constructive and ecumenical contribution to Trinitarian theology *From Pentecost to the Triune God* also engages major historical and contemporary figures such as Augustine the Cappadocians Weinandy and Zizioulas as well as representatives from the evangelical and charismatic traditions Finally Studebaker applies his Pentecostal Trinitarian theology to the theology of religions and creation care proposing that Christians embrace an inclusive posture toward people of other religious traditions and have an earth orientation that sees creation care as Christian formation *1 Peter* Greg Forbes, 2014-03-15 The third of twenty projected volumes in the Exegetical Guide to the Greek New Testament series helping students and pastors alike to understand and expound the Greek text **1 Peter** Greg Forbes, 2014-03-15 The Exegetical Guide to the Greek New Testament EGGNT closes the gap between the Greek text and the available lexical and grammatical tools providing all the necessary information for greater understanding of the text The series makes interpreting any given New Testament book easier especially for those who are hard pressed for time but want to preach or teach with accuracy and authority Each volume begins with a brief introduction to the particular New Testament book a basic outline and a list of recommended commentaries The body is devoted to paragraph by paragraph exegesis of the Greek text and includes homiletical helps and suggestions for further

study A comprehensive exegetical outline of the New Testament book completes each EGGNT volume *The Doctrine of God* Veli-Matti Kärkkäinen, 2017-05-16 In recent years the doctrine of God has once again become a central focus of theological discussion and debate In this ecumenical international and contextual introduction internationally respected scholar Veli Matti Kärkkäinen offers a global survey of understandings of God in Scripture Christian history and contemporary theology This new edition incorporates developments in theological research over the past decade and has been substantially updated throughout Echoes of a Voice James W. Sire, 2014-04-21 Early evening a young boy alone on his pony on the rim of the Nebraska Sandhills Three darkening thunderclouds rising higher and higher on the horizon An electric atmosphere a quickening light cooling breeze A slight shiver and the boy wonders Am I being pursued by the Father the Son and the Holy Ghost These sudden unbidden unexpected strange experiences We all have them What are they Mere plucking on the emotional strings of our material selves Or do they have a deeper meaning Do they signal the Presence of something other maybe some Other maybe some one Other some thing or some one above below beyond our normal waking consciousness James W Sire has studied a massive number of these accounts He pairs them with his own experiences and turns to scientists philosophers and theologians for explanation These experiences he concludes are signals of transcendence or what N T Wright calls echoes of a voice the voice of Jesus calling us to follow him into God's new world This book is an account of the author's journey to this conclusion **The Doctrine of the Covenant of Redemption According to John Gill (1697-1771)** Wang Yong Lee, 2025-02-11 What is the doctrine of the covenant of redemption Why does John Gill 1697-1771 an English Baptist pastor and theologian regard this doctrine as the kernel in his systematic theology This book explicates how core theological doctrines in the Bible e g the doctrine of God the Trinity Christology and soteriology are integrated in the doctrine of the covenant of redemption from the biblical and theological perspective of John Gill From his long pastoral experience and over fifty years of rich writing Gill demonstrates that a careful investigation of the Bible and of God the Trinity makes him love the reality of the covenant of redemption in eternity which is ultimately revealed by the gospel of Jesus Christ Gill sees those who are in the gospel of Jesus Christ as the ones through whom the eternal reality of the covenant of redemption is manifested to the saved Gill also encourages those who are in Christ to see the eternal reality of the covenant of redemption revealed by the gospel of Jesus Christ **Yet Will I Trust Him** John Mark Hicks, 1999 Yet Will I Trust Him will challenge you to look at God's providence and human suffering from a new perspective If you have struggled with suffering and personal pain versus God's goodness this book will be a blessing to you When events seem painful or evil you must know and trust that God still has a plan This book will help you be assured that He is still in control and the confidence and peace that comes with that realization will become the tool to help you face the storms life brings your way
