God The Interview:

God Terry Lane,1999 **An Interview with God** Woodrow Kroll,2004-04-01 Answers I want answers Most people have burning questions about God and the way He operates in this world The problem is finding Biblical answers Better yet it is a book that not only satisfies your questions but provides a framework for discovery on your own Woodrow Kroll has taken on this task and gives us a unique approach answering in God s voice just as if you were posing questions to Him in your living room The unconventional pulls no punches style will appeal to an audience weary of pat answers and hungry for the truth

An Interview with God Stephanie Hill Nchege,2017-12-07 How many times have you asked God why or What do you want from me Lord Maybe you ve even asked God Why am I here what is the purpose of my life But have you ever thought about the questions that God asks Throughout this book we explore questions that each of us have probably asked God at some point in our lives I also share some of my own personal life stories that occurred or were given in response to the questions God asked me This book challenges you to see yourself as having your own personal interview with God the head boss himself and to reflect upon what your answers are to God when he calls you for an interview Many times God sends his angels to let us know that we ve just been called for an interview Whether we feel prepared or not the book reminds us that God conducts these interviews for our good and he always wants to promote us or qualify us for the next position Questions can be powerful tools They can help us to map out our God ordained visions Questions help us to identify the answers that lie inside of our hearts And I believe that it is those answers that unlock our purpose the mysteries of our heart and deepen our relationship and walk with God Are you ready for your interview with God He is ready to share heart to heart matters

God, the Interview Ronald Hays,2014-04-11 If you could interview God what would you ask Throughout my life I have read books meditated prayed and asked teachers any number of questions about the purpose and meaning of life and for help and direction in the living of my own life Among the ways I have been told that God communicates with us one commonality exists the answers are within So rather than going outside of myself again I decided to interview God and see what answers came from within myself The result is *God The Interview* During my interview I asked many questions including the following and received the most informative startling and inspirational answers Is there life on other planets What is the purpose of Life Why do we die Who are you What are you Do Heaven and Hell Exist Why are there so many religions Which one is right Is it appropriate to punish criminals Is abortion wrong Do animals have souls Can we communicate with people who have died Go *The Interview* is an exploration of my beliefs about God and Life a pondering of what may come from within each of us if we only look *An Interview with God* Woodrow Michael Kroll,2004 Using the Barna Omni Poll that polled Americans about what questions they d most like to ask God the president for the radio ministry Back to the Bible answers those questions using God s voice from the Bible in this user friendly resource that s ideal for small group discussion **God,**
