**Moderate Radical** Rosamund Oates, 2018 Tobie Matthew began Elizabeth I's reign as a religious radical but by the time civil war broke out he was responsible for running the Church of England This biography examines conforming Puritanism a powerful force in the early modern Church and helps to explain the tensions and divisions of the reign of Charles I 1652

David Parrott, 2020-07-31 David Parrott's book offers a major re-evaluation of the last year of the Fronde the political upheaval between 1648 and 1652 in the making of seventeenth century France In late December 1651 Cardinal Mazarin defied the order for his perpetual banishment and re-entered France at the head of an army The political and military crisis that followed convulsed the nation and revived the ebbing fortunes of a revolt led by the cousin of the young Louis XIV the prince de Cond The study follows in detail the unfolding political and military events of this year showing how military success and failure swung between the two sides through the campaign driving both cardinal and prince into a progressive intensification of the conflict while simultaneously fuelling a quest for compromise and settlement which nonetheless eluded all the negotiators' efforts The consequences were devastating for France as civil war smashed into a fragile ecosystem that was already reeling under the impact of the global cooling of the Little Ice Age 1652 raises questions about established interpretations of French state building the rule of cardinal Mazarin and his predecessor Richelieu and their contribution to creating the absolutism of Louis XIV The European Reformation Euan Cameron, 2012-03-01 Since its first appearance in 1991 The European Reformation has offered a clear integrated and coherent analysis and explanation of how Christianity in Western and Central Europe from Iceland to Hungary from the Baltic to the Pyrenees splintered into separate Protestant and Catholic identities and movements Catholic Christianity at the end of the Middle Ages was not at all a uniformly decadent or corrupt institution it showed clear signs of cultural vigour and inventiveness However it was vulnerable to a particular kind of criticism if ever its claims to mediate the grace of God to believers were challenged Martin Luther proposed a radically new insight into how God forgives human sin In this new theological vision rituals did not purify people priests did not need to be set apart from the ordinary community the church needed no longer to be an international body For a critical Reformation moment this idea caught fire in the spiritual political and community life of much of Europe Lay people seized hold of the instruments of spiritual authority and transformed religion into something simpler more local more rooted in their own community So were born the many cultures liturgies musical traditions and prayer lives of the countries of Protestant Europe This new edition embraces and responds to developments in scholarship over the past twenty years Substantially re-written and updated with both a thorough revision of the text and fully updated references and bibliography it nevertheless preserves the distinctive features of the original including its clearly thought out integration of theological ideas and political cultures helping to bridge the gap between theological and social history and the use of helpful charts and tables that made the original so easy to use *Collections of Passages Referr'd to by Dr. Henry Sacheverell in His Answer to the Articles of His Impeachment* Henry Sacheverell, 1710 Removing Rebellion's Roots Olan Stubbs, 2025-04-18 All people deal with

intrusive thoughts at times All of us have some practices in our lives we are not proud of Many would call these struggles sins Why are there thoughts and deeds we hate yet that recur so often in our lives The Bible teaches there is a real supernatural source behind these thoughts and deeds Satan is real but so is God God s word has all the truth and power we need to set us free from the influence of sin and Satan Satan will use the events of our personal lives to convince us that lies are true He is very convincing He will lie to us about God about ourselves about the gospel and about all of life He roots his lies in enough truth to make them very believable Discerning them is not always easy Satan is very crafty shrewd and subtle God s word and Spirit are able to give us all that we need to take each sinful thought captive Further God supplies the truth that must replace Satan s lies God s truth is the foundation for a holy life God s truth is the pure substance we need to replace the roots of our sinful practices

**Dragon Beneath the Purple and Scarlet Mask** Edward O'Neal Bowen,2025-01-28 Something in our world has gone terribly awry leaving many wondering what on earth is going on The fact is over recent decades as the world slept spiritually a subtle metaphysical shift has taken place in societies spanning the globe altering both human and planetary behavior This paradigm shift has left in its wake a planet in peril filled with hostility volatility excessive immorality and erratic weather patterns disrupting even the current world order Across the globe we now witness a pervasive godless culture of idolatry materialism human greed incivility senseless violence wars tribalism gender inequality racial disparity and political correctness These have all but stifled civil discourse thereby accelerating the systematic deterioration of traditional cultural and social norms Toss in a volatile global economy along with corrupt human institutions of church and state and what we have left is a world system of operation teetering on the brink of catastrophic collapse What we are now experiencing is a prophesied process of social moral political planetary and socio economic disorder With every spinning news cycle we are given a constant sobering reminder of Earth s new reality and an eschatological foretaste of that which now emerges before our very eyes Perhaps you too have sensed this radical sea change in today s uncertain and ever evolving world Certainly you are not alone in this observation For most people today s world is but a mere shadow of the place we experienced as children and were hoping to be a part of as adults Suffice it to say our world is currently undergoing a major transformation a rebirth of sorts as it makes ready for the prophesied inauguration and global occupation of Earth s final despot ruler the prince of darkness himself called the Antichrist So what does this all mean for today s world Where does one turn for credible answers and helpful instruction In a world filled with mendacity

truth is oftentimes lost in a world of spin making it difficult if not altogether impossible to differentiate between what's real and what's not Yet if truth is what you seek then *Dragon Beneath the Purple and Scarlet Mask* was written specifically with you in mind Come now and learn the truth behind the unprecedented and unpredictable times in which we now live Indeed you are most blessed For many prophets and righteous people from ancient times desired to see what your eyes are about to see and did not see it and to hear what your ears are about to hear and did not hear it **An Impartial Account of of what**
