The Origins of Yoga and Tantra Geoffrey Samuel,2008-03-27 Yoga tantra and other forms of Asian meditation are practised in modernized forms throughout the world today but most introductions to Hinduism or Buddhism tell only part of the story of how they developed This book is an interpretation of the history of Indic religions up to around 1200 CE with particular focus on the development of yogic and tantric traditions It assesses how much we really know about this period and asks what sense we can make of the evolution of yogic and tantric practices which were to become such central and important features of the Indic religious scene Its originality lies in seeking to understand these traditions in terms of the total social and religious context of South Asian society during this period including the religious practices of the general population with their close engagement with family gender economic life and other pragmatic concerns Arresting God in Kathmandu Samrat Upadhyay,2014-09-23 From a major new talent come short stories set in modern Nepal about arranged marriages forbidden desires and the universal yearning for human connection Amitav Ghosh Set in a city where gods are omnipresent privacy is elusive and family defines identity these are stories of men and women caught between their own needs and the demands of their society and culture Psychologically rich and astonishingly acute with a masterful narrative style Ian MacMillan Arresting God in Kathmandu introduces a potent new voice in contemporary fiction Upadhyay brings to readers the flavor of Nepal and its culture in this impressive collection of nine short stories Like Ha Jin s Bridegroom Upadhyay s stories portray the lives of simple yet psychologically complex characters and reveal much about the universal human condition in us all Upadhyay s stories leave the reader with much food for thought and will make a good choice for book discussion groups Library Journal *Indian Review of Books* ,2000 Tantra, Ritual Performance, and Politics in Nepal and Kerala Matthew Martin,2020-08-10 In previous studies of South Asian Tantric ritual scholars tend to focus on one region or context For the first time Tantra Ritual Performance and Politics in Nepal and Kerala Embodying the Goddess clan offers a comparative approach to Tantric mediumship as observed in two locales Navadurg rituals in Bhaktapur Nepal and Teyy am in North Kerala In this book Matthew Martin advances a new theory of ritual which spotlights the way dancer

mediums embody medieval goddess clans and ancestor deities through offerings of food and sacrifice that synchronize their denizens with the land in spiralling web like ritual networks Uniquely interdisciplinary in style this study synthesizes cultural history ethnography and theory to explore the continuities historical societal and political that characterize these ritual traditions across the subcontinent
