Olson, 2009-05-26 Many Christians faith exists as a loose collection of unexamined clichés and slogans borrowed from songs devotional books sermon illustrations and even the internet Too often this belief system if it can be called a system lacks coherence and intelligibility it can hardly be expressed let alone defended to others The problem with folk religion is that it too easily withers under the onslaughts of secularism or seemingly reasonable answers provided by cults and new religions Christianity has a long tradition of intellectual examination of other faiths and its own beliefs Socrates said that the unexamined life is not worth living great Christian minds of all the ages have believed the unexamined faith is not worth believing Reflective Christianity is Christian faith that has subjected itself to the rigorous questioning of Scripture tradition reason and experience It is mature Christian faith that goes on believing even as it questions what it believes The goal of this book is not to destroy anyone's faith but to build it up by placing it on a firmer foundation of critical examination Ten popular Christian clichés are subjected to critical inquiry and interrogated to discover whether they contain truth or are in error In most cases the conclusion is both The aim is not to tear down straw men but to demonstrate a path toward stronger more mature Christian belief **The One Year Devotions for Kids #3** Children's Bible Hour, 2012-09-18 For ten years kids have had fun learning about Scripture with The One Year Book of Devotions for Kids series Now The One Year Book of Devotions for Kids volume 3 is available with a great new look for a new generation of readers Each day's lesson focuses on a key theme from a Bible story A contemporary story application

God's Design For the Church Apostle Sharon E. Harris, 2024-06-20 The Church of the Living God is the only organization in this world that will transcend to the next world and throughout all eternity. Everything else in this world will vanish away, but God's Church will last for all eternity now and forever. God has structured the Church, and everyone must know what that structure is. The information in this book has been divinely inspired by the Holy Spirit because Scripture is used to answer Scripture. It is based on what God says with Scriptures that make it plain. The information in this timeless book will change a Church, a ministry, and also change a Believer's personal walk with the Lord. It is group worthy as well as individual worthy of study because God has His Blueprint for His Church, and it is all hidden in Scriptures, and being able to interpret the language of the Author, which is the Holy Spirit, will lead us in the wealth of spiritual prosperity. The Holy Spirit is the Designer of God's Blueprint for His Church, and He wants us all to understand His way because no prophecy of the Scriptures is of private interpretation. He wants us to know how we are individually and collectively designed, and knowing this will transform us into His glorious Church. This book will help you recognize your place in the Body of Christ, His Church, as He works on us individually and collectively. Till we all come in the unity of the faith and of the knowledge of the Son of God, unto a perfect man, unto the measure of the stature of the fulness of Christ. Ephesians 4:13. This book is profitable for individual Church and group studies. It will help you see the spiritual construction from beginning to end, from start to finish, and we will stand in awe of this great Architect, the designer of our souls: God, our Father, and the Lord Jesus Christ.
