Gods City In The Jungle:

God's City in the Jungle Sanna Barlow Rossi, 1975 Peru's Ticuna Indians are a jungle people. Only a few years ago they had no written language and were ignorant of the outside world. Simple illnesses caused tragic handicaps and death, drunkenness and violent fights produced a climate of fear and hatred. Then the tribe collided head on with Lambert and Doris Anderson and the gospel of Jesus Christ. The result: Ticunas were transformed. This book is the moving story of how God is creating a new society in the Peruvian jungle. Despite obstacles of language, superstition and distrust, God has built his own jungle city.

The Lost City of the Monkey God Douglas Preston, 2017-01-03. The #1 New York Times and Wall Street Journal bestseller named one of the best books of the year by The Boston Globe and National Geographic. Acclaimed journalist Douglas Preston takes readers on a true adventure deep into the Honduran rainforest in this riveting narrative about the discovery of a lost civilization culminating in a stunning medical mystery. Since the days of conquistador Hernán Cortés, rumors have circulated about a lost city of immense wealth hidden somewhere in the Honduran interior called the White City or the Lost City of the Monkey God. Indigenous tribes speak of ancestors who fled there to escape the Spanish invaders and they warn that anyone who enters this sacred city will fall ill and die. In 1940, swashbuckling journalist Theodore Morde returned from the rainforest with hundreds of artifacts and an electrifying story of having found the Lost City of the Monkey God, but then committed suicide without revealing its location. Three quarters of a century later, bestselling author Doug Preston joined a team of scientists on a groundbreaking new quest. In 2012, he climbed aboard a rickety single engine plane carrying the machine that would change everything: lidar, a highly advanced classified technology that could map the terrain under the densest rainforest canopy. In an unexplored valley ringed by steep mountains, that flight revealed the unmistakable image of a sprawling metropolis, tantalizing evidence of not just an undiscovered city but an enigmatic lost civilization. Venturing into this raw, treacherous but breathtakingly beautiful wilderness to confirm the discovery, Preston and the team battled torrential rains, quick mud, disease-carrying insects, jaguars and deadly snakes. But it wasn't until they returned that tragedy struck. Preston and others found they had contracted in the ruins a horrifying, sometimes lethal and incurable disease. Suspenseful and shocking, filled with colorful history, hair-raising adventure and dramatic twists of fortune, **THE LOST CITY OF THE MONKEY GOD** is the absolutely true eyewitness account of one of the great discoveries of the twenty-first century.

Hidden Secrets of God's Economy Lou Galloway, 2008-06 Radically transform your financial position in life to one of abundance and prosperity by discovering the hidden financial secrets of God's economy. After receiving revelation from the Lord in October 2006, I discovered why I wasn't prospering as promised in the Bible. My beliefs were based upon my personal experiences rather than the word of God. I discovered I wasn't using all the talents that God created within me. These hidden talents are the seeds to our financial and business success. The Lord revealed to me that I should be living in God's economy of abundance and that my finances are not meant to be tied to the world's economic system. I was challenged to transform the way I think and learn to apply the principles of abundance in generating a 30 fold, 60 fold, and 100 fold return. Once my eyes were opened to this revelation, the Lord began to reveal opportunities to me. For further details, visit my web site at www.harvestwells.com. Lou Galloway lives in Hobart, Australia, with his wife Sandra. They have two daughters, two sons in law, a son, and two grandsons. Lou has spent over 15 years in ministry, including many overseas missionary excursions. Lou has a diploma in Christian Ministries and a Bachelor of Computing degree. Lou is currently involved in developing business projects within the mission field and has a vision to expand this concept on a much larger scale.

Salvation Suffering is not the end of our story when God is involved with us Thus the readings in this second unit are about salvation They explore the new start for the people of Judah represented by the rebuilding of the Temple in Haggai's time and the new start for humankind announced by John the Baptist and accomplished through the death and resurrection of Jesus new starts made possible by God's initiative
