Gods Ear:

God's Ear Jenny Schwartz,2009 Explores how the death of a child tears one family apart **By The Gods's Ears** Christopher Fly,2022-01-27 When farmers Gilles and Murielle discover that Prince Henri of the kingdom of Darloque has chosen their daughter Emmeline as his next conquest Gilles proposes a plan for their daughter to run while her parents seek help from the Old King But Murielle has kept a secret from her husband a secret life which may be the only thing that can save their daughter She must resurrect a long dead name and seek help before it is too late for Emmeline Saving Emmeline is only one part of the problem Henri wishes to be King and reignite a war that can only lead to destruction Murielle s quest revives old alliances and draws her secret identity into a great battle for a kingdom Meanwhile the gods are not at rest Henri s actions have drawn the attention of long forgotten powers But can he be defeated God Didn't Forget Katrina M. Lakew,2024-11-19 How do you cope with intrusive thoughts about whether or not God is listening Do you stop your devotional time with the Lord Do you neglect your prayer life Do you find yourself feeling as if God is constantly pouring out blessings on everyone except you Well this book is for you Katrina M Lakew insightfully excavates within scripture the absolute fact that God has not forgotten about you In fact He knows who you are and the plans he has for you This book will escort you to the heart of the Father and demonstrate that you are not out of line or out of step the intentions and purposes of God will come to fruition in your life once you acknowledge the fact that God didn t forget **God's Prophetic Symbolism in Everyday Life** Adam Thompson,Adrian Beale,2017-11-21 Decode the Prophetic Language of God In The Divinity Code to Understanding Your Dreams and Visions Adam Thompson and Adrian Beale taught you the supernatural keys to interpreting God s voice through your dreams In this follow up work Thompson and Beale offer revelatory insights about the prophetic language that God speaks through **Slave Species of the Gods** Michael Tellinger,2012-09-10 Our origins as a slave species and the Anunnaki legacy in our DNA Reveals compelling new archaeological and genetic evidence for the engineered origins of the human species first proposed by Zecharia Sitchin in The 12th Planet Shows how the Anunnaki created us using pieces of their own DNA controlling our physical and mental capabilities by inactivating their more advanced DNA Identifies a recently discovered complex of sophisticated ruins in South Africa as the city of the Anunnaki leader Enki Scholars have long believed that the first civilization on Earth emerged in Sumer some 6 000 years ago However as Michael Tellinger reveals the Sumerians and Egyptians inherited their knowledge from an earlier civilization that lived at the southern tip of Africa and began with the arrival of the Anunnaki more than 200 000 years ago Sent to Earth in search of life saving gold these ancient Anunnaki astronauts from the planet Nibiru created the first humans as a slave race to mine gold thus beginning our global traditions of gold obsession slavery and god as dominating master Revealing new archaeological and genetic evidence in support of Zecharia Sitchin s revolutionary work with pre biblical clay tablets Tellinger shows how the Anunnaki created us using pieces of their own DNA controlling our physical and mental capabilities

by inactivating their more advanced DNA which explains why less than 3 percent of our DNA is active He identifies a recently discovered complex of sophisticated ruins in South Africa complete with thousands of mines as the city of Anunnaki leader Enki and explains their lost technologies that used the power of sound as a source of energy Matching key mythologies of the world s religions to the Sumerian clay tablet stories on which they are based he details the actual events behind these tales of direct physical interactions with god concluding with the epic flood a perennial theme of ancient myth that wiped out the Anunnaki mining operations Telling us that as humanity awakens to the truth about our origins we can overcome our programmed animalistic and slave like nature tap in to our dormant Anunnaki DNA and realize the longevity and intelligence of our creators as well as learn the difference between the gods of myth and the true loving God of our universe God's Ear Jenny Schwartz,2008-04-01 God s Ear marks the debut of Jenny Schwartz an indelibly clever playwright possessed of linguistic playfulness and a lively sense of rhythm Alexis Soloski The Village Voice Through the skillfully disarming use of cliché d language and homilies the play explores with subtle grace and depth the way the death of a child tears one family apart while showcasing the talents of a promising young playwright who in a very modern way is making a rather old fashioned case for the power of the written word Jason Zinoman The New York Times Fresh from its critically acclaimed off Broadway run this past spring God s Ear moves off Broadway to the Vineyard Theatre in April 2008 *God Is Speaking - Are You Listening? My Story* Steven W. Raasumaa,2002-07-11 In July 1998 GOD approached a man to assist GOD and channel his will into the written word This book is the result of that conversation GOD is responsible for the flow topics and discussions The man simply wrote what GOD spoke and what thoughts he received GOD is speaking Are you listening My Story is GOD S full disclosure to his human family including his laws of Life and Death He speaks to Steve as a friend That is a friend of GOD S chosen by GOD The fact that anyone would be allowed to hear his voice is astonishing In this day and age of miracles is it so far fetched not to believe He speaks to Steve of his world Heaven He speaks of his Love for his human family GOD tells it like he sees it No soft touch no political correctness just the plain truth GOD S Truth July 5th 1998 4 00 P M I AM the GOD of ALL The reason for this writing is that the stories I AM about to unfold to you through my friend Steve are stories to teach inspire and to create hope Hope in that when you greet me in my Heavenly Kingdom you will have a better understanding appreciation and moral imperatives necessary to the alleviation of your guilt I AM in the world as a spirit of Love hope divine inspiration and most of all understanding I have tried to conquer you and your fears by sending messengers to your world Moses Abraham Isaac and Jesus the Christ I have been alive 50 million of your Earth years and the stories I AM about to tell you are just one of many told countless times in my Kingdom *Lives of the Gods: Divinity in Maya Art* Joanne Pillsbury,Oswaldo Chinchilla Mazariegos,James A. Helmer IV, 2024-02-26 In *The LORD Who Listens* Charles C Helmer IV draws on Holy Scripture and the theology of Karl Barth to offer a theological interpretation of God's hearing Prioritizing this neglected biblical theme Helmer develops a theological grammar for speaking of God's hearing that maintains a strong creator creature distinction and then proceeds to demonstrate the profound implications God's hearing has for the doctrines of anthropology Christology and thus for understandings of the gospel In contrast to possibilist liberationist strategies God's hearing is argued to furnish existentially and theologically superior resources for those who cry out to be heard by God **The Staff of Oedipus** Martha L.
