in order to give place to the Spirit The more we are in the mingling of the divine Spirit with our human spirit the more we will be set free from ordinances in order to bring forth the one new man The goal of the Lord s recovery is to bring forth the corporate one new man The creation of the new man was completed on the cross but the renewal of the new man is still going on today For the practical exis tence and reality of the one new man we need to put off the old man and put on the new man by being renewed in the spirit of our mind and by taking Christ as our person The renewing of our mind and of our entire being is carried out by the renewing Spirit being mingled with our regenerated spirit as one mingled spirit to spread into our mind When we live our life by taking Christ as our person especially in making decisions our living will be the living of the new man Moreover for the bringing forth of the one new man we must grow and mature in life by growing up into Christ in all things The reality and practicality of the new man require our persevering in particular prayer such as the prayers modeled by Paul in Ephesians 3 14 17 and the Lord Jesus in John 17 which is our response to Christ s activities in His heavenly ministry Furthermore we must labor and struggle according to the operation of God to dispense Christ into others in order to present every man full grown in Christ until we all arrive at the oneness of the faith a full grown man and the measure of the stature of the fullness of Christ The dispens ing of Christ is a service carried out by all believers as faithful stewards of the mysteries of God which is Christ and the church A steward is a dispenser one who dispenses the divine life supply to God s children The stewardship of grace is the dispensing of the riches of Christ into our being so that we may grow and become the church All the local churches in the different countries are the one new man thus they need to practice the church life in the consciousness of the new man If we take Christ as our life and as our person in the new man and with the new man spontane ously we all will speak the same thing and do the same one work for the unique Body the universal one new man In this way the new man will grow and mature and we will arrive at a full grown man This will be the ultimate church life a universal new man taking Christ as his person and living out Christ this will conclude this age usher in the kingdom and bring the Lord back The Announcements section at the end of this issue contains a list of upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar events in Europe [The Ministry of the Word, Vol. 21, No. 08](#) Various Authors,2017-08-01 This issue of The Ministry of the Word contains the six messages from the Memorial Day weekend conference held in White Plains New York May 26 29 2017 The subject of this series of messages is Knowing Life and the Church The banners in the following section embody the crucial truths and the main burden of the conference The Reports and Announcements section at the end of this issue contains the Summer 2017 Mass Distribution Update as well as information concerning upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar events in Europe *Imitating God* Ruthven Roy,2015-06-13 Be perfect therefore as your heavenly Father is perfect Matthew 5 48 NRSV Imitating God is not only possible but it is also guaranteed This book will provide you with very precious keys to your true identity in Christ and will show you in very simple

The Doctrine of the Covenant of Redemption According to John Gill (1697-1771) Wang Yong Lee, 2025-02-11 What is the doctrine of the covenant of redemption Why does John Gill 1697-1771 an English Baptist pastor and theologian regard this doctrine as the kernel in his systematic theology This book explicates how core theological doctrines in the Bible e.g. the doctrine of God the Trinity Christology and soteriology are integrated in the doctrine of the covenant of redemption from the biblical and theological perspective of John Gill From his long pastoral experience and over fifty years of rich writing Gill demonstrates that a careful investigation of the Bible and of God the Trinity makes him love the reality of the covenant of redemption in eternity which is ultimately revealed by the gospel of Jesus Christ Gill sees those who are in the gospel of Jesus Christ as the ones through whom the eternal reality of the covenant of redemption is manifested to the saved Gill also encourages those who are in Christ to see the eternal reality of the covenant of redemption revealed by the gospel of Jesus Christ
