Gods Faulty Heroes:

God's Faulty Heroes Roy Gane,1996 The Flawed Family of God Carolyn B. Helsel,Song-Mi Suzie Park,2021-02-09

The best stories in the book of Genesis involve families The issues these stories raise married vs single life sibling rivalry infertility family relocation blended families and the like are startlingly relevant to families of today This Bible study examines the families of Genesis starting with how the Adam and Eve story encompasses far more ways of being family than most of us think It looks at the sibling rivalry of the Cain and Abel story pointing to the jealousy and violence to which the whole human family seems addicted It uses the ups and downs of the relationship between Abraham Sarah Hagar and Ishmael can help us understand the complicated dynamic of blended families Carol Helsel and Suzie Park invite readers these and many other connections as they reexamine the joys and complications of modern family life This engaging Bible study includes questions for individual reflection or group use *Seductions of Fate* G. Bastera,2004-02-24 If the tragic interpretation of experience is still so current despite its disastrous ethical consequences it is because it shapes our subjectivity Instead of contradicting the ideals of autonomy and freedom a modern subjectivity based on self victimization in effect enables them By embracing subjection to an alienating other the Law Power the autonomous subject protects its sameness from the disruption of real people *Seductions of Fate* stages a dialogue between this tragic agent of political emancipation and the unconditional ethical demands it seeks to evade **Waiting for the Rest That Still Remains** Arie C. Leder,2020-12-16 *Waiting for the Rest That Still Remains* A Biblical Theology of the Former Prophets focuses on Israel s squandering of God s gift of rest from the enemy all around by worshiping at the altars of other gods and its ultimate consequences a second exile this time from the landed presence of the Lord Where land is the Pentateuch s promised future the Former Prophets proffer a future tied to the Lord s dynastic covenant with David and Solomon s dedicatory prayer Pleas that God hear in heaven the prayers his people direct toward the temple in Jerusalem express hope for the good life in the land but the culmination of Solomon s prayer pleads that upon repentance their captors be compassionate to them in the land of their captivity there is no plea for return to the land from exile Outside of God s promise to David Joshua Kings do not identify an earthly place like Noah s ark or the land filled with God s presence to which they might return Israel awaits the fulfillment of God s promise to David *Hometown Hero* Todd J. Ewing,2006-08 Laci s mind and heart were battling Should she give her possessive boyfriend another chance Or should she walk into the unknown and date a boy with a bad childhood

Luther,1903 **The Essential Max Müller** J. Stone,2016-04-30 Max M ller is often referred to as the father of Religious

Studies having himself coined the term science of religion or religionswissenschaft in 1873 It was he who encouraged the comparative study of myth and ritual and it was he who introduced the oft quoted dictum He who knows one religion knows none Though a German born and German educated philologist he spent the greater part of his career at Oxford becoming one of the most famous of the Victorian arm chair scholars M ller wrote extensively on Indian philosophy and Vedic religion translated major sections of the Vedas the Upanisads and all of the Dhammapada yet never visited India To be sure his work bears the stamp of late Nineteenth Century sensibilities but as artifacts of Victorian era scholarship M ller s essays are helpful in reconstructing and comprehending the intellectual concerns of this highly enlightened though highly imperialistic age

Scripture into our lives we must read it work through its meaning and begin to practice it in life This book helps to develop these skills Once gained I hope each reader will pass this book on to someone else who might benefit from it **Worth Every Drop** Jonathan Henderson,2022-09-21 I was raised to believe that there was a God and that He was a personal being As a child you don't really question what your parents tell you If they say there is a jolly three hundred pound man who delivers all the Christmas toys in one night on the backs of flying reindeer with one red headlight you believe them When I reached adolescence however I felt compelled to question everything I challenged the picture of God that emerged from the instructions given by my parents teachers and pastors And these questions weren't all of the trivial type such as Can God create a rock so heavy that He can't lift it Nope they were Why do bad things happen to good people Does everything happen for a reason and according to God's will Everything Including all the bad stuff Then there were the highly polarizing views that never appeared to be questioned such as Trust love worship and serve God or else He'll send you to hell Views like that were terrifying If God is supposed to be our caring and loving Father how could He burn to death His disobedient children I didn't think the worst parent on earth would do something that ghastly This picture was beyond toxic and left me in state of fear The fear of God made me feel small and worthless and that my only value to Him was worship and obedience I'm sorry to say but God seemed like a big bully and pushing me around didn't win over my heart Sure pushing one another down in a demonstration of strength was how my classmate Max and I became best friends in third grade but I wasn't in third grade anymore Even when I was told that God loved me and because of that love sent His Son to earth to save us all it still sounded fearsome and gruesome Did God have to torture His Son on a cross otherwise He couldn't accept me for who I am Why would God have to do that if He's the most powerful being in the universe If He wanted to save us from the pitchfork guy then He should rescue us with His superpowers instead of some bloody seemingly orchestrated sacrificial ritual At the heart of all my questions there was essentially just one question I was asking Do I matter to God or is it only what I do for Him that matters To think that our service to Him is our only value places us as nothing more than servants or even worse slaves Yet I was assured as an adolescent that God wanted to be friends He wanted to be my best friend in fact But how many friends do you have who would kill you if you weren't their friend Zero You'd call the cops if that scenario were ever presented to you However we can't call law enforcement on God He is the law And if you don't obey His law you get a divinely enforced death sentence Thanks friend In the end it left me stuck How do you tell someone who can detonate you Thanks but no thanks I eventually arrived at the conclusion that communicated exactly what I was reaching for If God wants to truly be my friend then He should be more friendly Worth Every Drop is a journey of faith discovering a God who is consistent friendly and trustworthy It is a deep dive into the Bible to make sense of who God is and who we truly are to Him Whether you are a boomer or a millennial agnostic or a believer this book is for you **Set Your Eyes Higher** Whitney Lowe,2024-09-24 Find peace for your mind and rest for your spirit when you fix your eyes on God You're invited to a 40 day reset that will help you

let go of what's not serving you honor your limitations and turn your gaze toward a God who loves you **Set Your Eyes Higher** is a life-changing devotional journey from anxiety to peace Is your life feeling out of control Are you overwhelmed and need a break We spend a lot of time looking down Mostly at our phones Sometimes at ourselves The artificial blue light in our eyes makes us anxious about the world It makes us chase trends that have nothing to do with who we want to be It causes us to put time energy and brain space into what won't last God doesn't want you to live stressed out burnt out or overwhelmed with worry It's time to look up **Set Your Eyes Higher** by Whitney Lowe will help you explore issues that are impairing your vision and you will learn to shift your perspective upward Only then can you truly break free from the spiral of anxiety to find the peace and calm offered by your heavenly Father Each daily devotion includes honest reflections a suggestion for a Scripture reading and a prayer that will help you refocus your attention on God This insightful guide will help you if you are Searching for a rhythm to anchor your spiritual practices Looking to take control of your time and gain clarity on what you want in life Seeking long-lasting contentment over trends Wanting to let go of the world's worries you are carrying on your shoulders Eager to know the Bible but don't know where to start If you're in need of a reset embark on this 40-day journey to retrain your spiritual eyes to look up to a loving God who meets your every fear with patience and grace **Set Your Eyes Higher** will help you find new perspective purpose power and peace If you're feeling unmoored because you've taken your eyes off of what matters most the hope you're searching for is within reach if you're ready to look up

Parables as Poetic Fictions Charles W. Hedrick, 2005-11-01 Contending that Jesus narrative parables are more poetic than metaphoric Hedrick argues that parables should be heard solely on their own terms Hedrick's dissatisfaction with figurative and metaphorical approaches or those that argue for a particular meaning or a single interpretation diverges sharply from the modern consensus and breaks new ground in parable studies
