God's Divine Instructions to Husbands and Men Aelton Simmons,2021-12-30 God's Divine Instructions to Husbands and Men is a book geared toward informing men on what their role in marriage and life is and how to fulfill those roles. It will show you where you may have been in error concerning your marriage and life and also areas in which you may need to improve. While the information in this book is based on the Word of God, it will not benefit you until you learn these things and then implement them into your life and marriage. If you want a fulfilling and successful marriage and life, it is time to abandon your ideas and thoughts about a husband's role in marriage and life and adopt God's Divine instructions from His Word as it deals with the role of husbands, men and marriage

Why should families symbolise the church and kingdom of God? Peter Williams, Booklets in this first series On which days was Christ crucified and resurrected Can we know the year of Christ s crucifixion Does the Bible s Creation account accord with scientific discovery Was Christ crucified on a cross Why should families symbolise the church and kingdom of God Who should take the bread and wine and when Can we be born again during this earthly life What annual festivals should Christians celebrate Is there a Holy Spirit God person What is the true gospel When does the law end for a Christian Should Christians celebrate a weekly Sabbath Each booklet in this series focuses on one theme that is also covered more briefly in the 350 page book Israel and the Covenants in New Testament Times Each study s conclusions come from what the Bible reveals consistently answering all the objections the writer has heard to leave nothing even apparently contradicted by any other Bible text By this means they confirm that the booklet provides rock solid Bible truth and that the Bible is truly the word of God Despite this as the booklets series title suggests these conclusions are typically unexpected a primary aim in

writing and sharing them If you find anything unpalatable please recognise that God is the real author of what these booklets show and the author little more than a researcher and collator of the subject matter Therefore if you the reader cannot refute what a booklet in this series asserts directly from the Bible surely nobody can please give God your thanks and praise for allowing you to come to the truth from Him Israel and the Covenants in New Testament Times may be ordered on line in the UK from Amazon co uk or at good bookshops and internationally from Amazon com in paperback or Amazon Kindle format A4 352 pages Paragon Publishing ISBN 10 1 908341 68 8 ISBN 13 978 1 908341 68 6 **Reaching, Teaching and Growing African-American Believers** G.
