Charting the Course of Psalms Research Erhard S Gerstenberger, K C Hanson, 2024-07-25 Erhard Gerstenberger 1932 2023 has been a highly influential exegete of the Psalms for several decades He demonstrated how the Psalms were able to modulate the deepest feelings of individuals and communities encompassing a wide variety of existential experiences relating to God and the world Gerstenberger believed that psalmic poetry grew out of diverse and real life situations The first two essays in *Charting the Course of Psalms Research* deftly review the secondary literature The first covers the lyrical literature of the Old Testament and the second considers the history of interpretation of the Psalms The remaining essays explore the social settings of the Psalms and their connection to theology and communication theory and include two chapters translated into English for the first time and edited by K C Hanson Student and researcher alike will be enriched by the insights Gerstenberger provides

Edward Taylor's Gods Determinations and Preparatory Meditations Edward Taylor, 2003 When the young minister poet Edward Taylor moved to Westfield Massachusetts in November of 1671 he had written several poems When he died there fifty eight years later in addition to thousands of sermons and more than 2 000 manuscript pages of original prose he had composed some 40 000 lines of poetry For two of his poetic projects in particular Taylor is considered with Anne Bradstreet one of British North America's most accomplished poets Daniel Patterson's *Edward Taylor's Gods Determinations and Preparatory Meditations A Critical Edition* reconsiders the texts of Taylor's two major works for the first time since Donald Stanford's 1960 edition This volume also offers the first complete text of all the Meditations that Taylor transcribed into his *Poetical Works* manuscript The restoration of Taylor's text however is the most enduring value of this edition which is designed to become the new standard edition of these poems The scores of substantive variants and the hundreds of variants in matters of punctuation and capitalization existing between the Patterson and Stanford texts are fully reported in the back of the volume as are all editorial emendations

Ulti A Reading of Edward Taylor Thomas M. Davis, 1992 *A Reading of Edward Taylor* is a study of Taylor's poetry in the sense that Thomas M Davis is interested in how the nature of the poems evolves during the nearly fifty years Taylor served as minister in Westfield Massachusetts The first part of the book examines the long doctrinal poem *Gods Determinations* as the poem in which Taylor emerges as an accomplished poet The final section of the poem the *Choral Epilogue* with its emphasis on praising God in song leads directly to the initial poems of the *Preparatory Meditations* the more than two hundred meditative poems that Taylor wrote over the next forty years The early poems in Series 1 exhibit only loosely organized sequences some are directly prompted by the Lord's Supper but many are related in only indirect ways to the Sacrament These poems in their range and celebration of the joys of grace are some of Taylor's best In *Meditations* 19 22 he writes four interlocked poems dealing with the relation of his poetry to his spiritual condition Despite Taylor's disclaimers about the quality of his poetry in these poems he also makes his

most elevated claim about his ability to praise What reservations he has about his ability to praise adequately are relatively minor in subsequent Meditations But after the death of his wife Elizabeth Taylor reexamines the nature of his poetry and the relationship of grace to his ability to write in praise of Christ And he begins to equate shoddy poetry with his own sin In the central Meditations in this process Meditations 39 and 40 the intense examination of his sinful state My Sin my Sin My God these Cursed Dregs leads him to beg Christ to destroy his Taylor s sins so that his rough Feet shall Christ s smooth praises sing By the end of Series 1 he has come to accept a more limited view of the possibility of writing praise commensurate with Christ s glory He acknowledges that until he receives the Crown of Life I cannot sing my tongue is tide Accept this Lisp till I am glorified He then turns at the beginning of Series 2 to the poems on typology These poems are often mechanical particularly those where he is too strictly bound by the large number of typological parallels He also recognizes these limitations and moves increasingly to other texts particularly those from the Canticles In the allegory of the Song Taylor finds the openness and sensuous imagery that allow him to express as fully as is possible his love of Christ and his passionate desire to be with the Bridegroom in the heavenly Garden The more than forty Meditations based on Canticles texts near the end of Series 2 reveal Taylor s sense of drawing closer and closer to being in the Garden itself and of replacing his lisp with the true voice of the glorified
