Gods Of Winter:

The Gods of Winter Dana Gioia,1989 **The Gods of Winter** Dana Gioia,1991-04 Poems discuss a journey across the ocean a veterans cemetery money an abandoned collection of dolls and a man who escapes from his prison cell to commit a murder Amazon com Tombs of the Gods Kyle Weyburne,2023-07-06 We ve completely misunderstood the purpose of the pyramids They weren t built primarily as tombs instead they were intended to be used by Pharaoh while he was still alive In very ancient times the king was only allowed to rule for 30 years then he d be ritually killed They didn t want an old man in charge One day a Pharaoh was nearing his 30th year and decided he didn t want to die so came up with a set of rituals that would enable him to live on It was called Heb Sed This sacred ceremony was more than just a life saver though it also enabled the king to merge with the Sun god After death Egyptian kings were believed to board the Sun boat where they would shine down on their subjects for all eternity However many things could go awry in this process particularly under the eyes of a successor What if they bungled the funeral What if they were a rival Heb Sed enabled all this to occur while the king was still alive so that he could preside over proceedings ensuring its success And the bonus of being able to do this while alive is that some part of the Pharaoh would board the Sun boat and in doing so the king would become a divinity the Pharaoh became a living God king But all this could only happen if they built a strange pyramid shaped structure to enable this potent magic to take place So they built pyramids And they got bigger and more magnificent with the passing of each King This madness came to a head with Pharaoh Snefru who built two massive pyramids the two biggest man made structures in the World How do you outdo this While his son Khufu only managed to build one pyramid it was the most impressive structure ever built by humans Still is in my book And yes it might have functioned as his tomb although Strabo and Diodorus swear black and blue that it wasn t however it was entirely geared to the Sun god as you will find out it was entirely geared for the King s Heb Sed This book is the sequel to Architecture of Ra but can be read independently of it It also delves into the myths of Egypt as well as those of other cultures Jason the Argonauts Icarus Jonah Thor Hercules I don t like calling these stories myths because they actually belonged to living religions and to make that grade the stories had to include information seminal to that culture And if the texts contain this knowledge then so did their religious buildings The knowledge encoded in Egyptian legends is also encoded in their pyramids Harper's New Monthly Magazine Henry Mills Alden,1873 Harper s informs a diverse body of readers of cultural business political literary and scientific affairs The Goddess's Illusion Katherine Dotterer,2024-05-21 The Regency inspired kingdom of Calatini is filled with magic and tender romance But even in Calatini magic comes with a cost and sometimes a curse can become a blessing Kit the young widowed Countess of Blaine must remarry She s already chosen the perfect husband except she can t stand his kisses But on Longnight the Goddess blesses her with a powerful illusion Kit shall appear a hideous crone until she becomes who she was meant to be Before anyone from court sees her she flees to the one person she knows shall help Mel the gentleman she loved

as a girl who is now a priest for the Goddess Mel the middle son of a wealthy duke but called to serve the Goddess has been avoiding Kit since discovering her cruel lies separated his brother from the girl he loved But when Kit begs Mel for his help he feels compelled to agree for the sake of the devout and tender girl he d once loved But no one can break the Goddess s illusion not even a wise elf or a powerful seer So with Mel s support Kit settles into life at the Goddess s temple She and Mel continue to clash and those clashes soon lead to passionate kisses ones she actually enjoys But a priest would never marry an unworthy lady like her and she can t live the rest of her life as a crone Somehow Kit must break her unwanted illusion forget about Mel and return to court where she belongs Yet the Goddess s plans are not so easy to foil and she has other ideas for Kit and Mel The Goddess s Illusion is perfect for fans of The Undertaking of Hart and Mercy with the outpouring of magic fantasy and clean romance that make the Calatini Tales beloved As I continue to read the stories in the Calatini world I m completely captured by the writing of Katherine Dotterer the romance in this is mostly clean and certainly swoonworthy

The Winter Goddess Megan Barnard,2025-03-11 The Winter Goddess is a gripping bittersweet tale that explores love loss and the price of power and immortality a perfect read for cold winter nights I couldn t put it down Genevieve Gornichek bestselling author of The Weaver and the Witch Queen Utterly bewitching Barnard s novel pairs the beauty and fragility of the human experience with the sharp bite of winter The result is an enthralling and emotional saga mythology lovers everywhere won t want to miss A D Rhine author of Daughters of Bronze A goddess is cursed to endlessly live and die as a mortal until she understands the value of human life in this inventive moving reimaging of Irish mythology Cailleach goddess of winter was not born to be a blight on humanity but she became one She would say with scorn that it was their own fault mortals were selfish thoughtless and destructive bringing harm to each other and the earth without cause or qualms One day Cailleach goes too far Thousands die lost to her brutal winter In punishment her mother Danu queen of the gods strips the goddess of her powers and sends Cailleach to earth to live and die as the mortals she so despises until she understands what it is to be one of them Though determined to live in solitude Cailleach finds that she cannot help but reach for the people she once held in such disdain She loves and mourns in equal measure and in opening herself to humanity hears tales not meant for immortal ears including a long buried secret that will redefine what it means to be a god From the author of the stunning riveting historical reenvisioning Jezebel Library Journal a vividly imagined and arresting story of a goddess punished and a goddess reborn as she discovers the importance of a life ephemeral and what it means to truly be alive
