Unconverted Richard Baxter and An Alarm to the Unconverted Joseph Alleine Richard Baxter was a bright and shining light in the golden age of theology the seventeenth century Not only was he the most voluminous author of his day 72 volumes but also his shepherding of his flock at Kidderminster was so phenomenal that it stands as a marker for all other pastors and evangelists He practiced what he teaches in this book The host of conversions under his preaching testifies to the power of the message in A Call Baxter was always plain spoken to sinners Whoever loves earth above Heaven and fleshly prosperity more than God is a wicked unconverted man We are commanded to beseech and entreat you to accept the offer and turn to tell you what preparation is made by Christ what mercy stays for you what patience waits on you how certainly and unspeakable happy you may be if you will We have indeed a message of wrath and death yea of a twofold wrath and death but neither of them is our principal message We must tell you of the wrath that is on you already and the death that you are born under for the breach of the law of works But this is only to show you the need of mercy and to provoke you to esteem the grace of the Redeemer Our telling you of your misery is not to make you miserable but to drive you out to seek for mercy It is you who have brought this death on yourselves We tell you also of another death one even remediless and much greater torment that will fall on those who will not be converted This is the last and saddest part of our message We are first to offer you mercy if you will turn Pp 21 22 Trial of the Rev. What About Gandhi?** Michael Riley; James William, 2011-07-08 Our book will introduce you to a troubled man who came to Jesus by night His name Nicodemus After years of trying it became evident that he could not render perfect obedience It was as if he reached out to Jesus saying I m stuck in my ways and traditions I still harbor sin in my heart It would be easier for me to re enter my mother s womb a second time than for me to genuinely change The world shares this reality and tries to salve its wounds too often in very destructive ways The Rolling Stones recorded 1997 a song entitled Saint of Me The heartache in it is palpable Saint Paul the persecutor Was a cruel and sinful man Jesus hit him with a blinding light Then his life began And could you stand the torture And could you stand the pain Could you put your faith in Jesus When you re burning in the flames And I do believe in miracles And I want to save my soul And I know that I m a sinner I m gonna die here in the cold I said yes I said yeah I said yeah oh yeah oh yeah You ll never make a saint of me Where does the power to change come from This question made plain by Nicodemus and lamented by the Stones has but one answer and this book provides it We believe that God will one day abolish the hopelessness and despair these words portray After accomplishing this God will prove that He is more than fair to every person The Gospel with its message of grace and peace will finally be seen for what it is God s ultimate right to restore all mankind We give you the reader solid reasons for believing all of these assertions Annual Report of the American
