Abiding Where God Abides Barika Kinanee, 2020-05-17 Have you been thirsty and hungry for more Are you dissatisfied with the norm Then you might need a discovery No one who discovers where He abides remains the same Discovery is the base upon which men who affect generations with unquestionable results emerge Your personal discovery is your unique strength The patriarch Abraham found something that made him a generational father Faith What have you found Have you found the secret place The best place to find a Person is not their office but their home This also applies to God God has a home In this volume you will discover where God lives and perhaps you will decide to take accommodation with Him afterward Hopefully you do I am sure He is waiting for you to abide where He abides No one abides where God abides and ends up anything less of God Remember the company you keep determines what accompanies you You can keep company with God The History of the Kirk of Scotland David Calderwood, 1842 **Impending judgments on the earth; or,**

'Who may abide the day of His coming'. Beverley O. Kinnear, 1892 *Engaging the Doctrine of the Holy Spirit* Matthew Levering, 2016-07-19 A Distinguished Theologian on the Doctrine of the Holy Spirit Distinguished theologian Matthew Levering offers a historical examination of the doctrine of the Holy Spirit defending an Augustinian model against various contemporary theological views A companion piece to Levering's *Engaging the Doctrine of Revelation* this work critically engages contemporary and classical doctrines of the Holy Spirit in dialogue with Orthodox and Reformed interlocutors Levering makes a strong dogmatic case for conceiving of the Holy Spirit as love between Father and Son given to the people of God as a gift *The Conclusion of the New Testament* Witness Lee, 1985 **Seventy Images of Grace in the Epistles . . .** Norma Cook Everist, 2015-07-07 How can faith speak directly to people's real lives How can conversation around Scripture make all the difference in the arenas of one's daily world People who have heard the Bible many times or for the first time want to know in the terms and images of their life situation When my world seems to be shaking all around me why doesn't it help to hear You are forgiven And further What can I say to someone who feels totally alienated from God Seventy Images of Grace in the Epistles will help people make connections and empower them for their ministries in daily life The book presents an interplay of stories of people's actual lives and Epistle images of grace Readers will begin to recognize the depth of the human predicament and the power of the gospel thereby becoming equipped for Christian discipleship and vocation not from duty or guilt but from freedom *Guides for Engagement* will help readers turn the book into a learning event **Life-study of the Epistles of John and Jude** Witness Lee, 2023-09-27 John's writings are complementary to the entire divine revelation This means that the writings of John complete the Bible His Gospel completes the Gospels his Epistles complete the Epistles and his Revelation completes the whole Bible In the Life study of the Epistles of John Witness Lee emphasizes the outstanding matters in these Epistles in relation to the economy of God Some of these matters include the divine life and its fellowship the anointing the divine birth and the divine seed the walk in truth and in love and the encouragement of the

fellow workers in the truth In the Life study of Jude Witness Lee shows from Jude s Epistle the genuine contending for the faith and the believers living in the Triune God issuing in their full enjoyment of Him *The Dwelling* Antoinette Kingsley,2014-05-12 The Dwelling place of God is a place where every believer should yearn and long for each waking day because God will lead you on the journey of love like you have never experienced before That s why his throne room is a place of abiding intimately with him holding back nothing because God is longing for a relationship with his children

True Worship and the Consequences of Idolatry John Knox,C. Matthew McMahon,2018-04-13 Do you know the difference between true and false worship Can false worship be true worship Is God honored by false worship even when you are sincere in giving it Knox defines idolatry as all worshipping honoring or service invented by the brain of man in the religion of God without his own express commandment Are you an idolater As much as this might be a hard question to consider it is an appropriate question in light of God s directives in Scripture to regard him as holy in corporate worship In considering the sin of idolatry whether directly worshipping sticks stones and idols or being part of a deviant worship service in a 21st century church such thoughts on worship are exceedingly relevant for us today Without coming to God as God requires we do not worship God as he has instructed us in scripture Knox s treatise on True and False Worship demonstrates the inescapable consequence to consider whether you are worshipping God in the vanity of your own mind being directed by the dictates of another aberrant mind or whether you are engaging in true worship as God requires Considering this is not a vain thing for as God says to Moses For it is not a vain thing for you because it is your life Deut 32 47 Professing Christians must consider that it is God alone who determines the manner in which sinners approach him On this and this alone they are to tender up to God his due This work is not a scan or facsimile has been carefully transcribed by hand being made easy to read in modern English and has an active table of contents for electronic versions **A Brief Concordance, Or Table to**

the Bible ... By Mr. John Downname ,1652 1, 2, and 3 John John Painter,2008 The Johannine Epistles are today read as an important part of the Johannine literature Yet the meaning of the text is often unclear Part of the problem arises because although 1 John is called an Epistle it lacks the formal marks of an Epistle In 1 2 and 3 John John Painter illuminates the relationship 1 2 and 3 John have to each other and to the Gospel Painter explains the historical context of the Johannine Epistles using a socio rhetorical approach The writings are shown to reflect a situation of conflict and schism within the Johannine community they seek to persuade the readers of the truth of the writer s message In this truth the readers are encouraged to abide if they would have the assurance of eternal life Painter also examines the inseparable connection between belief and ethical life in active love for one another Through the socio rhetorical approach Painter brings to light the continuing relevance of these writings John Painter is the Foundation Professor of Theology at Charles Sturt University in Canberra Australia *The Collected Works of Witness Lee, 1958, volume 1* Witness Lee, Regarding Brother Witness Lee s travel and his ministry 1958 can be divided into approximately three periods The first period is the three months from

Letters to the Church William B. Kincaid,2020-06-12 A critical presidential election looms before us Whether you love Donald Trump or despise him most everyone agrees that he masterfully keeps people and the country off balance His acerbic rhetoric divisive priorities and erratic leadership foster further division and widespread anxiety That causes some Americans to go in search of any candidate who can defeat him in the upcoming election For others though Trump s brash style anti establishment platform hardline policies and Make America Great Again promises are reasons to support him and work enthusiastically for his reelection Letters to the Church seeks to help compassionate thoughtful Christians regain our bearings and find our voice and courage for honest hopeful conversations in this de centering era of Trump These conversations will help recenter the church for faithful discernment courageous imagination and constructive engagement in the broader community By doing so the church can renew its own life and model what conversation and participation can look like in a time otherwise characterized by extremism suspicion fear and gridlock Geared for use by both individuals and church study groups the letters are organized into three sections What We are Experiencing Now What We Hope For and What We are Called To

Knowing God the Father Russell M. Stendal,2019 The writings of John have a very special focus on God the Father Many people who know Jesus or claim to know him have a limited or nonexistent personal knowledge of God the Father It is of course essential for us to know Jesus but his fervent desire for him is that we may also know the Father so intimately that we can ask him for whatever we will in Jesus name and our prayers may be granted By the Holy Spirit we can have such deep and intimate communion with Jesus and the Father that seeing our love for one another everyone shall know that we are his disciples John 13 35 And this is life eternal that they might know the only true God and Jesus Christ whom thou hast sent John 17 3

A Biography of the Holy Trinity and Man Markus E. Adams,2009 If you re like most people you have questions about God that are difficult to find answers for But there are answers to some of these and other intriguing and sometimes troubling questions about life inside this book in easy to understand language This book is designed to lessen some of the mystery of God God wants us to know more about Him and His plans for us God wants us to know about His Son Christ Jesus and exactly what He did for us then and what He does for us now God wants us to know about His power the Holy Spirit and what He does God wants us to understand how we are

viewed by Him and how we fit into His overall plans He wants us to see ourselves the condition that we have and the position that we are in God wants us to understand that there must be a faithful and productive relationship between Him and us if we are to please Him And we must have a solid understanding of how that relationship itself works It is extremely important that we know what sin is and how it affects our relationship with Him He wants and expects us to know all these things God has never wanted to remain a total mystery to us because we cannot serve Him if He is a total mystery Therefore this book explains to the undecided enlightens the newly converted and reinforces for those already born again the necessity of understanding the relationship between God and themselves Also you will come to know that there are choices that must be made that only you can make But they will not be as difficult to make once you have a better understanding of the relationship between God and man
