The God of War Theresa Ann Reyna, 2020-04-13 Our God is a God of War In these tumultuous times God is going to show Himself strong to a generation that desperately needs to know that Jesus is alive and well Millions are bound with chains of addiction sicknesses and the lies of the enemy even in the Church This generation has looked for answers outside of the Word of God and they are confused depressed hopeless and desperately looking for a breakthrough in their lives This book will show you how to stand victorious in the fiery trials of life and will encourage you to stand firm in every demonic attack against your life The Biblical principles on these pages will show you how to break through the barriers that have kept you from the abundant life that Jesus has promised you On September 29 2019 at sundown Rosh Hashanah we moved into the Jewish year 5780 We have entered into a new decade of declaring the glory of God This is an era of new beginnings and total victory over the enemy This is the day and hour of miracles signs and wonders an unparalleled move of the Spirit of God This is God's appointed time when He will move in unprecedented ways to free His captive children and reveal His glory to the ends of the earth Never has there been a season like the one we have just entered into God is bringing His children out of exile and into His glory

Storm Shelter Poems for the Children of God Richard O. Jones, 2010-06-24 This book was especially written for spiritual people on a spiritual journey that are receptive to a little poetic philosophy along the way People that are drowning in a sea of false accusations riding high in the saddle but can't stand the horse have big money but low self esteem living in sin and enjoying every moment or living right but feeling bad can personally relate to many of the poems in this book People that are in the throes of affliction but refuse to surrender this book will become your amen corner while provoking reflection and deep thought When the big party is over and all your fair weather guests are gone this book helps clean up the aftermath The scrapes scratches and healed wounds of life inspired the author to poetically encourage and guide readers through the emotional swampland of tomorrow and fear no evil These poems do not imply that the road is not rocky and the sky is not cloudy nor will the sun brighten your every day This book is not intended to eradicate your storms but only to become your umbrella with only a couple microscopic leaks

Picking Fights with the Gods Paul Gilk, 2016-08-04 The common understanding of apocalypse suggests End Times Armageddon and the end of the world But the Greek word apokalypsis means none of these things What it does mean is uncovering disclosing and revelatory That apocalypse is so widely misunderstood as predestined

disaster isn't due to natural evolution in meaning To penetrate the misuse of apokalypsis is to discover mythic misrepresentation That is apocalypse doesn't generate End Times but just the opposite End Times compels apokalypsis The actual threat of End Times explicitly so with weapons of mass destruction and Anthropocene climate change forces thoughtful people into a search for fundamental causes Where do these destructive energies originate Why are we so reluctant to recognize the obvious consequences and resistant to embrace available remedies Why do we persist in denial and indifference In these essays Paul Gilk explores the underlying cultural and religious conventions both conservative and liberal that constitute our resistance and refusal To disclose and uncover those conventions to dissolve our oblivion is to awaken to apokalypsis and to realize the depth of our captivity within prevailing mythology both religious and civilizational If End Times is the disease apokalypsis is the cure embed container position relative padding bottom 56 25% height 0 overflow hidden max width 100% embed container iframe embed container object embed container embed position absolute top 0 left 0 width 100% height 100%

Man Up with God Brian E. Sherwood, 2022-03-16 What the world needs now more than ever is men filled with their Heavenly Father His Son Jesus and the Holy Spirit We are meant to be strong men men of great character and Spirit filled men who rely on God Jesus Christ and the Holy Spirit every minute of every day so that we can live a life as powerful and humble sons of God As you come to Christ your enemy is not a human but that of Satan Satan and his demons will do their best to get inside of you or infiltrate you in any way they can through disease s in the body and through mental illness twisting the truth or lying or doing anything possible to take away your focus on God This book is about achieving unbreakable faith It goes into deep detail sharing my process and strategy I am using in achieving unbreakable faith in the Heavenly Father God and a more in depth look at how that is and what you have to do to ensure you get the strongest foundation possible so that you can know God is a good God and that He is the truth the way and the light Make sure your life counts by becoming the son of God that He created you to be Do this for yourself for your family and for all of your descendants You will be leaving a lasting legacy

What is God Like? Ralph H. Matthews, 2013-04 This book will answer these questions and many more Does God use evil spirits Why does God not intervene in the death of innocent children Does He Curse Does He want your money Did He make weird laws Does He ever change His mind Does He ever repent Why is He silent Why did He invent old age Is He really a terrorist Are there some things He can't do Does God demand that you worship Him This book is based on the word of God Over 1200 scriptures are used to substantiate the teaching herein These verses speak powerfully to us about the nature and character of God He wants you to literally live by the words that come out of His mouth He put you through hard times so you would learn that men and women don't live by bread only we live by every word that comes from GOD's mouth Deuteronomy 8:3 These words are powerful enough to give you eternal life and His Word will help you through your daily trials Just as rain and snow descend from the skies and don't go back until they've watered the earth So will the words that come out of my mouth not come back empty handed They'll do

the work I sent them to do they ll complete the assignment I gave them Isaiah 55 10 11 The Spirit of God is anxious to work on you This book portrays the Almighty God as one who put an extremely high price on His love for us humans We need to love Him in return while showing Him reverence and fear Spurn His love too often and we could end up facing His wrath The ultimate Lover wants you to fi nd Him so He can lavish His expensive love on you **Faith and God's Word in a Wondering World of the 21st Century** Merilyn Huggins Holcombe,2025-06-03 The author wrote four sections called books The first section or book points out the need to give more up to date interpretation to the early chapters of Genesis There is a very strong parallel of the first chapters of Genesis and science s steps of creation and this is set down in the first section Four thousand years before scientists could plot the ages of very ancient life before telescopes and microscopes were invented and DNA to help study ancient mankind this amazing book had a record of this history and it was written down in God s Holy Scripture In Book Two the author set down a precise list of the parts of a strong faith How would the reader picture God What image of God did God give His human creation Why did God create the Universe the Earth and all life For success in Christian living a person must know God s Word the Bible So the author wrote a simple commentary of each of the books of the bible This provides a clear foundation of understanding on which to build a lifetime of Bible study God, Grace and Grandpa Charles J. Grams,2022-02-03 This book is the true story of a boy who grows up with a great and wonderful man the love of Christ and the harsh journey he takes to understanding grace The desire to follow in his grandfather s footsteps is so overpowering that nothing else matters The older the boy becomes the harder to enjoy life outside of his grandfather s presence becomes The turmoil of his parents and schoolmates causes great distress and pain throughout the rest of his life The desire to be a friend to everyone and receive the love of others is tragically destroyed by the harshness of children and adults that don t know the love of Christ or care for other s emotions The daily grind of mean children as well as schoolteachers causes this child to question who he is and if anyone can love him other than his grandfather A true desire to understand God and understand those around him becomes too heavy and the emotional distress that this causes nearly puts an end to this young life Only the love of Jesus and his grandfather keeps him on the correct path of life Fighting through the harder years of teenage life trying to prove his worth to his father dealing with a religious mother and the hatred of others this story is how a young man becomes an exceptional athlete as well as a cocky womanizer He hardens himself to those that have hurt him through the years including his own family The desire for his father to accept him becomes a lost cause and he separates himself from his religious mother to go his own way He never loses his love for his grandfather and the faith he has in God There are harsh and emotional situations in this book It may be hard to understand how people can be so cruel to those who want nothing more than to love and be a part of their life This book will show you that even though you may not realize it the Lord is with you even in times of distress We all look for the answers in life and why we go through the things we do This shows us that no matter what you go through there is one who is always

with you and will help you get through anything I truly believe you will enjoy this book and believe and pray the message is loud and clear May the Lord bless you and keep you
