## **Gods Eyes:**

**The Evil Eye in the Bible and in Rabbinic Literature** Rivka Ulmer, 1994 Jewish belief in the power of the evil eye aroused and energized by emotions such as jealousy and mean spiritedness has been a common concern in Jewish life from earliest times The everpresent fear of its malevolent power is expressed by the common Yiddish expression *kein ahoro* which means literally without an evil eye *Kein ahoro* is intended to ward off any potential evil eye when one speaks of one s favorable prospects Sephardic Jews have been concerned with it as well and like the Ashkenazim their Jewish ritual life has incorporated ways of protecting against it Dr Ulmer s book examines this idea in its many permutations in Rabbinic literature In particular she examines its origin in people s negative emotions and its effects on its victims in many phases of life in causing death and sickness for example or its role in sexual transgression etc The Angel of Death is depicted as having many eyes and early Jewish mystical literature depicts angels in general as covered with eyes On the other hand the good eye has many positive meanings and these are discussed as well Dr Ulmer s study provides the reader with a complete view of the numerous symbolic meanings which this most important sense organ has been given in Jewish culture Book Jacket

**God: An Anatomy** Francesca Stavrakopoulou, 2022-01-25 An astonishing and revelatory history that re presents God as he was originally envisioned by ancient worshippers with a distinctly male body and with superhuman powers earthly passions and a penchant for the fantastic and monstrous A rollicking journey through every aspect of Yahweh s body from top to bottom yes that too and from inside out Ms Stavrakopoulou has almost too much fun The Economist The scholarship of theology and religion teaches us that the God of the Bible was without a body only revealing himself in the Old Testament in words mysteriously uttered through his prophets and in the New Testament in the body of Christ The portrayal of God as corporeal and masculine is seen as merely metaphorical figurative or poetic But in this revelatory study Francesca Stavrakopoulou presents a vividly corporeal image of God a human shaped deity who walks and talks and weeps and laughs who eats sleeps feels and breathes and who is undeniably male Here is a portrait arrived at through the author s close examination of and research into the Bible of a god in ancient myths and rituals who was a product of a particular society at a particular time made in the image of the people who lived then shaped by their own circumstances and experience of the world From head to toe and every part of the body in between this is a god of stunning surprise and complexity one we have never encountered before

**The Mission of God's People** Christopher J. H. Wright, 2010 Author Chris Wright offers a sweeping biblical survey of the holistic mission of the church providing practical insight for today s church leaders Wright gives special emphasis to theological trajectories of the Old Testament that not only illuminate God s mission but also suggest priorities for Christians engaged in God s world changing work

*A Mechanic's Handbook To The God Of The Bible* Michael O. Borthwick, Michael O Borthwick s *A Mechanic s Handbook To The God Of The Bible* Why God Just Makes Sense is written from a mechanic s point of view Because the author who is a mechanic understands that there are rules and procedures to

follow when fixing things he uses that analogy in describing walking with God Just like most machines will have a manual the Bible is God s manual for his creations to follow This book is truly a very detailed handbook that shows the reader the God of the Bible from many different aspects Michael provides logical answers for those who have questions about God He systematically approaches the Word of God connecting the dots from Genesis to Revelation There is a sincerity and inspirational tone in his writing Whether he is sharing personal details about his life or explaining Bible passages his narrative style is straightforward and easy to read Borthwick s tone is casual and warm as a friendly conversation in a friend s living room This book covers many aspects of the Christian faith His personal stories which are all back by scripture tells how through the ups and downs of life some caused by his own foolishness God is always present The author s use of scriptural references to back up what he wrote in this handbook His explanation of the scriptures from the Bible makes the book true to its title It s a book that when read cover to cover gives the reader a solid foundation of Why God Just Makes Sense a good book to give out to family friends neighbours or acquaintances who s searching

**America's Four Gods** Paul Froese, Christopher Bader, 2010-10-07 Despite all the hype surrounding the New Atheism the United States remains one of the most religious nations on Earth In fact 95% of Americans believe in God a level of agreement rarely seen in American life The greatest divisions in America are not between atheists and believers or even between people of different faiths What divides us this groundbreaking book shows is how we conceive of God and the role He plays in our daily lives America s Four Gods draws on the most wide ranging comprehensive and illuminating survey of American s religious beliefs ever conducted to offer a systematic exploration of how Americans view God Paul Froese and Christopher Bader argue that many of America s most intractable social and political divisions emerge from religious convictions that are deeply held but rarely openly discussed Drawing upon original survey data from thousands of Americans and a wealth of in depth interviews from all parts of the country Froese and Bader trace America s cultural and political diversity to its ultimate source differing opinions about God They show that regardless of our religious tradition or lack thereof Americans worship four distinct types of God The Authoritative God who is both engaged in the world and judgmental The Benevolent God who loves and helps us in spite of our failings The Critical God who catalogs our sins but does not punish them at least not in this life and The Distant God who stands apart from the world He created The authors show that these four conceptions of God form the basis of our worldviews and are among the most powerful predictors of how we feel about the most contentious issues in American life Accessible insightful and filled with the voices of ordinary Americans discussing their most personal religious beliefs America s Four Gods provides an invaluable portrait of how we view God and therefore how we view virtually everything else

Motivation     **The Perpetual Flame** Jamie L. Perez, 2001 Fire from God ignited the sacrificial altar that burned in front of the Tabernacle That same flame ignited the Messianic believers in Jerusalem and is available to us If you've ever longed for the spiritual power and insight experienced by the prophets and disciples then The Perpetual Flame is written for you It examines God's First Revelation at Mt Sinai and how His Words can infuse your life with vitality and excitement right now Uncover the foundation of your faith and let your spirit flourish as it feeds upon the knowledge and insight of God's Words Written in a study format this in depth practical Bible study can be used for personal family or group discussions Every lesson ends with questions and answers to augment and reinforce what you have learned and challenge you in your spiritual walk New ideas will replace tired old ones and new behaviors will replace old ineffective ones If you didn't understand what it was all about you will If you thought you understood Scripture prepare to be ignited It changed a motley crew of Hebrew slaves into a free and influential nation and it will change you     **Jesus, Paul, and Power** Rick F. Talbott, 2010-08-01 Jesus of Nazareth and Paul of Tarsus represent two of the most influential figures of history because of the expansion of later Christianity But Christianity's historical development includes a checkered and troubling past of abusive power that also impugns both Jesus and Paul European colonialism carried the gospel to the world claiming Jesus and Paul as architects of its oppressive empire building Modern churches in America quote Jesus and Paul to inspire inform and justify a host of cultural values that often include the subordination of women and marginalization of others who differ in beliefs values and lifestyles Talbott analyzes how Jesus and Paul responded to the systems of oppressive power in their day and how each in turn used power to form their respective communities The conclusions are based on the most recent scholarly approaches to Jesus and Paul and will enable modern readers to judge for themselves how Jesus and Paul envisioned the use of power among their communities     Where Demons Hide ,     Walking with God Harold Penninger, 1996 Before sin entered this world Adam and Eve held intimate communion with God Since sin separated man from God heaven's plan of salvation was provided to reunite the family of heaven and earth God's plan provided that man could learn how to walk with Him as Enoch did before he was translated Christ's invitation to walking with God is given to us Enter ye in at the straight gate for wide is the gate and broad is the way that leadeth to destruction and many there be which go in thereat because straight is the gate and narrow is the way which leadeth into life and few there be that find it So the pathway with God is narrow straight or strict and few there be that find it and fewer remain in this strict and narrow way This book gives the experiences of some of the people of the Bible who have followed in His footsteps such as Abraham Enoch Job Moses Elijah Daniel Peter John and Paul     *Neath Odin's Eye* Will Greenway, 2005-05-28 Surviving a battle to the death with a goddess would tax the greatest of heroes but for Bannor Starfist it proves to be only the beginning of something much worse a war with a whole pantheon of gods The death of Hecate has triggered a rumble in the Vanir pantheon AllFather Odin insists Bannor and all his friends must be brought to justice for the crime of murder For the already battered Bannor the ordeal is only beginning His Elven fiancée's Sarai's

mother and sister and all the rest of his friends have been captured and imprisoned in Niflheim the land of the dead Somehow he must find a way to get them out without Odin imprisoning him as well As if his challenge wasn't impossible enough the battle with Hecate has taken away his most powerful weapon His ability to bend reality
