Gods and Graven Images Paul Newman,1987 **Gods and Graven Images** Paul Newman,1987 The Encyclopedia of Celtic Mythology and Folklore Patricia Monaghan,2014-05-14 Presents an illustrated A to Z reference containing over 1 000 entries providing information on Celtic myths fables and legends from Ireland Scotland Celtic Britain Wales Brittany central France and Galicia **A Date with the Two Cerne Giants** Michael J. Allen,2024-10-15 The date of the Cerne Giant has long been a matter for debate as exemplified by a public and televised debate of March 1996 published as *The Cerne Giant An Antiquity on Trial* 1999 Oxbow Books Excavations were conducted in 2020 by the National Trust in the centenary year of its ownership of the Giant The excavations were limited and targeted in extent and scope the aim was to date the actual construction of the iconic figure by absolute dating methods OSL As the 1999 publication explained the jury was still out with advocates for a prehistoric origin one connected to the period of the Civil War or a more modern one In the event the dates were a complete surprise falling within the Anglo Saxon period The research has provided an accurate scientifically verified date for the Cerne Giant These unexpected results together with the land use history and ominous disappearance of the Giant for six centuries provide the platform for reconsideration and new discussion and debate Part 1 deals with new research the historical background and aims the excavation results stratigraphic finds geoarchaeological interpretation land use history environmental land snails and discussion Part 2 is the wider discussion and implications derived from the results and places the Giant in his local and Saxon context Part 3 begins with summaries of the other two excavated hill figures the Long Man of Wilmington and the Uffington White Horse followed by a series of essays from leading archaeologists historians and experts in early medieval iconography **The Royal Changeling** John Whitbourn,2013-10-31 Invading England after Charles II s death the Duke of Monmouth comes face to face with an old friend Theophilus Oglethorpe Oglethorpe in common with only a handful of others knows Monmouth s background fully not only that he is Charles s son but also that he has elven blood and has allied himself with evil powers in order to take England s crown In fact he is being used as a cat s paw by one far more steeped in evil than himself King Arthur who would return to rule Britain and the entire world Through London Glastonbury Sedgemoor and many stranger places unearthly battles rage and the elves forsake their millennia long neutrality

The Life of Margaret Alice Murray Kathleen L. Sheppard,2013-08-01 *The Life of Margaret Alice Murray A Woman s Work in Archaeology* is the first book length biography of Margaret Alice Murray 1863 1963 one of the first women to practice archeology Despite Murray s numerous professional successes her career has received little attention because she has been overshadowed by her mentor Sir Flinders Petrie This oversight has obscured the significance of her career including her fieldwork the students she trained her administration of the pioneering Egyptology Department at University College London UCL and her published works Rather than focusing on Murray s involvement in Petrie s archaeological program Kathleen L. Sheppard treats Murray as a practicing scientist with theories ideas and accomplishments of her own This book analyzes the

life and career of Margaret Alice Murray as a teacher excavator scholar and popularizer of Egyptology archaeology anthropology linguistics and more Sheppard also analyzes areas outside of Murray s archaeology career including her involvement in the suffrage movement her work in folklore and witchcraft studies and her life after her official retirement from UCL
