cocreator G Willow Wilson by gender studies scholar Shabana Mir **The Posthuman Body in Superhero Comics** Scott Jeffery, 2016-10-11 This book examines the concepts of Post Humanism and Transhumanism as depicted in superhero comics. Recent decades have seen mainstream audiences embrace the comic book Superhuman. Meanwhile, there has been increasing concern surrounding human enhancement technologies with the techno-scientific movement of Transhumanism arguing that it is time humans took active control of their evolution. Utilising Deleuze and Guattari's notion of the rhizome as a non-hierarchical system of knowledge to conceptualize the superhero narrative in terms of its political, social, and aesthetic relations to the history of human technological enhancement, this book draws upon a diverse range of texts to explore the way in which the posthuman has been represented in superhero comics while simultaneously highlighting its shared historical development with Post Humanist critical theory and the material techno-scientific practices of Transhumanism.

Revering God Thaddeus J. Williams, 2024-09-10 Discover profound insight into God's attributes and learn practical ways to live a God-centered life that bridges the gap between abstract theology and awe-inspiring devotion. The chief reason we exist is to glorify and enjoy God. But for many, God remains a vague cloud of cosmic kindness, a super-sized projection of ourselves into the sky or an impossible-to-please killjoy. Who is God really? Who is this being we should thank for our next breath? Written in the great tradition of classic discipleship works like A.W. Tozer's *The Pursuit of God*, J.I. Packer's *Knowing God*, and R.C. Sproul's *The Holiness of God*, this discipleship guide stands out as our generation's invitation to good theology that yields profound, reverent, God-centered living. Bestselling author of *Confronting Injustice without Compromising Truth* invites you to live a more theologically robust and biblical life as you learn how art, cinema, music, philosophy, psychology, apologetics, church history, and most importantly, Scripture, can deepen your understanding and enjoyment of God. This book is perfect for those who are looking to deepen their faith and understanding of theology. Feel that their grasp of theology has weakened their pure enjoyment of God? Want to rise to the call of selfless discipleship amid the moral chaos of our world? Throughout the book, you'll find stories from brilliant living theologians and leaders including Joni Eareckson Tada, Michael Horton, John Perkins, Fred Sanders, each sharing how a particular divine attribute has impacted their personal lives. *Living by the Sword* Eric Demski, 2014-06-30 The quintessential image of the hero for GOD, the Knight, half warrior and half saint, stands for everything good, strong, and honorable in the human spirit. This book contains twenty-five years of research on true knighthood, the refined and essential virtues, elements, techniques, and strategies to wage successful war against Evil. Taken from the lives, stories, and advice of warriors, saints, monks, priests, and pious people, these strategies show specifically and very concretely how to be a knight and hero. The book explains: How does a knight use purity to make himself stronger in physical, as well as mental and spiritual, combat? How does a knight find a state of Grace? How does a knight develop his moral courage and his ability to sacrifice? Why meekness and humility is the root of true strength? How great courage is directly derived from fear of GOD? How sacrifice and asceticism can be used to defeat demons? How Faith can be developed and improved? The

techniques of Sir Ramon Lull Rodrigo De Bivar Charles Martel Sir Miguel Cervantes and saints such as Ignatius Louis Francis Augustine Aquinas and many more Every question is answered Only one thing remains May GOD grant us HIS Grace
