Leroy Forlines,2001 This invaluable tool seriously discusses profound truths that apply to every facet of life Biblical truth should be made applicable to the total personality The inescapable questions of life are answered from the standard of God s authoritative Word     Living Your Baptism In Lent Dennis Strach,2019-12-13 During Lent the Church invites us to reflect on those times that we have turned away from God and consider how we can return to him in all we say and do Living Your Baptism in Lent Weekly Reflections for Your Journey helps readers respond to this invitation by reflecting on their relationship with God Through the grace of our Baptism we have become sons and daughters of God As such we are strengthened by the Holy Spirit to reject sin and choose instead to follow God Each week readers consider this choice as they reflect on the questions asked before Baptism These questions or baptismal promises shape our understanding of what it means to live a Christian life They call us to become witnesses of our faith to others especially to those who are preparing to be baptized at the Easter Vigil Our Lenten journey leads us to the celebration of Easter where we renew our baptismal promises and rejoice in the salvation gained for us by Christ s Resurrection Each week s reflection ends with questions and Scripture passages to use in individual prayer A guide for leading small groups in these reflections is also included     God's Man Plan Mike Taylor,2022-07-06 Today the chatter among evangelical teachers and preachers concerning the end of time seems almost deafening at times Books videos feature films magazine and newspaper articles you name it they all have something to say regarding the end times And please hear my heart I m not disagreeing with them at all I totally agree that we are today living in prophetic times However it seems to me that no one wants to address the question that appears to be on the minds of so many people That question When will these things come to pass Hey the disciples asked Jesus the same question in Matthew 24 right Well that s precisely what this book attempts to do I want to answer that question as best as it can possibly be answered and while I won t be able to give you the exact day or the exact hour of the coming events if I m correct and I really think that I am in what I share within this book I m totally convinced that I can get you in the proverbial ballpark so to speak And I will do so biblically in other words by using only what the Bible gives us If you ll commit to reading this simple little book for many if not most people I can all but guarantee you that you will exit with a much better understanding of the chronology of God s Word You will read and perhaps for the first time ever be able to comprehend the Gospel or good news of Jesus Christ plus you ll come to appreciate just how little time may actually remain before the end time events that everyone is talking about begins to unfold across the face of the whole earth In other words you will be able to better understand God s man plan and thereby you will be better able to prepare for what lies ahead for all mankind
