Pruett,2021-09-27 Having led an online Bible Study for many years I began compiling my notes initially as a legacy to leave to my children As I have continued to refine my notes through the research it is my desire and prayer that the thoughts compiled help each person deepen their understanding of God s Love Letter we call the Bible and enrich their individual relationship with our Creator God the Father

Hunting Hope Nika Maples,2016-04-19 When you can t see any hope in a season of difficulty hunt for it by holding onto God s character and letting Him develop your own

Could You Be a Mighty Warrior Like Gideon Ahmed Musa,2024-12-09 Fearful Doubtful Ordinary Yet chosen to do the extraordinary What if you re more powerful than you think What if like Gideon you were born for greatness but haven t realized it yet This electrifying book dives deep into the life of Gideon a reluctant hero called by God to defeat an unstoppable enemy with an army so small it seemed laughable But what happened next wasn t just history it was a miracle Inside you ll discover How God can use your greatest weaknesses to achieve His greatest victories The step by step process of how an insecure farmer became a fearless warrior Why it s not about the size of your army but the size of your faith Practical ways to step into your own divine calling no matter how unqualified you feel

This isn't just Gideon's story it's YOURS If you've ever wondered if God could use someone like you this book is your answer Spoiler alert He can and He will Get ready to unleash the warrior within you Whether you're fighting battles in your personal life your career or your faith this book will inspire you to rise above the fear step into God's calling and claim your victory It's time to stop hiding and start fighting Are you ready to answer the call Your journey starts here Pick up this book and find out Could you be a mighty warrior like Gideon The Kingdom of God David Martyn Lloyd-Jones, 1992 When Jesus came He proclaimed the Good News of the kingdom of God Yet nothing He said has been more misunderstood than this A definitive thorough analysis about one of today's divisive issues *Christ Alone---The Uniqueness of Jesus as Savior* Stephen Wellum, 2017-04-18 Professor of theology Stephen Wellum considers Christ's singular uniqueness and significance biblically historically and today in our pluralistic and postmodern age Christ Alone is a much needed study and defense of the doctrine that provides coherency to the Christian faith If the church is to proclaim the same Christ as the Reformers we must understand and embrace solus Christus with the same clarity conviction urgency and abundance of joy as the Reformers To that end Wellum Recovers the Reformers basic insights by focusing first on two teachings the exclusive identity of Christ and his sufficient work Follows the historical roots of the doctrine and its developments to show how the uniqueness of Christ has come under specific attack today Retraces the storyline of Scripture from Christ's unique identity and work as prophet priest and king to the application of his work to believers and our covenantal union with him Christ Alone seeks to recover a robust biblical and theological doctrine of Christ's person and work and a renewed understanding that apart from Christ there is no salvation in the face of today's challenges unpacking why a fresh appraisal of the Reformation understanding of Christ alone is so important today THE FIVE SOLAS Historians and theologians have long recognized that at the heart of the sixteenth century Protestant Reformation were five declarations often referred to as the solas These five statements summarize much of what the Reformation was about and they distinguish Protestantism from other expressions of the Christian faith that they place ultimate and final authority in the Scriptures acknowledge the work of Christ alone as sufficient for redemption recognize that salvation is by grace alone through faith alone and seek to do all things for God's glory The Five Solas Series is more than a simple rehashing of these statements but instead expounds upon the biblical reasoning behind them leading to a more profound theological vision of our lives and callings as Christians and churches God's Unfolding Story of Salvation Heather A. Kendall, 2012-06-12 No one can appreciate the size or shape of a forest without flying over top to view the big picture The Bible is like a forest and individual books are similar to trees Studying small portions of Scripture is worthwhile and necessary Nevertheless one of the first steps of discipleship after salvation should be an understanding of the big picture in the Bible God's Unfolding Story of Salvation teaches believers that the biblical storyline is Christ centered Often people think of redemptive history only in terms of its promises in the Old Testament and its fulfillment in the New Testament There is much more to the story than that In the Old Testament the Holy Spirit also points to Christ through preparation for his

birth pictures or types and anticipation Since God's story ultimately affects each one of us it is worth the time and effort required to understand it If you do this you will discover a pearl of great value Forgiveness of sin and reconciliation with God are the greatest needs of everyone past present and future This redemption story brings glory to God and benefits believers
