God's First Truth Theron Miller,2000-01-20 Modern english of 1527 1534 Matthew s bible only the body fo the text and the books brought forth from the Hebrew and Greek      **Wrestling with God** Steven T. Katz,Shlomo Biderman,Gershon Greenberg,2007-01-04 This volume presents a wide ranging selection of Jewish theological responses to the Holocaust It will be the most complete anthology of its sort bringing together for the first time 1 a large sample of ultra orthodox writings translated from the Hebrew and Yiddish 2 a substantial selection of essays by Israeli authors also translated from the Hebrew 3 a broad sampling of works written in English by American and European authors These diverse selections represent virtually every significant theological position that has been articulated by a Jewish thinker in response to the Holocaust Included are rarely studied responses that were written while the Holocaust was happening      *God's Kingdom First* Professor Samuel C. Obi,2015-11-12 Gods Kingdom First is written for all the folks who really want to see true success in their Christian lives One of the secrets to living a truly successful godly life is by knowing what Gods children are expected to do and doing it In Matthew 6 10 Jesus prayed for Gods kingdom to come and that Gods will would be done on earth as it is done in heaven He advised us to seek first the kingdom and righteousness of God and then all the other things we need in life would be given to us as well Many of Gods children do not think about this important topic and then wonder why their lives are often in a state of doldrums uninteresting and disordered This book discusses what the kingdom of God is why it is important and how we can seek it The contents of this book are not new but have revealing secrets to a Christians successful life in the Kingdom of God      **Jesus Christ, the Son of God, was First Born Jacob-Israel** The Queen of the South,2025-08-29 This book is very controversial but the facts therein will not disappoint Most preach and believe that Jesus Christ was born once as the Messiah However this book proves that he was born multiple times in the Bible by different names One being the name Jacob Israel This book takes you on a journey throughout his different lives and other character s different lives in the Bible Once again she has used her sole source the King James Bible to prove these things and to further show that she is the Queen of the South to rise over the land of Israel and beyond that She asked that you double check her facts only by the Kings James Version Bible KJV      **"God Wills It!" A Tale of the First Crusade** William Stearns Davis,2019-11-29 In God Wills It A Tale of the First Crusade William Stearns Davis masterfully intertwines historical fact with poignant narrative to depict the fervor and complexity of the First Crusade Written in an engaging style that blends dramatic storytelling with meticulous historical research the novel presents a vivid portrayal of the medieval mindset rooted in faith and chivalry As characters navigate the treacherous landscape of war religious zealotry and cultural encounters Davis immerses readers in the era s turmoil offering a compelling reflection on the human spirit amid chaos William Stearns Davis who lived during a time when interest in medieval history surged draws on his extensive background in history to craft this

immersive tale His scholarly pursuits coupled with a profound understanding of the socio political dynamics of the Crusades imbue the work with authenticity Personal experiences and scholarly interests in medieval literature and history undoubtedly influenced Davis s narrative choices allowing him to bridge the gap between academic rigor and literary artistry I highly recommend *God Wills It* to readers intrigued by the complexities of human motivations during times of conflict This novel not only enlightens with its historical context but also captivates through its rich character development and evocative prose making it an essential addition to both historical fiction and Crusade studies

**Hermann Cohen** Frederick C. Beiser, 2018-10-04 This book is the first complete intellectual biography of Hermann Cohen 1842 1918 and the only work to cover all his major philosophical and Jewish writings Frederick C Beiser pays special attention to all phases of Cohen s intellectual development its breaks and its continuities throughout seven decades The guiding goal behind Cohen s intellectual career he argues was the development of a radical rationalism one committed to defending the rights of unending enquiry and unlimited criticism Cohen s philosophy was therefore an attempt to defend and revive the Enlightenment belief in the authority of reason his critical idealism an attempt to justify this belief and to establish a purely rational worldview According to this interpretation Cohen s thought is resolutely opposed to any form of irrationalism or mysticism because these would impose arbitrary and artificial limits on criticism and enquiry It is therefore critical of those interpretations which see Cohen s philosophy as a species of proto existentialism Rosenzweig or Jewish mysticism Adelman and K hnke Hermann Cohen An Intellectual Biography attempts to unify the two sides of Cohen s thought his philosophy and his Judaism Maintaining that Cohen s Judaism was not a limit to his radical rationalism but a consistent development of it Beiser contends that his religion was one of reason He concludes that most critical interpretations have failed to appreciate the philosophical depth and sophistication of his Judaism a religion which committed the believer to the unending search for truth and the striving to achieve the cosmopolitan ideals of reason
