Gonzales,2018-01-09 Most people are not aware of the wide divide that exists between Mormonism and Christianity Members of the LDS Church are taught not to question the teachings of the church despite the leaders being instructed to manipulate the facts and hide the truth whenever it is deemed useful to do so *The Wide Divide* is a comprehensive and chronological study of Mormonism rendered in a holistic rather than a topical approach It covers the panorama of early Mormon history with a comprehensive analysis of its doctrine The major premise of the book is Are Mormons Christian If you are a Mormon it is very critical that you answer this question correctly before you meet Jesus in eternity Please do so **Mormons Answered Verse by Verse** John R. Farkas,David A. Reed,1992-02-01 One of the most thorough presentations in print on Mormon theology compares each teaching with what the Bible says Designed for quick reference **The Late Great American Church** Floyd C. McElveen,2009-08 This is a book written with passion by a longtime missionary evangelist and author who fervently hopes to wake up the American Church America is losing thousands of Churches each year Christians are not leading others to Christ We are being lulled to sleep while our nation and the world perishes All roads do not lead to salvation or God Our nation is in disarray our youth are leaderless and foundering and we as a Church are failing them Where has the Great America Church gone How can we empower it again How can we become passionate about winning souls for Christ This shocking book deals with some controversial issues and devastating statistics Written by a man who has done his research and studied his bible Read and then share with your leaders It's Time Cindy

Prince,2013-09-19 Does it really make a difference to God how we worship Him Do you think He cares Is there a way to know for sure Should evidence matter when were walking by faith Is the God who created the universe still in the business of changing lives Its Time is the story that answers Yes to all of the above It is the journey of a family of seven devoted to a religion they loved and had no intention of ever leavingbut God had other plans Dive in and discover how God opens the door scoops them up and redirects their path how the Spirit uses everything from casual conversations to major life events to reveal His truth and guide their journey how He uses seeds that had been planted long before the day He said Its time and how He repeatedly answers the prayers they dared not express in the way that only He could have known their hearts needed leading them to the grace of His unconditional love Let it encourage enlighten and remind you that we serve a mighty God He cares He calls and He has given us everything we need to respond through His Word and His Spiritand He doesnt stop there Trust in the Lord with all thine heart and lean not unto thine own understanding In all thy ways acknowledge him and he shall direct thy paths Proverbs 3 56 *THE Book. Inspired by God? You Decide!* Gary R. Benca D.Min,2023-02-09 Without question the Bible has withstood the most intense scrutiny than any other book in existence Critics have examined every word letter line and precept in the Bible in an exhaustive attempt to cast doubts on its reliability However this book was not written to defend the Bible for it needs no defense Rather this book is written for the reader to take into consideration the enumerable reasons the Bible has endured and survived all the critics and their attempts to destroy its credibility To this day because of the Bible s reliability and continued survival it is enjoyed and loved by millions of people around the world Within the covers of this book you will discover archaeological scientific mathematical historical and other information that strongly supports the Bible as God s living word These impressive contributions could not have been made possible except for the dedicated people many of whom devoted their entire lives to the task of searching authenticating and preserving the information set forth in the Scriptures They have this author s highest respect and admiration *So Send I You* Floyd C McElveen,2011-01-13 This is a complete handbook for soul winning It will motivate you to share the wonderful gospel of Jesus The author gives examples and illustrations as well as provides a step by step method to easily present Christ to others Previously published as Unashamed but the title did not convey the full purpose of the book so it has been very lightly revised and re published under a new name Author McElveen lives what he writes about and preaches and his ideas work He has won thousands of souls to the Lord He gives you deep insight into his methods and passion for Christ If you want to be a consistent soul winner as Christ asks all of us to be and in all kinds of situations this book is a must read It is also a great handbook for soul winning classes **Out of Mormonism** Judy Robertson,2011-07-01 Judy Robertson shares her unique insider s viewpoint as a woman in the Mormon church After she and her husband rediscovered God s truth they faced torment and persecution upon leaving the LDS church This reader friendly book is one of the few Christian books that focuses first on an individual s journey from Mormonism rather than on theology or Christian doctrines The revised edition

includes testimonies of others who have left the Mormon church and what God is doing today through Concerned Christians Readers will find Out of Mormonism a useful resource for understanding and witnessing to friends and family in the LDS church
