Gods Zion:

Twilight of the Gods David Penchansky, 2005-01-01 Since the middle of the twentieth century one of biblical scholarship's chief assumptions has been that ancient Israel evolved out of the polytheism of surrounding cultures into an ethical monotheism. However, this consensus has fallen apart in recent years. Scholars now know that early Israel was surrounded by a very polytheistic culture and that many Israelites thought of Yahweh as the chief God among many gods. Furthermore, archaeology has shown that Yahweh was worshiped along with other gods throughout the period after the exile when many shrines were in honor of Yahweh and his Asherah. David Penchansky's *Twilight of the Gods* is the first accessible book that shows a historical Israel where polytheism and monotheism existed simultaneously in great conflict. He provides a historical introduction followed by close readings of key Old Testament passages where he demonstrates how to interpret difficult biblical texts that depict other gods or claim Yahweh is the only God within this new understanding of Israelite religion.

Zion's King: the Scriptural view of "the Lord Jesus Christ as head" over all things to the Church William BRANKS, 1859

GOD'S CURE for the POST-CHRISTIAN SYNDROME: Western Europe James Tarter, 2013-05-23 A Christianity with little of Christ for generations causes a nation to become like Judah in Malachi. This includes nations in Western Europe, Canada, Australia, New Zealand, and the U.S. Many people in all these nations have hearts hardened against the true God, and His words to us. Malachi shows that God is preparing His faithful people so that at the right time He will release them mightily as He did Jesus in Judea. This will heal the hardened hearts of many people who have not yet really tasted God's goodness in Jesus. God has made a way in Christ to rescue each of these nations from heading toward certain destruction into becoming Jesus' national disciple. Malachi helps us to see God's work in His people in any of these nations like Judah while the nation keeps corrupting itself. Then God's sudden release of His prepared people with great power and healing changes everything.

God Is a Strong Shelter Johnny Turner, 2023-03-14 God Is a Strong Shelter. Weathering the storms through reading Psalms brings faith to the center stage for believers. It is a spiritual roadmap and guide that reflects the Bible for the ultimate answer and a practical biblical and theological resource for the church to take a deep dive into the Psalms. The primary focus is to carefully examine the psalms for hope and protection in a world of persuasive tactics of scheming. Believers are encouraged to trust God by reading what I call the Great Affirmation of faith in Ps 46:1. God is our refuge and strength, an ever-present help in trouble. This book tells how the psalmists communicated to God amid personal encounters with enemies during turbulences of life.

The City of God and the Goal of Creation T. Desmond Alexander, 2018-01-16 For here we have no lasting city, but we seek the city that is to come. Hebrews 13:14. At the very heart of God's plan for the world stands an extraordinary city. Beginning with the garden of Eden in Genesis and ending with the New Jerusalem in

Revelation the biblical story reveals how God has been working throughout history to establish a city filled with his glorious presence Tracing the development of the theme of city in both testaments T Desmond Alexander draws on his experience as a biblical scholar to show us God s purpose throughout Scripture to dwell with his redeemed people in a future extraordinary city on a transformed earth Part of the Short Studies in Biblical Theology series The Reformed Presbyterian magazine.
