Godschild Covenant Return Of Nibiru:

Godschild Covenant Marshall Masters, 2003-08 *Godschild Covenant* is set against a global tribulation caused by the planet Nibiru Planet X in 2012 In the midst of this maelstrom the dubious characters who've lurked in the shadows of Anthony Jarman's life now come forward to propel the story at a breathtaking pace Likeable and gifted with psychic abilities Anthony enjoys political success until his enemies manage to conscript him into the hopeless role of a releaser In the midst of this dark passage destiny recasts his fate when he meets Tanya Beautiful and dynamic but sad she captures Anthony's interest at first sight The attraction is mutual but Tanya cannot yield as easily The loss of her family still pulls her soul towards lonely tears away from her pressing need for a new future As they struggle with their feelings the ghost of an old love from Anthony's past returns to bond them together in the service of a desperate cause

The Science Behind Godschild Covenant *Godschild Covenant Return of Nibiru* is rooted in a realistic catastrophe scenario based on the impending flyby of a planet the Sumerians called Nibiru The Egyptians called it the Destroyer and the Mayans warn us that this Red Comet will return in 2012 In researching this book author Marshall Masters a former science feature producer for the Cable News Network first researched current solar system observations and then compared those findings with historical accounts in the ancient texts of the Egyptians and Sumerians Nibiru and the Ancients Founded in the area of modern day Iraq Sumer is the oldest known civilization and the Sumerians wrote extensively about Nibiru According to their accounts it orbits our sun every 3600 years Reddish in color it is approximately 5 times the size of Earth Further parallels to these accounts are also found in ancient Egyptian and Mayan records as well A similar object was also documented in the Egyptian Texts of the Bronze Age This 3600 year old work was penned by Egyptian academics following the Exodus They called it the Destroyer and say it caused the Biblical disasters of Noah's Flood and the Ten Plagues of Exodus They also warn that it will return in the near future The Mayans offered the same warning They called this object the Red Comet and told us its return will mark the beginning of the next Mayan Calendar on December 21 2012 Like the Egyptians they feared the natural disasters caused by this object and kept a constant vigil on the planet Venus for any sign of its return Nibiru and 2012 Today we not only observe Venus but the entire solar system as well and what we're seeing is troubling for some In the last 75 years the effective energy output of our sun has increased 0.4% causing the most violent solar activity in recorded history According to NASA the next solar cycle will reach its maximum in 2012 and it will be stronger than the last Meanwhile as the global warming debate continues here on Earth astronomers have observed significant surface warming on Mars and Pluto at levels that could cause an extinction event here on Earth Additionally there is a sharp increase in atmospheric perturbations and a host of new X-ray and radio emissions on the other planets in our solar system as well

Indigo -- E. T. Connection Marshall Masters,2004-12 Indigos are awaking in great numbers to the gentle call of a living universe Some are cherished and nurtured but most are forced to struggle with the emotional pain of misunderstanding Yet each will feel the same need to explore their own Indigo ness and their own destiny of evolution and contact Indigos are here to help humanity achieve its oldest dream universal harmony They will do it by living in service to others in the hope of seeing humanity overcome its service to self failings When that happens our civilizations will no longer grow quickly erode slowly and then die suddenly Rather they will last and they will know love As we evolve off world races will freely contract us and Indigos will become our honest liaisons for they will instinctively know friend from foe All are born to this role but not all are destined to fulfill it This book is dedicated to those who do and it offers helpful suggestions for future encounters Are You an Indigo The term Indigo describes the hue of the aura life energy color that surrounds an Indigo according to psychic Nancy Ann Tappe but this is not the only measure An Indigo will also possess a high IQ an indomitable sense of self and a strong psychic intuition Born to a natural knowing of things they quickly sense goodness compassion evil intent and crisis in others How do true Indigos define themselves Through their feelings Do these questions sound familiar Am I a recent genetic freak of nature as the experts suggest Why am I so out of sync with this materialistic consumption driven society about me Why when all I crave is oneness with the universe do others subjugate me with emotional abuse and drugs Is there any purpose to my life that can possibly justify all this emotional pain The true Indigo instinctively knows that the answers to such questions are found within Only in this way can they resonate completely Regrettably the quest within is all too often marked by the loneliness and emotional pain caused by those who do not understand Indigos or worse yet fear them Still each Indigo must eventually accept the responsibility of his or her own knowledge quest as no two are exactly alike For this reason the author wrote this book in the hope of giving comfort to young Indigos by sharing knowledge gained through his own quest It is also to say to every Indigo Each of us follows a different quest but we all feel and understand your pain Put it aside and revel in your Indigo ness and know that you are not alone *Orange Blossom* Marshall Masters,Your Own World, Incorporated,2004-03-27 Just when a handsome young aerospace consultant thinks that his contract to document a sophisticated communications satellite system has been mysteriously cut short he is given an unexpected reprieve There is a glitch in the ground control system and the brilliant engineer who designed it holds all the answers to his questions if only he can penetrate her cold and reclusive nature Tasked to work with him she persists in keeping both him and his curiosity at arm s length Though his superiors push him for results it is the scent of orange blossoms that compel him to uncover the

strange glitches in the satellite system as he is drawn towards a life changing surprise *Gold Fever* Marshall Masters, 2004-05-15 Three adventurous college students set out to find abandoned Spanish gold mines in the hills of Arizona and find unexpected danger and ancient mysteries along the way The experience not only creates a bond among newfound friends but also launches a whole new future for humankind 2012 Joseph Gelfer, 2014-09-11 21 December 2012 was believed to mark the end of the thirteenth Baktun cycle in the Long Count of the Mayan calendar Many people believed this date to mark the end of the world or at the very least a shift to a new form of global consciousness Examining how much of the phenomenon is based on the historical record and how much is contemporary fiction the book explores the landscape of the modern apocalyptic imagination the economics of the spiritual marketplace the commodification of countercultural values and the cult of celebrity Ancient Code Various Authors, 2009-08 Some say the end of mankind is near Some say that financial turmoil is part of the process along with global warming warfare and the spread of mass psychosis Children are fed drugs to keep them calm nations are invaded by their neighbors the climate is changing all around us celebrities become our gods and materialism is the new mantra But what is the real truth Is there an answer to all this If our material lives are making us happier then why so many self help books films and philosophies It can't be denied that the times are changing Every day sees new challenges for our species while we cause mayhem and madness on an unbelievable scale But there is a ratio to it all a rhyme and reason behind everything that we do and everything that affects us *Ancient Code* is a collection of 20 fascinating essays from today's top authors and researchers which takes a look at the *Ancient Code* our relationship with it and how it relates to 2012 You will learn about a power that was first hidden and then lost over time Many have sought to rediscover it in order to wield it selfishly Like mad magicians seeking to rule the world men of renown have fleetingly seen the incredible nature of this Code but all too often they have missed the point The *Ancient Code* needs no material gain no hatred warfare or drugs because YOU are the key to the Code Featuring Brian Allan Jack Allis Kala Ambrose Nick Ashron Philip Coppens Robert Feather Philip Gardiner Dr Mitchell E Gibson Andrew Gough Jasmine Gould Dan Green Dr John Jay Harper June Elleni Lane Janice Manning Marshall Masters Brian Mayne Steve Mitchell Nick Pope Dennis Price and Colin Wilson **Futurum** Enrique C. Rébsamen, 2017-05-14 Obra que describe Como se percibe el futuro que prejuicios culturales y miedos le acompaña como se clasifica que elementos contiene cuáles son sus variables y el motor que le impulsa que es lo que evita o genera su ocurrencia que lo acelera o retrasa como se pronostica el porqué de su variabilidad cuáles son algunas técnicas para desarrollar futuro estos son algunos de los diversos aspectos que aquí se abordan en el interesante inseparable y intrincado tema que forma parte de peculiar y cotidiana vida del hombre Además en esta obra y a lo largo de su exposición demuestra que siempre existe la posibilidad de tener una influencia sobre el futuro o por lo menos la posibilidad de una medicina que nos ayude a tener un mejor entendimiento y el poder aplicar medidas ya sea de atención preventiva o de control a los eventos venideros por lo que aquí se aporta un nuevo e importante concepto denominado La Futurometría Para

el autor es más fácil y cómodo el utilizar técnicas formales como el método científico para ver el futuro en vez de emplear un turbante y una bola de cristal acciones que casi siempre se acompañan de una actitud estafadora y muy lucrativa cuando en realidad el conocimiento la innovación y la creación del futuro siempre están al alcance de todos **Books In Print**

2004-2005 Ed Bowker Staff, Staff Bowker, Ed, 2004 **Celtic Texts of the Coelbook** Marshall Masters, 2006 Authored by Celtic priests when the first Gospels of the New Testament were being created the Celtic Texts of the Coelbook the last five books of The Kolbrin Bible documents the fusion of Celtic and Druid mysticism Judaism and Egyptian anthropology Some regard it as a key Celtic wisdom text because it includes a revealing biography of Jesus with several never before published first person quotes This work is rooted in a 3600 year old Egyptian text the first six books of The Kolbrin Bible written following the Exodus It describes how Noah's Flood and the Ten Plagues of Exodus were caused by a planet also known as Nibiru or Planet X that orbits our sun every 3600 years The Egyptians called it the Destroyer and the Celtic priests called it the Frightener Historical Summary This story begins with Moses and the Hebrew Exodus Convinced their gods had failed them the Egyptians conducted the first regional anthropological study of the Middle East in search of clues that would lead them to the one true God of Abraham They published their findings in a 21 volume work titled The Great Book During the last millennium BCE Phoenician traders translated The Great Book from Egyptian Hieratic into their own 22 letter alphabet and entrusted a copy to the Celtic priests in Britain Inspired by the Egyptian texts the Celtic priests wrote their own wisdom text in ancient Celtic and called it the Coelbook Following the death of Jesus Joseph of Arimathea Jesus' great uncle on the side of Joseph his father founded the Glastonbury Abbey which later became the repository for these texts In 1184 CE English King Henry II ordered an attack on the Abbey The survivors secreted the remains of the texts to Scotland where they were translated into English and eventually merged to create The Kolbrin Bible Jesus Connection to Britain Some historians claim the Coelbook was inspired when Jesus and Joseph of Arimathea visited Britain together Others claim that the Celtic biographer of Jesus returned with Joseph of Arimathea who owned a tin mine in Britain to the Middle East where he met Jesus and his family Either way historical accounts show that Joseph of Arimathea brought Jesus' remaining friends and family to Britain shortly after the Crucifixion to escape persecution by the Romans and to spread Jesus' message to the uttermost parts of the earth Related Title The Egyptian Texts of the Bronzebook The First Six books of The Kolbrin Bible Following Pharaoh's defeat at the hand of Moses the Egyptians searched the Middle East for clues to the one true God of Abraham What now survives of that noble effort comprises the first six books of The Kolbrin Bible Related Title The Kolbrin Bible 21st Century Master Edition The Kolbrin Bible dates back 3600 years and offers unique and enlightened insights from the past to both challenge and affirm our present day beliefs This 11 book secular anthology is nearly as large as the King James Bible

Anunnaki Homeworld Jason M. Breshears, 2011-11 The Anunnaki is a legendary race that appears in the oldest documents preserved by mankind They are said to inhabit an outermost planet that orbits our sun in an extremely elliptical

orbit Each time this planet gets near to the earth it creates planetary cataclysms Many researchers claim it will be returning soon The work of Zecharia Sitchin author of the Earth Chronicles series of books focuses on the Anunnaki and their previous visits Many have asked Sitchin When will this planet return He never gave an exact date but said it was more than halfway back Jason Breshears gives an exact year and does so confidently due to his extensive research He delves not only into historical records as Sitchin had done but also uses scientific cycles and mathematical formulas that relate to our concepts of planetary time and orbits The historical records chronologically presented by Breshears help in identifying cyclical patterns He also employs advanced geometry interprets complex crop circle patterns and uses biblical prophecy in support of some of the astronomical events he has predicted He does not cover much on the mythical aspects of the Anunnaki gods themselves but focuses more on the actual sciences that can predict their return Ancient stories and carefully documented proof are two different things For these reasons this book is highly recommended
