## **Goethe And Beethoven:**

Goethe and Beethoven Romain Rolland, 1931      *Goethe und Beethoven* Romain Rolland, 1928      **Beethoven in the Age of Schiller, Goethe, and Kant** Hans-Joachim Hinrichsen, 2025-01-15 Beethoven wrote music for times that were changing His musical aesthetics played an active part in the exchange of thought that shaped the revolutionary culture of his lifetime He put aesthetic expectations to the test and we still hear his message today In *Beethoven in the Age of Schiller Goethe and Kant Music for Modern Times* Hans Joachim Hinrichsen explores twelve themes that reflect Beethoven's compositional development and thought The result is a fascinating new portrait of the composer and his music and a panorama of the world of thought norms and values that he navigated Here we discover insight into Beethoven's use of literature his aspirations for purely instrumental music and how he transformed contemplation into aesthetic expression We learn not only how his contemporaries misunderstood him but also how those in the know did get his message Was Beethoven philosophical and poetic Are his last compositions a critique of pure music are they transcendental Hinrichsen argues that we must get beyond our stereotypes of Beethoven if we want to truly understand him      Goethe and Beethoven (Classic Reprint) Romain Rolland, 2017-12-24 Excerpt from *Goethe and Beethoven* Creator has given those who read it a deep insight into the composer's greatness Not so with Goethe To understand and appreciate him is reserved to the comparatively small community which has a perfect knowledge of German for no translation can do him justice And those who do not know any of his works lack the interest which would prompt them to enquire into the great poet's life thought work and in uence Yet Goethe the Olympian as he is often called was one of the greatest figures in literature which the world has known He ranks with Homer Virgil Dante and Shakespeare Like these he belongs to the world rather than to a particular nation or race He is in literature what Michelangelo and Raphael in the realm of art a sovereign master About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
