## **Gogol A Life:**

The Life and Times of Nikolai Gogol Golgotha Press, 2013-11-21 Nikolai Gogol is considered the father of Russian realism. He has influenced thousands of writers but who influenced him? Read about his life in this eBook. **The Biography Book** Daniel S. Burt, 2001-02-28 From Marilyn to Mussolini people captivate people. A E s Biography best selling autobiographies and biographical novels testify to the popularity of the genre. But where does one begin? Collected here are descriptions and evaluations of over 10 000 biographical works including books of fact and fiction, biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians. Each entry includes a brief profile, autobiographical and primary sources and recommended works. Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title, helping readers to find the best biographical material available on hundreds of fascinating individuals.

**Gogol's Afterlife** Stephen Moeller-Sally, 2002-12-26 The evolution of Russian authorship as exemplified by Gogol's social and aesthetic reception from 1829 to 1952. Nikolai Gogol's claim to the title of national literary classic is incontestable. Since his lifetime every generation of Russian writers and readers has had to come to terms somehow with his ingeniously suggestive and comically virtuosic art. An exemplar for popular audiences no less than for the intelligentsia, Gogol was pressed into service under the tsarist and Soviet regimes for causes both aesthetic and political, official and unofficial. In *Gogol's Afterlife* Stephen Moeller Sally explores how he achieved this peculiar brand of cultural authority and later maintained it despite dramatic shifts in the organization of Russian literature and society. Beginning with Gogol's debut and extending well into the twentieth century, this elegantly written and meticulously researched work offers nothing short of a sociology of modern Russian literature. Together with the history of Gogol's social and aesthetic reception, it describes the institutional evolution of Russian literature and the changing relationship of the Russian writer to nation, state and society. Moeller Sally puts a wealth of historical material under a finely calibrated critical lens to show how the rise of the reading public in nineteenth century Russia prepared the ground for a popular nationalism centered around the literary classics. Part I charts the historical and cultural currents that shaped Gogol's reputation among the educated classes of late Imperial Russia, devoting particular attention to the models of authorship Gogol himself devised in response to his changing audience and developing authorial mission. Part II takes a panoramic view of the social milieu in which Gogol's status evolved, describing the intelligentsia's efforts to propagate his life and works among the newly literate populations of post-Reform Ru

**Literary Biographies in The Lives of Remarkable People Series in Russia**, Ludmilla A. Trigos, Carol Ueland, 2022-03-14 The legendary Russian biography series *The Lives of Remarkable People* has played a significant role in Russian culture from its inception in 1890 until today. The longest running biography series in world literature, it spans three centuries and widely divergent political and cultural epochs: Imperial, Soviet and Post-Soviet Russia. The authors argue that

the treatment of biographical figures in the series is a case study for continuities and changes in Russian national identity over time Biography in Russia and elsewhere remains a most influential literary genre and the distinctive approach and branding of the series has made it the economic engine of its publisher Molodaia gvardiia The centrality of biographies of major literary figures in the series reflects their heightened importance in Russian culture The contributors examine the ways that biographies of Russia's foremost writers shaped the literary canon while mirroring the political and social realities of both the subjects and their biographers times Starting with Alexander Pushkin and ending with Joseph Brodsky the authors analyze the interplay of research and imagination in biographical narrative the changing perceptions of what constitutes literary greatness and the subversive possibilities of biography during eras of political censorship

**Changing Scenes** Pirjo Lyytikäinen,2003-12-18 Six articles in *Changing scenes* represent the ongoing reassessment of fin de siècle literature in Finnish research The period was seen in earlier research as something of a national renaissance or golden age and interpreted in the light of its national symbols and meanings Only recently has more attention been paid to its international dimensions and its role in the modernisation of Finnish culture In particular the spotlight has been trained on the reflection in Finnish literature of manifestations of the degeneration thinking so common in Europe at that time Research has also picked out works and writers that featured less in earlier studies One modernist Finnish poet Neustadt Prize winning Paavo Haavikko is also examined in an article representing the latest Finnish research in this field [Pictures of Russian history and Russian literature](#) Sergei Mikhailovich Volkonskii (knyaz'),1898 **Gogol's Artistry** Andrei Bely,2009-07-05 When one great author engages another as Andrei Bely so brilliantly does in *Gogol's Artistry* the result is inevitably a telling portrait of both writers So it is in *Gogol's Artistry* Translated into English for the first time this idiosyncratic exhaustive critical study is as interesting for what it tells us about Bely's thought and method as it is for its insights into the oeuvre of his literary predecessor Bely's argument in this book is that Gogol's earlier writing should be given more consideration than most critics have granted Employing what might be called a scientific perspective Bely considers how often certain colors appear he diagrams sentences and discusses Gogol's prose in terms of mathematical equations The result as strange and engaging as Bely's best fiction is also an innovative thorough and remarkably revealing work of criticism *Cold Fusion* Gennady Barabtarlo,2000-05-01 While historical and political aspects of the Russo German

relationship over the past three to four centuries have received due attention from scholars the range of the far more diverse important and peculiar cultural relations still awaits full assessment This volume shows how enriching these cultural influences were for both countries affecting many spheres of intellectual and daily life such as philosophy and religion education and ideology sciences and their application arts and letters custom and language The German Russian relationship has always been particularly intense Oscillating as it has between infatuation and contempt it has always been marked by a singular paradox a German cultural presence in Russia resulting either in a more or less complete fusion as in the case of Russified German or in a pronounced mutual repulsion accompanied by the denigration of each other's culture as inferior It is this curious paradox that determines the perspectives of the articles that were specially written for this volume providing it with a unifying focus     **The Government Inspector ,     The universal anthology, a collection of the best literature, with biographical and explanatory notes, ed. by R. ## **Gogol A Life Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Gogol A Life has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Gogol A Life has opened up a world of possibilities. Downloading Gogol A Life provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Gogol A Life has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Gogol A Life. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Gogol A Life. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Gogol A Life, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed

and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Gogol A Life has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
