

THE GOVERNMENT INSPECTOR

BY
NIKOLAI GOGOL
A MODERN VERSION BY **DAVID HARROWER**

The news that a government inspector is due to arrive at a small town in Little Russia (now Ukraine), sends its councillors into a panicked frenzy. A simple case of mistaken identity exposes the hypocrisy and corruption at the heart of the town in this biting moral satire. Hilarity ensues as the bootlicking mayor of the town tries to ingratiate himself with the "important dignitary" from the Capital. Meanwhile, the imposter decides to milk the situation as much as he can! All the officials of the town fall over themselves to avoid being the scapegoats of their unscrupulous leader. The result is uproarious mayhem!

David Harrower's adaptation offers an hilarious reminder of the terrifying timelessness of bureaucracy and exploitation.

This modern version of Nikolai Gogol's *Government Inspector* premiered at the Warwick Arts Centre in May 2011 and transferred to Young Vic, London in June of the same year.

The Government Inspector Nikolai Gogol, 2005-06-22 One of the most famous comedies in world theatre Gogol's masterpiece has lost none of its bite In a small town corruption is rife and the Mayor and his cronies have got it made So when they learn they are going to be subject to an undercover government inspection they panic Mistaking a penniless nobody for the inspector they swiftly fall victims to their own stupidity and greed A dazzling blend of preposterous characters and familiar situations Nabokov called The Government Inspector the greatest play in the Russian language A production of this version of the play opened at the Chichester Festival in June 2005 starring the comedian Alistair McGowan **The**

headed by the Mayor react with terror to the news that an incognito inspector the revizor will soon be arriving in their town to investigate them The flurry of activity to cover up their considerable misdeeds is interrupted by the report that a suspicious person has arrived two weeks previously from Saint Petersburg and is staying at the inn That person however is not an inspector it is Khlestakov a foppish civil servant with a wild imagination Having learned that Khlestakov has been charging his considerable hotel bill to the Crown the Mayor and his crooked cronies are immediately certain that this upper class twit is the dreaded inspector For quite some time however Khlestakov does not even realize that he has been mistaken for someone else Meanwhile he enjoys the officials terrified deference and moves in as a guest in the Mayor's house He also demands and receives massive loans from the Mayor and all of his associates He also flirts outrageously with the Mayor's wife and daughter The Government Inspector also known as The Inspector General Russian Revizor literally Inspector is a satirical play by the Russian and Ukrainian dramatist and novelist Nikolai Gogol Originally published in 1836 the play was revised for an 1842 edition Based upon an anecdote allegedly recounted to Gogol by Pushkin the play is a comedy of errors satirizing human greed stupidity and the extensive political corruption of Imperial Russia According to D S Mirsky the play is not only supreme in character and dialogue it is one of the few Russian plays constructed with unerring art from beginning to end The great originality of its plan consisted in the absence of all love interest and of sympathetic characters The latter feature was deeply resented by Gogol's enemies and as a satire the play gained immensely from it There is not a wrong word

or intonation from beginning to end and the comic tension is of a quality that even Gogol did not always have at his beck and call. The dream-like scenes of the play often mirroring each other whirl in the endless vertigo of self-deception around the main character Khlestakov who personifies irresponsibility, light-mindedness, absence of measure. He is full of meaningless movement and meaningless fermentation incarnate on a foundation of placidly ambitious inferiority. D. S. Mirsky. The publication of the play led to a great outcry in the reactionary press. It took the personal intervention of Tsar Nicholas I to have the play staged with Mikhail Shchepkin taking the role of the Mayor.

Gogol Three Plays Nikolai Gogol, 1999-08-05

This collection contains Gogol's three completed plays. *The Government Inspector* which satirises a corrupt society was regarded by Nabokov as the greatest play in the Russian language and is still widely studied in schools and universities. I resolved to gather into one heap everything that was bad in Russia which I was aware of at that time, all the injustices being perpetrated in those places and in those circumstances that especially cried out for justice and tried to hold them all up to ridicule at one fell swoop. Nikolai Gogol. *Marriage* is a comedy about the business of matchmaking and matrimony. *The Gamblers* is an exhorting piece about the excesses of the Moscow aristocracy. Two and two make five if not the square root of five and it all happens quite naturally in Gogol's world. Gogol was a strange creature but then genius is always strange.

Vladimir Nabokov

The Inspector General Nikolai Gogol, 2020-10-09

Listed among the most beloved Russian plays, *The Inspector General* is a vivid portrayal of human greed and foolishness. Savagely criticizing the political corruption of Imperial Russia, the play tells the story of Khlestakov, an irresponsible impostor who is mistakenly taken for a dreaded government inspector by the corrupt and self-serving provincial officials of a small town in Tsarist Russia. Knowing their own flaws, the officials hope that their bribes and banquets will turn his attention away from their dishonest administration. And Khlestakov's decision to take advantage of the situation leads to hilarious situations and unexpected twists. First performed in 1836, the play transcended its own time and became a highly appreciated satire of universal human failings. It has been much adapted from numerous film versions with actors such as Dany Kaye, Tony Hancock, Rick Mayall, and Yevgeny Mironov to recent theatrical adaptations by Jeffrey Hatcher, David Harrower, and Roddy Doyle. Nikolai Gogol (1809-1852) was a Ukrainian-born Russian humorist, novelist, and dramatist whose work played a crucial role in the direction of Russian literature. He was considered to be one of the leading figures of Russian realism. His novel *Dead Souls*, a satire of the political corruption in the Russian Empire, is viewed by many literary historians as the first great Russian novel. Among his contributions to Russian and world literature are the surrealistic and grotesque *The Nose* and *The Mantle*, the satirical *The Inspector General*, the historical novel *Taras Bulba*, the comedy *Marriage*, the humorous short stories *Diary of a Madman* and *The Tale of How Ivan Ivanovich Quarreled with Ivan Nikiforovich*. His works have influenced generations of readers and still continue to impress with their subtle psychologism and matchless style.
