Attending a corporate retreat at a remote resort in Alaska Lisa Vaughn is plunged into the frigid rapids of the Wild River. Swept away, battered and alone she has been left for dead. Lodge owner Mitch Braxton knows something is terribly wrong when Lisa fails to turn up for a private meeting to clear the air and close the book on their broken engagement. Embarking on a heroic search that takes him miles downriver he saves Lisa from the deadly water but not before they've been swept deep into the wilderness. Far from civilization the former lovers must put aside their hurt feelings and find the will to survive against nature. There's a killer on the loose and for now they must measure their future together in days rather than years. Fast paced and full of suspense. Fresh Fiction

Going Down River Road Meja Mwangi, 2023-11-01 After an exhausting day of hard labour Ben finds oblivion in the seedy bars and clubs of River Road, anything to leave his cockroach infested rooms and ignore the reality of living paycheck to paycheck. At times it's difficult to remember that it wasn't always this way. Somehow he went from a promising career as a soldier to a disgraceful dismissal and a steady decline into poverty. Now the only thing Ben has left to lose is hope. Writing with colourful realism, Meja Mwangi paints an unforgettable depiction of life in Nairobi's slums, drawing attention to the hardships of the working poor and their disillusion with uncaring politicians. Mwangi is among the leading Kenyan writers. New York Times, Riveting, Guardian. The finest African novel ever. Professor Ibrahim Bello Kano.

Downriver Heather Hansman, 2022-01-21 The Green River, the most significant tributary of the Colorado River, runs 730 miles from the glaciers of Wyoming to the desert canyons of Utah. Providing water for thirty-three million people, it flows through ranches, cities, national parks, and some of the most significant natural gas fields in the country. Stopped up by dams, slaked off by irrigation, and dried up by cities, the Green is crucial, overused, and at risk now more than ever. Fights over the river's water and what's going to happen to it in the future are long-standing, intractable, and only getting worse as the West gets hotter and drier and more people depend on the river with each passing year. Former raft guide and environmental reporter Heather Hansman knew the issues but felt driven to see the situation firsthand and from a different perspective from the river itself. So she set out on a journey in a one-person inflatable pack raft and with an open mind to see what the

experience might teach her Mixing lyrical accounts of quiet paddling through breathtaking beauty with nights spent camping solo and lively discussions with farmers city officials and other people met along the way Downriver is the story of that journey a foray into the present and future of water in the West **Dictionary of Upriver Halkomelem** Brent Douglas Galloway,2009-09 An extensive dictionary almost 1800 pages of the Upriver dialects of Halkomelem an Amerindian language of B C giving information from almost 80 speakers gathered by the author over a period of 40 years Entries include names and dates of citation dialect information phonological morphological syntactic and semantic information domain memberships of each alloeme examples of use in sentences and much cultural information *Downriver* Richard S.
