Going Dutch James Gregor, 2020-07-21 ONE OF ENTERTAINMENT WEEKLY'S 10 BEST DEBUT NOVELS OF THE YEAR A charming well observed debut NPR featuring a gay male graduate student who falls for his brilliant female classmate you'll tear through this tale of a thoroughly modern love triangle Entertainment Weekly Exhausted by dead end forays in the gay dating scene surrounded constantly by friends but deeply lonely in New York City and drifting into academic abyss twenty something graduate student Richard has plenty of sources of anxiety But at the forefront is his crippling writer's block which threatens daily to derail his graduate funding and leave Richard poor directionless and desperately single Enter Anne his brilliant classmate who offers to help Richard write his papers in exchange for his company despite Richard's fairly obvious sexual orientation Still he needs her help and it doesn't hurt that Anne has folded Richard into her abundant lifestyle What begins as an initially transactional relationship blooms gradually into something more complex But then a one swipe stand with an attractive successful lawyer named Blake becomes serious and Richard suddenly finds himself unable to detach from Anne entangled in her web of privilege brilliance and oddly her unabashed acceptance of Richard's flaws As the two relationships reach points of serious commitment Richard soon finds himself on a romantic and existential collision course one that brings about surprising revelations Intelligent entertaining and elegantly written Adelle Waldman author of *The Love Affairs of Nathaniel P* Going Dutch is an incisive portrait of relationships in an age of digital romantic abundance but it's also a heartfelt and humorous exploration of love and sexuality and a poignant meditation on the things emotionally ravenous people seek from and do to each other This marvelously witty take on dating in New York City and the blurry nature of desire announces Gregor as a fresh electric new voice Publishers Weekly starred review

Going Europe or Going Dutch? Mendeltje Keulen, 2025-10-01 The European Union has a huge impact on the government and policies of its member states It is thus surprising that the ways in which national governments attempt to shape EU policies is a topic seriously understudied This book discusses relevant academic insights and presents a framework for analysing national interest representation The

empirical part discusses the EU policy of the Dutch government throughout the 1990s and presents a reconstruction of the negotiations on two internal market directives. It thereby offers both for academics and practitioners a clear oversight of the making of European policies and the relevant moments and instruments for national interest representation. **Going Dutch in Beijing** Mark McCrum, 2008-04 McCrum pens a lighthearted and informative guide to everything from first meeting to last rites. Subjects covered include the opening contact between strangers, greetings, gestures, handshakes, and getting names right, as well as more complex traditions and how to behave abroad. Going Dutch in the Modern Age John Halsey Wood, 2013-04-11 In *Going Dutch in the Modern Age* John Wood examines how Abraham Kuyper adapted the Dutch church to its modern social context through a new account of the nature of the church and its social position. **Melanie Martin Goes Dutch** Carol Weston, 2008-12-10 Written by the advice columnist of *Girls Life* magazine, this hilarious companion to *The Diary of Melanie Martin* finds Melanie off to Holland with her best friend. Dear Diary, You will never ever believe this! It is too good to be true. Guess who is going with us to Amster? Amster Dam Dam Dam Cecily. Since Cecily's mom is having surgery, Melanie's parents invite Cecily on their family trip to Holland. Melanie thinks having her best friend along will be terrific. But things don't go exactly as expected. First, Melanie loses her luggage, and soon it looks like she'll lose Cecily's friendship. But Holland isn't a total disaster. Along the way, Melanie learns to look through the eyes of van Gogh, Vermeer, and Anne Frank. Soon she discovers that being a good friend means seeing the world through your best friend's eyes too.

America in the Making Charles Ernest Chadsey, Louis Weinberg, Chester Frederic Miller, 1928 The Mentor-world Traveler, 1922 The Great Dutch Admirals Jacob B. Liefde, 1873 Unifruitco, 1929 The School of Mines Quarterly, 1902 **Queen's Quarterly**, 1901 *House Beautiful*, 1917 **The Maid of Maiden Lane** Amelia Edith Huddleston Barr, 1916 The Bounder Arthur Hodges, 1919 **The Magazine of Art** Marion Harry Spielmann, 1895 *Alter/native Modernities* Dilip Parameshwar Gaonkar, 1999 To think in terms of alternative modernities is to admit that modernity is inescapable and to desist from speculations about modernity's end. Modernity today is global and multiple and no longer has a Western governing center to accompany it. The essays in this collection therefore approach the dilemmas of modernity from transnational and transcultural perspectives. The idea of alternative modernities holds that modernity always unfolds within specific cultures or civilizations and that different starting points of the transition to modernity lead to different outcomes. Without abandoning the Western discourse on the subject, the contributors to this volume write from the standpoint that modernity is in truth a richly multiplicitous concept. Believing that the language and lessons of Western modernity must be submitted to comparative study of its global receptions, they focus on such sites as China, Russia, India, Trinidad, and Mexico. Other essays treat more theoretical aspects of modernity such as its self-understanding and the potential reconcilability of cosmopolitanism and diversity.
