**Hollywood's Melodramatic Imagination** Geoff Mayer,2021-12-22 Melodrama is the foundation of American cinema It is however a poorly understood term While it is a pervasive and persuasive dramatic mode it is not tied to any specific moral or ideological system It is not a singular genre rather it operates as a genre generating machine capable of determining the aesthetics and structure of the drama within many genres Melodrama centers the conflict around the clash between good and evil and provides a sense of poetic justice but the specific values embedded in notions of good and evil are determined by the culture and they shift from nation to nation region to region and period to period This book explores the populist westerns of the 1930s the propaganda films that followed the Japanese attack on Pearl Harbor and the popularity of Sax Rohmer s master villain Fu Manchu Melodramas of passion and film noir also offer a challenge to melodrama with its seemingly alienated protagonists and downbeat endings Yet with few exceptions Hollywood was able to assimilate these genres within its melodramatic imagination From Hamas to America Mosab Hassan Yousef,James Becket,2024-08-06 From Hamas to America is a gripping memoir that follows the son of Hamas founder Mosab Hassan as he breaks away from his culture s practice of terrorism to becoming a double agent for Israel to finally fleeing to America and becoming a US citizen and ultimately finding peace This is my opportunity to share my journey with others to let go of both the traumas and the triumphs to find freedom to proclaim my truth Mosab Hassan Yousef has worn many labels Hamas terrorist Green Prince spy traitor hero Hollywood player Muslim Christian yogi stateless refugee deportee citizen But all these labels have one thing in common they serve someone else s agenda Now for the first time the New York Times bestselling author of Son of Hamas tells the full truth of his story In it we see him growing up as the son of one of the founders of Hamas being imprisoned and tortured by the Israelis growing to hate the Hamas tactics of rape and violence working with the Israeli intelligence to expose suicide bombers and save lives seeking asylum in the US fighting with Homeland Security to avoid deportation rejecting Islam and converting to Christianity and making international headlines for it becoming a top speaker on Middle Eastern affairs and the Israeli Palestinian conflict working with Hollywood to tell his story and obtaining US citizenship and discovering the life saving discipline of yoga This is the inspiring story of someone who has been under threat of assassination or imprisonment for most of his life but who somehow finds the path to freedom and peace Few will walk in his shoes but everyone can follow his example and make their own journey to find redemption and peace New York Magazine
