## **Goodbye Nanny Gray:**

**Goodbye Nanny Gray** Jill Staynes, Margaret Storey, 1995-03-30      **Goodbye, Nanny Gray** Susannah Stacey, 1989-07  
Miss Pheobe Gray was the model of a proper English nanny until she inherits a fortune Then she is the model of a proper dead English nanny and Superintendent Bone must discover if she was murdered for money or something else      **Dead Serious** Susannah Stacey, 1997 Biddinghamst a reputedly haunted village in Kent seems to be home to a serial killer Superintendent Robert Bone steps in to investigate and instinctively tosses out the obvious suggesting an unlikely but terribly convincing scenario for the crimes Featured in A Pocket Full of Crime mystery newsletter      *Sequels* Janet G. Husband, Jonathan F. Husband, 2009-07-30 A guide to series fiction lists popular series identifies novels by character and offers guidance on the order in which to read unnumbered series      **The Essential Mystery Lists** Roger M Sobin, 2011-09-30 For the first time in one place Roger M Sobin has compiled a list of nominees and award winners of virtually every mystery award ever presented He has also included many of the best of lists by more than fifty of the most important contributors to the genre Mr Sobin spent more than two decades gathering the data and lists in this volume much of that time he used to recheck the accuracy of the material he had collected Several of the best of lists appear here for the first time in book form Several others have been unavailable for a number of years Of special note are Anthony Boucher s Best Picks for the Year Boucher one of the major mystery reviewers of all time reviewed for The San Francisco Chronicle Ellery Queen Mystery Magazine and The New York Times From these resources Mr Sobin created Boucher s Best and Important Lists to Consider lists that provide insight into important writing in the field from 1942 through Boucher s death in 1968 This is a great resource for all mystery readers and collectors Winner of the 2008 Macavity Awards for Best Mystery Nonfiction      Goodbye Eros Ana Laguna, John Beusterien, 2020-04-02 Traditional Petrarchan and Neoplatonic paradigms of love started to show clear signs of inadequacy and exhaustion in the sixteenth century How did the Spanish Golden Age recast worn out discourses of love and make them compelling again This volume explores how Spanish letters recognized that old love paradigms especially the crisis of the subject presented an extraordinary opportunity for revising traditional literary strictures As a result during Spain s nascent modernity literature took up the challenge to expand existing forms of desire and subjectivity A range of scholars show how canonical and non canonical Golden Age writers like Miguel de Cervantes Diego Hurtado de Mendoza Francisco de Quevedo Luis de G ngora Lope de Vega and Francisco de la Torre y Sevil became equal agents of the sweeping ontological reconfiguration of the idea of eros that defined their culture Such reconfiguration includes the troubling displacement of self and other seen in sentimental genres like the pastoral or romance the overlapping of emotions such as love and jealousy characteristic of the baroque lyric and dramatic production and the conflation of axioms such as eros and eris prevalent in contemporaneous epic experiments In uniting the findings of often surprising texts the collection of essays in Goodbye Eros takes a pioneering look at how Golden Age moral ideological

scientific and literary discourses intersected to create fascinating re elaborations of the trope of love      The Prude and the Prodigal Barbara Cartland,2019-05-01 Demure Prunella Broughton has long felt responsible for her lovely younger sister Nanette since their mother ran away with a lover and then not long later their beloved father had died As an heiress and a debutante Nanette is already attracting much male attention But it s about Pascoe Lowestoft that Prunella is most concerned Spoilt dandified vain and far too good looking for any young girl s peace of mind this penniless fortune hunter he has declared himself in love with Nanette To make matters worse the new 6th Earl of Winslow arrives unexpectedly to take his place at his long neglected Baronial Hall a gentleman of whom Prunella deeply disapproves for his wild raffish reputation and the fact that he is Pascoe s uncle Her argument that the love between Nanette and Pascoe must be stopped gets short shrift from the Earl Indeed he argues that love such as that which led her mother to leave cannot be denied Prudish Prunella refuses to believe that such an unruly uncontrollable love can exist until the prodigal Earl s stolen kiss changes everything forever      **The Art of Detective Fiction** NA NA,2016-04-30 In the hands of many of the great writers the unravelling of mystery is only one strand within a complex project Other things get unravelled too the belief in a rationally explicable world in the beneficent ordering force of culture and civilization Constantly the detective story delights in muddying the waters in acknowledging the omnipresent possibilities of anarchy and carnage As a genre it is supremely able to combine popular appeal with the ability to disturb provoke and challenge the reader The essays in this volume all pay tribute to and seek to account for the astonishing durability of the detective story as a narrative genre They range generously taking a variety of theoretical approaches and including detective fiction in languages other than English but particular attention is paid to the Golden Age of English detective story writing and to the hard boiled American version of the genre This is a collection that will appeal to the scholar and to the devotee alike to all those in fact who cannot resist the lure of finding out whodunit

*The Goodbye Cousins* Maggie Leffler,2009-06-30 A tender funny effervescent novel about reconnecting cousins family secrets and a season of change Your family will find you It was the last thing Diotima Linzer s mother Roxanne ever told her But this was the same mother who kidnapped Di when she was eleven and fled to Europe where her broken hearted father and the FBI would never find them Now a single mom herself Di is making a belated return to the States with her two year old son Max searching for the father she lost That means moving in temporarily with her cousin Alecia and Alecia s fianc Ben in a Pittsburgh apartment crowded with wedding gifts If that s not already a recipe for disaster Di soon finds herself falling for the wealthy handsome nearly divorced father who hires her as a nanny for his troubled teenage son while her cousin Alecia preoccupied by her promotion to television news anchor and a prenup she hasn t mentioned to her fianc has to cope with the sudden reappearance of her estranged mother who may hold the secret to Di s parents past Suddenly these two very different cousins one searching for direction in the universe the other desperate to stop her well ordered life from unraveling are about to discover that the family they thought they d lost may have found them instead      **Bone Idle** Susannah
