## **Economics Of Gender And Mental Illness:**

The Economics of Gender and Mental Illness D.E. Marcotte,V. Wilcox-Gok,2004-10-01 While gender has so often been found to be an important determinant of prevalence and outcomes of mental illness economists have rarely focused on gender differences as a central element of their analyses

**Gender and Mental Health** Meenu Anand,2020-07-09 This book focuses on various aspects of gender and mental health Drawing on multidisciplinary perspectives and scholarship it summarizes the complex intertwining of illness and culture in the context of the rising frequency of mental disorders The book is divided into three sections the first of which examines the fundamental and conceptual underpinnings of mental health well being and wellness from a gender perspective in order to present an overview of mental health through a holistic gender lens The second section focuses on the mental health scenario in India examining the epidemiological data and etiology of mental illness from a psychosocial standpoint Lastly the third section shares field based narratives that reflect the multifaceted challenges related to the treatment of mental illness inclusion and the promotion of positive mental health It also includes success stories in diverse settings The book is an indispensable read for scholars and professionals in psychology sociology gender studies and social work

*Handbook of Research on Gender and Economic Life* Deborah M. Figart,Tonia L. Warnecke,2013-01-01 The excellent list of themes and chapters in this volume reflects the maturity reached by feminist economics in its different dimensions Based on the notion of social provisioning for all as the basic objective of economics they represent a challenge to conventional economic thought and they show the importance of understanding theory institutions empirical work and policy from a gender perspective The global perspective provided through themes and authors is a very useful contribution to the literature Lourdes Bener a Cornell University US Standard economics has a narrow and distorted vision of what the economy is and how it works Gender scholars are on the forefront of developing better more encompassing models of human provisioning for well being This volume presents a wonderful sampling of these new theoretical and empirical developments Paula England New York University US This is an impressive collection that delves deeply and broadly into the myriad ways that gender shapes and alters economic lives and illuminates complex facets of the economic and social provisioning process across the globe The chapters by an exciting variety of researchers policy analysts and practitioners from numerous fields present a consistent and persuasive vision of economic well being as critical to the flourishing of all people Myra H Strober Stanford University US In the aftermath of global economic downturn it has never been more important to understand how gender relates to economic life and well being This interdisciplinary collection of original research details key areas of intersection provides a comprehensive overview of the current state of research and proposes avenues for further investigation The Handbook illuminates complex facets of the economic and social provisioning process across the globe The contributors academics policy analysts and practitioners from wide ranging areas of expertise discuss the methodological approaches to and analytical tools for conducting research on the gender dimension of economic

life They also provide analyses of major issues facing both developed and developing countries Topics explored include civil society discrimination informal work working time central bank policy health education food security poverty migration environmental activism and the financial crisis Economists sociologists and political scientists will find this book to be an invaluable research tool as will academics researchers and students with an interest in economics particularly feminist economics gender studies and global studies

*Economic Analysis of Mental Health in China* Xuezheng Qin, Chee-Ruey Hsieh, 2023-08-08 This book uses an economic approach to analyze the socioeconomic causes and consequences of mental health disorders in China with a special focus on mental depression Based on a nationally representative dataset we first investigate the prevalence and distribution of depression and depressive symptoms among China's adult population and then use several econometric methods to estimate the multi dimensional disease burden of the mental disorder such as its direct medical costs its indirect economic costs and its hidden costs on social trust and life satisfaction In addition we specifically address the socioeconomic determinants of mental health by examining how the relative and absolute economic status may determine people's mental depression Lastly we propose an analytical framework to evaluate the four major hurdles that cause the treatment gaps of mental health care and discuss the policy options to overcome such hurdles and to address the unmet mental healthcare needs in China and other developing countries The book may facilitate our understanding on the complex determinants and implications of the rising prevalence of mental health disorders in developing countries like China In addition to the students teachers and researchers in the fields of health economics and public health the book may also be of interest to health policy makers and non government agencies who are concerned with addressing the global mental healthcare challenges using economic policy tools

Mental Health Economics Denise Razzouk, 2017-08-26 The main objective of this work is to provide a book with high quality content that becomes a reference and support for graduate course Mental Health Public Health and Epidemiology and for research in the domain of health economics applied to mental health Also this book might be useful for policymakers on formulating mental health policies Key messages of this book are based on a mental illness represent a huge cost for society and for health care b health economics applied to mental health could help in the optimization of resource allocation for mental health care and for better decision making in terms of balancing costs and benefits c interventions and treatment should be also chosen in general medical practice and in public decision policy according to cost effectiveness burden of disease and equity principles d quality of care is related with better outcomes higher quality of life for clients and with lower costs for society and health system best value for money e it is possible to decrease the burden of mental disorders with cost effective treatments The book is divided in four main topics 1 Introduction to Health Economics applied to Mental Health this section is an overview of basic principles concepts and methods used in Economics and Health Economics to enable students to make critical appraisal of Health Economics texts and also to design research studies in this topic 2 Health Economics applied to the evaluation of quality and costs of Mental

Health Services this section presents results of Brazilian studies on the costs of mental health care hospital outpatient care residential care informal care methods on the measurement of costs and it discusses issues related with public policies decisions and quality of mental health care in the low and middle income countries context There is also an overview of quality indicators of mental health care and instruments to evaluate mental health services and costs 3 Health Economics applied to evaluate treatment of mental disorders This section presents a review of cost effectiveness of pharmacological treatments and other interventions applied for treating the most burdensome mental disorders such as depressive and anxiety disorders bipolar disorders psychosis alcohol and drug disorders dementia and hyper attention deficit disorders 4 Health Economics burden and indirect costs of mental disorders This section highlights the social and economic burden caused by mental illness under societal perspective focusing on stigma unemployment indirect costs in the workplace absenteeism and presenteeism the relationship between poverty and mental disorders global health and social determinants of mental health and on the costs of mental disorders depression anxiety psychosis alcohol and drug disorders We present some instruments to measure indirect costs of mental disorders *Tracking Gender Equity Under Economic Reforms* Swapna

Mukhopadhyay, Ratna M. Sudarshan, 2003 Contributed articles on women employees in economic development process in South Asia **Handbook of the Sociology of Mental Health** Carol S. Aneshensel, Jo C. Phelan, 2006-05-11 This book describes ways in which society shapes the mental health of its members and shapes the lives of those identified as mentally ill Experts in the sociology of mental health discuss in depth the interface between society and the inward experiences of its members Wellbeing: A Complete Reference Guide, Economics of Wellbeing David McDaid, Cary Cooper, 2014-02-05 Part of the six volume Wellbeing A Complete Reference Guide this is a comprehensive look at the economics of wellbeing with coverage of history research policy and practice Examines the challenges inherent in studying and measuring wellbeing from an economic perspective Discusses strategies and interventions to improve wellbeing across the lifespan and in different settings Addresses the potential economic benefits for governments and policymakers of actively investing in initiatives to improve wellbeing from the workplace to the home to the natural environment Emphasizes the need to strengthen the evidence base for the economics of wellbeing and improve methods for translating research into policy and practice

**Gender and Mental Health** Pauline Prior, 1999-08 Prior examines the individual experiences of mental disorders for both men and women and explores a range of mental health policy issues including concepts of normality trends in mental health care legislation and service delivery the differing impacts of national mental health policies on women and on men and changing views of disorders linked with sexual identity and orientation BOOK JACKET A Public Health Perspective of Women's Mental Health Bruce Lubotsky Levin, Marion Ann Becker, 2010-03-10 A Public Health Perspective of Women's Mental Health Edited by Bruce Lubotsky Levin and Marion Ann Becker As many as one half of all women in the U S will experience some form of mental illness in their lives an especially distressing fact when health care budgets are in flux

adding to existing disparities and unmet health needs Written from a unique multidisciplinary framework A Public Health Perspective of Women s Mental Health addresses today s most pressing mental health challenges effective treatment efficient prevention equal access improved service delivery and stronger public policy Eminent clinicians researchers academicians and advocates examine the effects of mental illness on women s lives and discuss the scope of clinical and service delivery issues affecting women focusing on these major areas Epidemiology of mental disorders in girls female adolescents adult women and older women Selected disorders of particular concern to women including depression and postpartum depression eating disorders menopause chemical dependence and HIV AIDS Mental health needs of women in the workplace rural areas and prisons Racial and ethnic disparities and their impact on service delivery Parenting and recovery issues in mothers with mental illness Women s mental health services in an era of evidence based medicine Improving women s health in today s technological climate A Public Health Perspective of Women s Mental Health is a resource of immediate importance to professionals and graduate students in the public health health administration health disparities social work behavioral health and health services research fields as well as nursing community health psychology and community public psychiatry

**Women's mental health: promoting a gendered approach to policy and service provision** The Women's Health Council,2004

**Health and Economic Status of Older Women** A.Regula Herzog,Karen Holden,Mildred Seltzer,2021-05-13 Health Economic Status of Older Women is a collection of research issues and data sources This book is organized in three parts Part 1 sets the stage for the more focused discussion of health and economic issues in the lives of old women that follows in Part 2 This first section contains papers by both Troll and Reinharz Their papers presented as keynote addresses in the conference provide a historical context for the subsequent material Both authors issue challenges to those who would focus their research efforts on older women The second part of the book contains the substantive discussions of health and economic aspects of women s lives The final part contains discussions of research methodologies

*Greening Our Economy for a Sustainable Future* Simon Grima,Kiran Sood,Ercan Ozen,Rebecca Emily Dalli Gonzi,2024-10-17 Greening Our Economy for a Sustainable Future examines the green economy by balancing social needs the environment and the economy It argues that different economic models must be developed to address the environment caused by economic expansion The book not only looks at the opportunities of having a green economy but also goes into areas such as greenwashing social washing sustainability economics and more In addition it addresses how one can improve well being through a symbiotic relationship between economic growth and environmental stewardship Reviews literature and case studies that can be applied on a large scale on measures to change the way of economic development to implement a green economy theory Examines bottlenecks that occur when resource scarcity or poor quality makes investment more expensive Highlights opportunities for innovation spurred by policies and framework conditions that allow for new ways of addressing environmental problems

**Empowering Resilience: Women, Environment, and**

**Socio-Economic Challenges in Nigeria** Stella Chinyere Nwankwo, 2025-02-05 This book explores the complex challenges faced by Nigerian women amidst environmental and socio economic hardships This book delves into the personal and scientific narratives that outline the resilience and hardships of women who confront cultural and systemic barriers in their daily lives Nigeria s diversity and inequality set the stage for stories of adversity and perseverance Each chapter combines real life experiences with scholarly research providing a voice to those often overlooked The narrative illustrates how societal norms and environmental issues intertwine with human endurance This book not only focuses on the struggles but also celebrates the indomitable spirit of Nigerian women It calls for action from policymakers community leaders and global citizens to reconsider and reform the systems that affect women s lives Through understanding these multifaceted challenges we can work towards sustainable development and improved gender equality This book aims to educate inspire and drive change enhancing our understanding of the crucial role women play in Nigeria s socio economic landscape *Economic and Social Factors Affecting the Health of Older Adults* Colette Joy Browning, Katherine Henrietta Leith, Shane Andrew Thomas, 2023-12-11 In 2020 over 1 billion of the world s population were over the age of 60 years old and it is expected to double by 2050 according to WHO Due to the growing population of older adults there is a focus on healthy aging that will benefit the individuals and the wider communities as older adults will be able to support family members and partake in paid or voluntary work for a longer period of time Currently a large number of older adults are unable to work increasing the likelihood of economic instability with fewer streams of income Economic instability has been proven to have health impacts including declining mental wellbeing malnutrition and the inability to afford prescribed medications Social isolation proves to be another important factor in the overall health of older adults The CDC reports that poor social interactions have been linked to a higher risk of developing multiple serious medical conditions *Exploring Mental Health in Vulnerable Populations in Developing Countries* John Elvis Hagan Jnr., Frank Quansah, Jacob Owusu Sarfo , Zahir Vally, Azaz Sharif, 2025-09-16 The physical social and economic implications of poor mental health are extensive The prevalence and pattern of mental health related challenges resources and interventions have been well reported in developed countries Despite the growing evidence of this health problem in developing countries a research gap still exists on the holistic measurement and description of the problem including interventions policies actions and programs to mitigate mental health challenges Considerable empirical evidence suggests that multifaceted social economic and environmental factors are drivers of mental health and its associated disorders Considering these points promoting mental health across vulnerable populations in low and middle income countries is critical to global health As the world seeks to achieve Sustainable Development Goal 3 SDG3 it is clear that mental health can significantly impact overall human health regardless of gender age or career stage the importance of improving the mental health of vulnerable populations throughout an individual s lifespan and within different professional environments cannot be underestimated By comprehending the obstacles and

prospects related to mental health and its related illnesses among vulnerable populations valuable insights could be obtained to create effective interventions and strategies that promote mental well being globally Specifically taking steps to enhance the daily living conditions of this population offers opportunities to improve any population s mental health and decrease the risk of mental illnesses or disorders

*Social, Economic, and Environmental Justice* Kalea Benner,Diane Loeffler,Natalie Pope,2021-05-13 This innovative text is the first to introduce practical techniques social workers can use to incorporate social economic and environmental justice into their practice The book emphasizes the role of justice in social work practice across the micro macro spectrum By assessing common human needs in relation to human rights justice and practice aimed at promoting fairness students will learn how to incorporate theories and practical perspectives in social work practice with individuals families communities and organizations With its unique approach this text focuses on structural oppression and inequities connected to clients engagement in systems and structures The impact of disparities on accessing and utilizing resources and subsequently achieving successful outcomes is examined through the justice lens Beginning with an overview of key concepts and theoretical underpinnings that provide foundational knowledge the text then examines each of the three justice foci social economic and environmental in detail through specific systems These systems include criminal justice education food security natural disasters and climate change health mental health housing and income disparities Throughout the book readers are asked to reflect on their own perceptions to enhance understanding of the influence of justice on practice Case studies diagrams boxed information student learning outcomes chapter summaries and review questions enhance understanding and application of content Purchase includes digital access for use on most mobile devices or computers Key Features Emphasizes the role of social economic and environmental justice in social work practice Examines the science and theory behind justice as it relates to social work Teaches practical methods for implementing justice oriented social work practice Authored by prominent instructors actively engaged in co curricular justice related content Offers student learning outcomes and summaries in each chapter Presents abundant diagrams and boxes to enhance application of content Provides multiple experiential learning opportunities including case examples and reflective and knowledge based review questions Offers practical examples of justice informed social work Includes Instructor s Manual with sample syllabus PowerPoints exam questions and media resources

Baltagi,Francesco Moscone,Elisa Tosetti,2022-06-01 The Economics of COVID 19 contains selected contributions analysing the effects of the global pandemic on macroeconomics computable general equilibrium models and financial markets as well as health studies proposing to improve the traditional

epidemic models

The Top Books of the Year Economics Of Gender And Mental Illness The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
