Economic Management and Economic Development in Peru and Colombia Rosemary Thorp,1991 **Sustainable Development in Mineral Economies** Richard M. Auty,Raymond F. Mikesell,1998 The mineral economies comprise approximately one fifth of developing countries They face special problems in achieving sustainable development and have as a group been less successful than resource deficient neighbours This book examines the apparent paradox detailing the current problems facing the mineral economies and the future policies necessary to overcome these problems Nine countries are studied Botswana Chile Colombia Indonesia Jamaica Namibia Papua New Guinea Peru and Trinidad and Tobago The authors argue that the key factor is not the sustainability of the mineral production that initially generates growth but the maintenance of the economic and social conditions for sustaining that growth They draw upon recent progress in environmental and natural resource accounting to show how this can be achieved and also assess the socio political factors that often constrain sustainable development *Latin American Economic Outlook 2018 Rethinking Institutions for Development* OECD,CAF Development Bank of Latin America,Economic Commission for Latin America and the Caribbean,2018-04-09 The Latin American Economic Outlook 2018 Rethinking Institutions for Development focuses on how institutions can underpin the foundations of a long period of sustained and inclusive growth and increased well being The report begins with an overview of the main macroeconomic challenges **Business Law and Ethics: Concepts, Methodologies, Tools, and Applications** Management Association, Information Resources,2015-03-31 In modern business environments ethical behavior plays a crucial role in success Managers and business leaders must pay close attention to the ethics of their policies and behaviors to avoid a reputation crushing scandal Business Law and Ethics Concepts Methodologies Tools and Applications explores best practices business leaders need to navigate the complex landscape of legal and ethical issues on a day to day basis Utilizing both current research and established conventions this multi volume reference is a valuable tool for business leaders managers students and professionals in a globalized marketplace

Sustaining Development in Mineral Economies Richard Auty,2002-09-26 It is widely believed that natural mineral resources are desirable However there is growing evidence that this may not always be the case Indeed it seems that natural assets can distort the economy to such a degree that the benefit actually becomes a curse In Sustaining Development in Mineral Economies Richard Auty highlights these drawbacks and the devastating effect they can have on developing economies With reference to six ore exporters viz Peru Bolivia Chile Jamaica Zambia and Papua New Guinea he outlines how things can go badly wrong He particularly stresses the need to avoid Dutch Disease whereby competitiveness is drained out of the agriculture and manufacturing sectors so that in the long term growth falters *Catalogue of Research Literature for Development: Food production and nutrition, development and economics, education and human resources, health, selected development areas* United States.
