Alternative Development Strategies for the Post-2015 Era Jose Antonio Alonso, Giovanni Andrea Cornia, Rob Vos, 2014-05-01 This book is available as open access through the Bloomsbury Open Access programme and is available on bloomsburycollections.com The global economic crisis of 2008 2009 exposed systemic failings at the core of economic policy making worldwide The crisis came on top of several other crises including skyrocketing and highly volatile world food and energy prices and climate change This book argues that new policy approaches are needed to address such devastating global development challenges and to avoid the potentially catastrophic consequences to livelihoods worldwide that would result from present approaches The contributors to the book are independent development experts brought together by the UN to identify a development strategy capable of promoting a broad based economic recovery and at the same time guaranteeing social equity and environmental sustainability both within countries and internationally This new development approach seeks to promote the reforms needed to improve global governance providing a more equitable distribution of global public goods The contributors offer a critical evaluation of past development experiences and report on their creative search for new and well thought out answers for the future They suggest that economic progress fairer societies and environmental sustainability can be compatible objectives but only when pursued simultaneously by all **China's**

Employment Challenges and Strategies After the WTO Accession Douglas Zhihua Zeng, 2005 Although China has made impressive progress in economic development and improving social well being it is facing many daunting challenges while transforming toward a knowledge and service based economy and further opening up to international competition after its WTO accession in the context of knowledge revolution One of the biggest challenges is how to create 100 300 million new jobs in the coming decade to absorb the millions of laid offs rural emigrants and newly added labor force China has been successful in building high technology parks and information and communications technology ICT industries but they are limited in terms of employment generation while most of the traditional labor intensive industries are losing competitiveness due to low productivity To combat the unprecedented employment challenge China must implement a systemic and sustained strategy Cover verso *Strategies for National Sustainable Development* Jeremy Carew-Reid, Robert Prescott-Allen, Stephen Bass, Barry Dalal-Clayton, 2013-11-05 The IUCN Strategies for Sustainable Development Handbook Series This handbook is one in a series being produced by IUCN and its partners to assist countries and communities implement Agenda 21 the action programme of the United Nations Conference on Environment and Development The series will include handbooks on national strategies for sustainable development local strategies assessing progress towards sustainability biodiversity action plans involving indigenous peoples and on integrating population and resource use planning and regular companion volumes of case studies addressing the key issues of concern to strategy implementation Many international agreements and action plans now call for countries to undertake national strategies These strategies seek to involve communities in united

approaches to sustainable development Some are sectoral such as tropical forest strategies others are thematic covering topics such as biodiversity education or climate change Still others such as national conservation strategies and national environment action plans are evolving to become more comprehensive processes drawing together economic social and environmental development actions This handbook is for people involved in strategies It draws on experiences in different regions of the world to present options and examples of the role of strategies in sustainable development Originally published in 1995

New Growth and Poverty Alleviation Strategies for Africa Karl Wohlmuth, 2009 This Volume XIV analyses the New Growth and Poverty Alleviation Strategies for Africa Institutional issues and perspectives in designing new growth and poverty alleviation strategies are considered in various case studies Cote d'Ivoire Nigeria Botswana and Tanzania Other studies deal with institutional problems of resource rich countries after conflict Sudan and with the institutions to enhance environmental protection parallel with economic growth and poverty reduction Niger Further studies deal with institutions to bridge the gap between formal and informal entrepreneurial sectors in Kenya and Tanzania Local issues and perspectives for designing new growth and poverty alleviation strategies are considered in case studies on rural urban development gaps in Tanzania and on microfinance as an instrument for new growth and poverty alleviation strategies Tanzania and Eritrea A study on small farmers in Ghana provides information on the role they can play in value chains Two studies on Nigeria highlight the local and the sub regional health and poverty alleviation programmes and the relation to growth Book Reviews and Book Notes on the theme are part of the volume This Volume builds the foundation for a comprehensive strategy of policy reforms in Africa so as to integrate new growth and poverty alleviation strategies Complementary to Volume XIV is Volume XIII on New Growth and Poverty Alleviation Strategies for Africa International and Regional Perspectives Both Volumes are of importance for all those who work in African countries as officials executives managers researchers and policy makers but also for all those who actively support Africa's development concerns at the international regional country local and project levels They will experience this Volume XIV and also the complementary Volume XIII as indispensable sources of insight reference and inspiration

The Puzzle of Latin American Economic Development Patrice M. Franko, 2007 Provides the basic economic tools for students to understand the problems in the countries of Latin America This third edition analyzes challenges to the neoliberal model of development and highlights macroeconomic changes in the region It explores the contradictions of growth and focuses on factors of competitiveness

Development Strategy and Management of the Market Economy Edmond Malinvaud, 1997 These companion volumes examine the highly topical issue of the adequacy of markets as an instrument of economic and social development In this era of transition and experimentation in economic management by governments a group of prominent international economists was brought together to distill their thinking on the changing role of government in the development process The first volume discusses the broad questions the second volume breaks down the analysis into more detailed topics

Conserving Biodiversity in Arid Regions J.

Lemons,Reginald Victor,Daniel Schaffer,2003-07-31 On the eve of the World Summit for Sustainable Development WSSD held in autumn 2002 in Johannesburg South Africa United Nations Secretary General Kofi Annan recommended five specific areas as focal points of discussion for the global forum Water energy health agriculture and biodiversity In his address Towards a Sustainable Future delivered just four months before the WSSD Secretary General Annan contended that concrete progress in each of these areas often referred to by their acronym WEHAB would be key to improving the quality of life not only in the developing world but across the globe For most people I think it is fair to say that the inclusion of biodiversity in a list that focuses on basic human needs may not be self evident Water energy health and agriculture yes But why biodiversity The truth is that biodiversity is just as critical to global well being as water energy agriculture and health This is because biodiversity both drives and shapes nature s intricate and dynamic structure in an enduring form and force that enables both current and future generations to enjoy its bounty
