Harnessing Foreign Investment to Promote Environmental Protection Pierre-Marie Dupuy, Jorge E. Viñuales, 2013-03-14 This volume provides cutting edge interdisciplinary analysis of the synergies between foreign investment and environmental protection by leading scholars and practitioners

Socially Responsible Investment Law Benjamin J Richardson, 2008-06-30 Environmental harm is commonly associated with companies that extract consume and pollute our shared natural resources Rarely are the unseen polluters the financiers that sponsor and profit from eco damaging corporations placed at the forefront of the environmental debate By focusing on these unseen polluters Benjamin Richardson provides a comprehensive examination of socially responsible investment SRI and offers a guide to possible reform Richardson proposes that greater regulatory supervision of SRI will help ensure that the financial sector prioritizes ethically based investments In *Socially Responsible Investment Law* he suggests that new governmental reforms should encourage companies to participate in socially responsible investments by providing a better mix of standards and incentives for SRI through measures that include redefining the fiduciary responsibilities of institutional investors to incorporate environmental concerns By doing so Richardson posits that corporate financiers including banks hedge funds and pension plans will become more accountable to the goals of ensuring sustainable development

On Gandhi's Path Stephanie Mills, 2010-05-01 This inspiring biography explores the life and work of the land trust pioneer peace activist and father of the relocation movement Robert Swann was a self taught economist and a tireless champion of decentralism promoting community resilience and food independence A conscientious war resistor imprisoned for his beliefs Bob Swann engaged in lifelong nonviolent direct action against war racism and economic inequity His legacy is a vision of a life affirming alternative economy based on land and monetary reform Swann s story is also the untold history of decentralism in the United States He forged tools to build productive resilient local and regional economies He associated with a constellation of vital intelligent independent authors and activists and ultimately co founded the Schumacher Society based on the philosophies of Small Is Beautiful author E F Schumacher Now as global industrial civilization flails in the throes of ecological and economic crisis Swann s innovations are at the ready to help neighborhoods local entrepreneurs and willing communities rebuild at appropriate scales

[Second Growth](#) Sean Markey, John T. Pierce, Kelly Vodden, Mark Roseland, 2007-10-01 Broader political and economic changes are dramatically reshaping rural and small town communities in British Columbia and across Canada Increasingly however much of the responsibility for community based prosperity and survival is falling to communities themselves This book is drawn from a three year participatory research project with four communities in British Columbia two municipalities and two Aboriginal communities The first part of the book examines

historical and contemporary forces of restructuring linking the development of rural communities with the legacy of resource development and Aboriginal marginalization across the province The second part of the book presents the theoretical and practical dynamics of the community economic development CED process and outlines a variety of strategies communities can initiate to diversify their local economies Second Growth advances understanding of local development by addressing two important deficiencies in the CED literature First CED is a rapidly expanding field that requires enhanced theoretical direction and historical analysis Second there is a need for systematic case study analyses of CED strategies in rural small town conditions As communities struggle to confront complex forces of change sound theoretical frameworks and tested best practices are important tools in facilitating the prospects for a second growth in rural and small town communities The book will appeal to educators and students of rural and economic geography policy makers and citizens who wish to better understand the transformations taking place across the rural landscape **Rural Education (1991)** Deyoung

Alan, 2017-09-29 Originally published in 1991 essays discuss and analyse rural schooling in its historical social and political contexts as well as its educational mission Collections covering rural education in the United States are relatively rare particularly texts that focus on available research literature in context and many existing texts are written by educators outside of the University This book covers historical and social factors rural education in the field and the future of American Schooling The chapters comprise not only an airing of issues concerns and findings but also a guide to scholarship in the areas covered Included is a resource guide to information specific to rural education and rural special education **How**

Green is the Green Party? Rick Whaley, 2007 WLW Journal Women Library Workers (U.S.), 1989 **Future Survey Annual 1988-1989** Michael Marien, Lane Jennings, 1990-01-01 BMW Z cars have carved a huge reputation for themselves in a very short time From the revolutionary and innovative Z1 of the late 1980s to the beautiful and exclusive Z8 of more recent times via the popular Z3 and its controversial replacement the Z4 the family has made BMW's name in the increasingly competitive sports car market The Tendering Presence Sterling Olmsted, Phillips P. Moulton, Michael Alan Heller, 2003

Woolman 1720-1772 a Quaker social reformer called the Religious Society of Friends to stand in a corporate testimony against slavery and economic injustice His call arose from his ongoing experience of the presence of God and was exemplified by a faith and social witness that stands today to help heal the ills of war poverty and environmental destruction In this volume nineteen scholars offer insightful essays on Woolman's legacy In Search of Meaning Thierry C. Pauchant, 1995 This book breaks new ground in the emerging field of organizational existentialism as it explores the range of issues raised by life in modern organizations including workaholism motivation work relationships performance and effectiveness and organizational change The authors address the growing responsibilities of organizations to their employees and the world at large while grounding their discussions in sound theory and practice *The Utne Reader*, 1990
