Ecstasy The Forgotten Language:

Ecstasy, the Forgotten Language Osho, 1978 **Ecstasy**, 1978 Pop Cultures and Ecstatic States of the Body Since World War II Kristoff Kerl, Detlef Siegfried, Robert P. Stephens, Olaf Stieglitz, 2025-07-15 This book examines the many varied historical entanglements between pop cultures and ecstatic euphoric and intoxicated bodies focusing on the period between the 1950s and the 1980s Charting a new course by bringing together pop culture studies the history of bodies and the history of emotions the volume unites new historical perspectives on different forms of corporeal pleasure and offers novel methods for studying the social and cultural politics of ecstasy *A Taste of The Divine* Osho, **The Message Beyond Words: The Illusion of Death and the Reality of Living: Talks on the Kathopanishad** Osho, 2025-04-10 The Message beyond Words is an invitation to understand what death really is and thus transform the way you live These talks are based on the ancient Kathopanishad which tells the story of a small boy Nachiketa who is sent by his father to face the Lord of Death This Upanishad is traditionally read as someone is dying to inspire the people they love the people who are present to begin their search for a conscious life By exploring the methods described in this book a person frozen in their fear of death can melt flow and really begin to live for the first time Once you really face your fears about death says Osho your life will automatically transform and become conscious joyful and silent Osho defies all categorization As he says I am not much of a religious person I am not a saint I have nothing to do with spirituality All those categories are irrelevant about me You cannot categorize me you cannot pigeonhole me But one thing can be said that my whole effort is to help you release the energy called love intelligence If love intelligence is released you are healed **I Say Unto You - Vol. II** Osho, 2022-06-22 What if Jesus were not a supernatural being conceived by a virgin but a real human being who had experienced the awakening of consciousness known as enlightenment in the East This extraordinary line by line commentary on some of the best known Gospels from the New Testament tests the hypothesis that Jesus was a mystic not a miracle worker And convincingly makes the case that the stories of his life were never meant to be a factual record of history but rather are teaching parables designed to provide ongoing spiritual guidance for generations to come I will speak on Christ but not on Christianity Christianity has nothing to do with Christ In fact Christianity is anti Christ just as Buddhism is anti Buddha and Jainism anti Mahavir Christ has something in him which cannot be organized The very nature of it is rebellion and a rebellion cannot be organized The moment you organize it you kill it Then the dead corpse remains You can worship it but you cannot be transformed by it You can carry the load for centuries and centuries but it will only burden you it will not liberate you That's why from the beginning let it be absolutely clear I am all for Christ but not even a small part of me is for Christianity If you want Christ you have to go beyond Christianity If you cling too much to Christianity you will not be able to understand Christ Christ is beyond all churches *Life : A Song, A Dance* Osho, **The Psychology Of The Esoteric** Osho, 2022-03-30 There are two types of evolution collective evolution and individual conscious evolution Evolution implies unconscious collective

progress so it would be better to use the word revolution in talking about man With man revolution becomes possible Revolution as I am using the word here means a conscious individual effort toward evolution It is bringing individual responsibility to a peak Only you are responsible for your own evolution **Nirvana : The Last Nightmare** Osho,2004
