**Martin Brook Taylor, Doug Owram**

## **Federalism And Political Community Essays In Honour Of Donald Smiley:**

**Federalism and Political Community** Donald V. Smiley, 1989      *Explaining Federalism* Jan Erk, 2007-09-12 This book deals with the theoretical and empirical questions of federalism in the context of five case studies Austria Belgium Canada Germany and Switzerland The central argument is that in the long run the political institutions of federalism adapt to achieve congruence with the underlying social structure This change could be in the centralist direction reflecting ethno linguistic homogeneity or in decentralist terms corresponding to ethno linguistic heterogeneity In this context the volume fills a gap in the comparative federalism literature by analyzing the patterns of change and continuity in five federal systems of the industrial west this is done by an in depth empirical examination of the case studies through a single framework of analysis illustrates the shortcomings of new institutionalist approaches in explaining change highlighting the usefulness of society based approaches in studying change and continuity in comparative politics *Explaining Federalism* will be of interest to students and scholars of federalism comparative government comparative institutional analysis and comparative public policy

*Executive Federalism* Ronald L. Watts, Queen's University (Kingston, Ont.). Institute of Intergovernmental Relations, 1989

Canadian History: Confederation to the present Martin Brook Taylor, Doug Owram, 1994-01-01 In these two volumes which replace the Reader's Guide to Canadian History experts provide a select and critical guide to historical writing about pre and post Confederation Canada with an emphasis on the most recent scholarship Cover      **Canada: The State of the Federation 1990** Ronald Lampman Watts, Douglas M. Douglas Brown, 1990      Canada Harvey Lazar, Tom McIntosh, 1999-02

**River Road** Gerald Friesen, 1996-12-03 The prairies are a focal point for momentous events in Canadian history a place where two visions of Canada have often clashed Louis Riel the Manitoba School Question French language rights the 1919 Winnipeg General Strike and the dramatic collapse of the Meech Lake Accord when MLA Elijah Harper voted No Gerald Friesen believes that it is the responsibility of the historian to tell local stories in terms and concepts that make plain their intrinsic value and worth that explain the relationship between the past and the present For local experiences to have any relevant meaning they must be put into the context of the wider world These essays were written for the general reader and the academic historian They include previously published works many of them revised and updated from a wide variety of sources and new pieces written specifically for River Road examining aspects of prairie and Manitoba history from many different perspectives They offer portraits of representatives from different sides of the prairie experience such as Bob Russell radical socialist and leader of the 1919 General Strike and J H Riddell conservative Methodist minister who represented sane and safe stewardship in the 1920s and 1930s They explore the changing relationship between Aboriginal peoples and the dominant society from the prosperous Metis community that flourished along the Red River in the 19th century and produced Manitoba's first Metis premier to the events that led to the Manitoba Aboriginal Justice Inquiry in the 1980s Other essays consider new viewpoints of the prairie past using the perspectives of ethnic and cultural history women's

history regional history and labour history to raise questions of interpretation and context The time frame considered is equally wide ranging from the Aboriginal and Red River society to the political arena of current constitutional debates

*The Principle of Equality in Diverse States* Eva Maria Belser, Thea Bächler, Sandra Egli, Lawrence Zünd, 2021-05-25 This book examines different approaches by which states characterised by federal or decentralized arrangements reconcile equality and autonomy In case studies from four continents leading experts analyse the challenges of ensuring institutional social and economic equality whilst respecting the competences of regions and the rights of groups

**Money, Politics and Health Care** Institute for Research on Public Policy, Queen's University (Kingston, Ont.). Institute of Intergovernmental Relations, 2004 Current tensions in intergovernmental fiscal arrangements are thus important impediment to improving the health care system At the same time the failure of provinces to correct health care problems acts a serious irritant in intergovernmental relations creating a vicious cycle where deficiencies in intergovernmental fiscal relations make health care reform difficult while failures to effect health care reform increase conflict between the provinces and the federal government This collection of essays analyses key issues in federal provincial health care relations particularly the fiscal component The authors look at why there is a role for the federal government in health care and consider the critical issues in recent intergovernmental political battles over this role The issues of whether the vertical federal provincial fiscal imbalance is myth or reality how much the federal government does and should contribute financially to provincial health care programs and methods for settling disputes such as those over user fees are discussed The authors also provide concrete proposals for reconstructing the federal provincial partnership Contributors include Keith Banting Queen's University Robin Boadway Queen's University David Cameron University of Toronto Harvey Lazar Jennifer McCrea Logie France St Hilaire and Jean François Tremblay

**The Practice of Language Rights in Canada** C. Michael MacMillan, 1998-01-01 On what grounds should language rights be accorded in Canada and to whom This is the central question that is addressed in C Michael MacMillan's book *The Practice of Language Rights in Canada* The issue of language rights in Canada is one that is highly debated and discussed partly because the basic underlying principles have been a neglected dimension in the debate MacMillan examines the normative basis of language rights in Canadian public policy and public opinion He argues that language rights policy should be founded upon the theoretical literature of human rights Drawing on the philosophy behind human rights the arguments for recognizing a right to language are considered as well as the matter of whether such rights possess the essential features of established rights Another model that is examined is the idea that rights are a reflection of the established values attitudes and practices of society This analysis reveals that there is a significant gap between what a political theory of language rights would endorse and what garners support in public opinion MacMillan also scrutinizes the federal and provincial contexts in the development of a language rights framework From these explorations a case is developed for a recognition of language rights that is consistent with the logic of human

rights and that corresponds roughly with developing Canadian practice The Practice of Language Rights in Canada is a unique contribution to the current literature not only because it conceives of language rights as a human right but also because it frames the whole debate about language rights in Canada as a question of values and entitlements **Against Judicial Activism** Rory Leishman, 2006-04-05 Against Judicial Activism cites numerous cases to support this argument For instance the British Columbia Human Rights Tribunal and Supreme Court read a ban on discrimination on the ground of transsexualism as being part of the province's human rights code On the basis of this revision of the law the tribunal ordered the Vancouver Rape Relief Society to pay 7 500 to a transsexual man in compensation for refusing to admit him into a training course for rape crisis counsellors **Charter Versus Federalism** Alan Cairns, 1992 In Charter Versus Federalism Alan Cairns provides an insightful analysis of the consequences for citizen and government alike of the changes undergone by the Canadian constitution especially since 1982 He also illuminates the difficulties of res *Canada's Century* C.E.S. Franks, 1995-06-27 Governance Quebec's place in Canada French English relations multiculturalism the party system electoral processes the regulatory function and aspects of culture and social science are among the subjects addressed Contributors include Gerald Bergeron Edwin R Black Alan Cairns R K Carty L on Dion O P Dwivedi Iain Gow C E S Franks William P Irvine Jane Jenson Jean Lapointe Vincent Lemieux Peter Leslie Liora Salter Richard Schultz Richard Simeon H G Thorburn and V Seymour Wilson Together the essays provide a comprehensive survey of modern Canadian political thought Canada's Century will be a valuable reference book for scholars and students of Canadian politics How Ottawa Spends 1991-92 Frances Abele, 1991 Critical Policy Studies Michael Orsini, Miriam Smith, 2011-11-01 Traditional definitions of public policy in Canada have been challenged in recent years by globalization the transition to a knowledge based economy and the rise of new technologies Critical Policy Studies describes how new policy problems such as border screening and global warming have been catapulted onto the agenda in the neo liberal era The book also surveys the recent evolution of critical approaches to policy studies which have transformed decades old issues Contributors conceptualize the ways in which public policy questions cut across the traditional fields of policy They cover both topical approaches such as Foucauldian and post empiricist analysis and new applications of established perspectives such as political economy Conventional methodologies reveal new connotations when used to explore such topics as security issues Canadian sovereignty welfare reform environmental protocol Aboriginal policy and reproductive technologies Critical Policy Studies provides an alternative to existing approaches to policy studies and will be welcomed by scholars students and practitioners of political science and public policy **Art of Sharing** Mary Janigan, 2020-07-23 In 1957 after a century of scathing debates and threats of provincial separation Ottawa finally tackled the dangerous fiscal inequalities among its richer and poorer provinces Equalization grants allowed the poorer provinces to provide relatively equal services for relatively equal levels of taxation The Art of Sharing tells the dramatic history of Canada's efforts to save itself The introduction of federal

equalization grants was controversial and wealthier provinces such as Alberta wanting to keep more of their taxpayers money for their own governments continue to attack them today Mary Janigan argues that the elusive ideal of fiscal equity in spite of dissent from richer provinces has helped preserve Canada as a united nation Janigan goes back to Confederation to trace the escalating tensions among the provinces across decades as voters demanded more services to survive in a changing world She also uncovers the continuing contacts between Canada and Australia as both dominions struggled to placate disgruntled member states and provinces that blamed the very act of federation for their woes By the mid twentieth century trapped between the demands of social activists and Quebec s insistence on its right to run its own social programs Ottawa adopted non conditional grants in compromise The history of equalization in Canada has never been fully explored Introducing the idealistic Canadians who fought for equity along with their radically different proposals to achieve it The Art of Sharing makes the case that a willingness to share financial resources is the real tie that has bound the federation together into the twenty first century

**Goodlands** Frances W. Kaye, 2011 Amer European settlement of the Great Plains transformed bountiful Native soil into pasture and cropland distorting the prairie ecosystem that the peoples who originally populated the land had long understood and were able to use wisely Settlers justified this transformation with the unexamined premise of deficiency according to which the vast area of the Great Plains was inadequate in flora and fauna and lacking in the advances of modern civilization Drawing on history literature art and economic theory Frances W Kaye counters the argument of deficiency pointing out that in its original ecological state no region can possibly be incomplete Goodlands examines the settlers misguided theory discussing the ideas that shaped its implementation the forces that resisted it and Indigenous ideologies about what it meant to make good use of the land By suggesting methods for redeveloping the Great Plains that are based on native cultural values Kaye points the way to a balanced and sustainable future for the region in the context of a changing globe Frances W Kaye is professor of English at the University of Nebraska She is the author of Hiding the Audience Arts and Arts Institutions on the Prairies Kaye divides her time between a farmstead outside Lincoln Nebraska and a house in Calgary so that she may always be close to the prairie land that drives her research

The Worldly Years John English, 2011-09-14 His life changed that of his nation John English illuminates the years of Lester Pearson s greatest eminence and vividly explores his life and times His period as prime minister was to prove one of the most decisive in our history and his policies helped shape Canada s foremost international statesman The Lester Pearson who emerges from the account of these momentous years from the Korean War through the tumultuous sixties to his death in 1972 is a complex paradoxical figure A man uneasy with ambition who shunned the flamboyance of his arch rival Diefenbaker Pearson nevertheless competed for the most glittering prize in Canadian political life World recognition brought him the Nobel Peace Prize yet in his battle to maintain independence for his country he deliberately incurred the wrath of its powerful traditional allies particularly Lyndon Johnson whom he heartily disliked He was oddly unprepared personally to take

on Canada's highest political office and led the Liberal Party to the worst defeat in its history yet went on to sponsor astonishing far reaching changes in Canadian society bilingualism biculturalism medicare modern Canadian nationalism and co operative federalism all innovations of the Pearson years And while he has been called our greatest prime minister other see him as the leader of a government that created many of Canada's discontents and crises and scandals that swirled about him Most paradoxically of all perhaps this unassuming man became a national icon winning a lasting place in the hearts and minds of a generation of Canadians In this second volume of his award winning biography John English has had remarkable access to Pearson's personal and political papers drawing on the letters and diaries and private papers of a host of his contemporaries and on personal interviews with his family and friends rivals and foes alike The result is a compellingly readable a richly detailed portrait of Canada and of a remarkable Canadian whose impact was immense *Challenging Frontiers* Lorry W. Felske, Beverly Jean Rasporich, 2004 *Challenging Frontiers* The Canadian West is a multidisciplinary study using critical essays as well as creative writing to explore the conceptions of the West both past and present Considering topics such as ranching immigration art and architecture as well as globalization and the spread of technology these articles inform the reader of the historical frontier and its mythology while also challenging and reassessing conventional analysis

**Federalism and the Constitution of Canada** David E. Smith, 2010-10-30 The Canadian system of federalism divides the power to govern between the central federal parliament and the provincial and territorial legislative assemblies In what can be seen as a double federation power is also divided culturally between English and French Canada The divisions of power and responsibility however have not remained static since 1867 The federal language regime 1969 for example reconfigured cultural federalism generating constitutional tension as governments sought to make institutions more representative of the country's diversity In *Federalism and the Constitution of Canada* award winning author David E Smith examines a series of royal commission and task force inquiries a succession of federal provincial conferences and the competing and controversial terms of the Constitution Act of 1982 in order to evaluate both the popular and governmental understanding of federalism In the process Smith uncovers the reasons constitutional agreement has historically proved difficult to reach and argues that Canadian federalism in practice has been more successful at accommodating foundational change than may be immediately apparent

The Top Books of the Year Federalism And Political Community Essays In Honour Of Donald Smiley The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have captivated audiences this year. Federalism And Political Community Essays In Honour Of Donald Smiley : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.

### **Federalism And Political Community Essays In Honour Of Donald Smiley Introduction**

In today's digital age, the availability of Federalism And Political Community Essays In Honour Of Donald Smiley books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Federalism And Political Community Essays In Honour Of Donald Smiley books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Federalism And Political Community Essays In Honour Of Donald Smiley

books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Federalism And Political Community Essays In Honour Of Donald Smiley versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Federalism And Political Community Essays In Honour Of Donald Smiley books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Federalism And Political Community Essays In Honour Of Donald Smiley books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Federalism And Political Community Essays In Honour Of Donald Smiley books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Federalism And Political Community Essays In Honour Of Donald Smiley books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for

continuous learning and self-improvement. So why not take advantage of the vast world of Federalism And Political Community Essays In Honour Of Donald Smiley books and manuals for download and embark on your journey of knowledge?

### **FAQs About Federalism And Political Community Essays In Honour Of Donald Smiley Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility.
