The Valley A.M. Linden,2025-07-30 Llwdawanden is a hidden sanctuary where remnants of a once powerful pagan cult carry on their ancient ritual practices supported by a small but faithful following of servants craftsmen and laborers Cut off from the outside world by both geography and conviction the Druids of Llwdawanden continue to venerate the Great Mother Goddess and to view themselves as the first born and favorite of Her mortal children While the belief that the most important of all divine beings gave birth to their ancestors and that Her spirit inhabits the body of their highest priestess is a tenuous conclusion in view of their reduced lot in life the Druids of Llwdawanden believe it and are for the most part committed to carrying on the traditions handed down to them by their forbears Herrwn the shine s chief priest and master

bard has the responsibility of overseeing the education of Caelym the orphaned son of the cult's previous chief priestess as well as keeping the peace within the upper ranks of their order two tasks that grow more difficult as the rivalry over which of the three highest priests will claim Caelym as his disciple grows and as mounting conflicts between the current chief priestess and her only living daughter threaten to rend the fabric of a society that has endured for more than a millennium

Simple Mysteries Coyote Redeagle, 2014-09-17 Simple Mysteries was written from an inspiration and a need to share my perspective on life at the time to members of the pagan and human communities This book is designed to give those both new to spirituality a foundation to start from as well as giving the human community a peek into this world in hopes of understanding and acceptance My hope is that people will not sit and debate over what is right or wrong with the book for it is all from my perspective my training and my experiences *The Great Sibling Rivalry: Volume 2* William J.

Smith, 2016-08-23 Now that little Carol Anne Smith is going from a baby to a toddler she is growing by leaps and bounds and with her abilities growing and being fine tuned that also means that her sibling rivalry with her big brother Andrew is also growing and reaching new heights as Carol Anne learns to defend herself and fight back and give as good as she gets It then therefore begs the question Will there ever be hope for a sibling truce before Carol Anne's second birthday in July 2016 or will both little siblings just keep on fighting as their rivalry escalates to new dizzying height Overbearing Snake King Jia

Yimingtang, 2020-01-09 After taking a bath a Snake King came out of the water Heavens she had never thought about the body of a snake never played with the emotions of a snake and never had the guts to fall in love with a snake Why did this snake tightly wrap itself around her accusing her of looking at his lower body and being responsible for him Faint Even if he saw the snake tail he still felt guilty Unfortunately the weak did not have the right to speak and Ling Little Bunny was still stripped of her clothes and placed in an array on the spot His technique was so fast and nimble that it could make anyone's hair stand on end After making her want to die from the pain a certain snake actually transformed into a snake and wrapped around her body letting her sleep soundly for 16 hours What him he was using her as a pillow A shameless snake saying Everyone needs a private pillow when they sleep However his requirements for quality were higher This cute Beautiful Girl of the hot spring completely met all of his requirements Her body was very soft and her soul was very quiet and clean Hugging her she slept peacefully until dawn Years of insomnia and a heart attack *The Methuselah Solution* William O. Harris

III, 2000-11-06 As the prison population grows exponentially in the U S today writer Bill Harris has captured the politics of the prison system and found a revolutionary answer in his futuristic novel *The Methuselah Solution* One of the story's two protagonists Dr Cynthia Turner is a rising star at the Institute where she supervises the administration of a new form of alternative sentencing an aging serum developed to replace multiple years of costly confinement with the injection of a drug that rapidly ages convicted felons to their prescribed sentence The serum is a favorite with politicians but the bane of powerful companies long profiting from the spiraling expansion of prison construction The serum is in its sixth year of use

when the problems start A time when prisons have become a place where aged felons can readjust to life with weaker bones slower pulses and mottled minds Except for the antagonist Joshua Howard A career criminal Joshua is clever attractive self righteous and has been sentenced to be aged twenty years for embezzlement Dr Turner watches with a mixture of awe and horror as Joshua is over aged thirty years leaving his body far weaker than his spared mind Dr Turner and her boss Dr Kenneth Lambert attempt to deal with Joshua and another prisoner Patricia Bennett a former Olympic Gymnast who killed her husband while responding to the encouragement of her dead father The Institute is now faced with the epic task of confronting Patricias Olympic strength and the determination of Joshuas contempt and rage What happens inside the underground prison throughout the story would remain as silent and deadly to the population of Texas as the Ebola virus was to Reston Virginia except for the disorganized attempts of the second protagonist Alexis Troutman Alex is a local reporter who has begun to oppose the use of the aging serum and attempts to enlist Dr Turners help to rectify the prisons problems The Institute is racing to develop an antidote to counteract over aging reactions the only problem is that Joshua gets to the antidote first The apocalyptic conclusion explodes when Alex enters the Institute as Joshua and Patricia embark on a reign of terror and vengeance after securing the antidote
