Soviet Union, 1941-1945*

Hubert P. van Tuyl

Feeding The Bear American Aid To The Soviet Union 1941 1945

Richard Bosworth, Joseph Maiolo

Feeding The Bear American Aid To The Soviet Union 1941 1945:

Feeding the Bear Hubert P. Van Tuyl, 1989-09-25 When the German army invaded Russia in June 1941 the United States Lend Lease system was already in place to aid friendly powers at war and thereby promote the defense of the U S Enacted so that the U S could lend war material to Britain the system allowed the transfer of weapons machinery agricultural products and other defense items Although politically and practically difficult Lend Lease was also extended to the Soviets and in *Feeding the Bear* van Tuyl studies the rarely scrutinized subject of the military impact of Lend Lease on Russian efforts to repel the Nazi invaders In the post war period many histories memoirs scholarly studies and polemics on the Eastern Front by German American and Soviet authors have appeared but no comprehensive American official history of the Lend Lease program was ever published Van Tuyl uses a wealth of data from many sources including some from the substantial Military Mission files declassified as recently as 1983 to assess the long neglected issue of the actual impact of Lend Lease aid on Soviet victory on the Eastern Front By synthesizing the many types of technical information economic data and statistics van Tuyl is able to formulate challenging conclusions regarding the program s impact The difficulty in making this assessment was compounded not only by an almost fifty year perspective but also because Soviet information on its military situation army or internal economic conditions was scarce and often dismissive of foreign aid The Germans viewed their failure as due to weather numbers Hitler s errors inadequate intelligence or lack of gasoline and not to Soviet expertise in the immense offensives of 1943 1945 Among the ten chapters there are considerations of the complicated Soviet view of Lend Lease analyses of the technical aspects and explorations not only of the overall impact but also of the effect on decisive battles such as Stalingrad and Berlin The introduction provides a thorough grounding in the background of the Lend Lease program and surveys other treatments of the subject The appendix contains over 45 valuable tables that provide data on every aspect of Lend Lease including exports by region value of U S shipments to the Soviet Union deliveries of food clothing and medicine and estimated Soviet production capacity among others This is truly a landmark volume that will be consulted and read avidly by students and scholars of European and American History and World War II in particular as well as those involved with Military History Soviet Studies Soviet Economic History and U S Soviet Relations

Alaska at War, 1941-1945 Fern Chandonnet, 2007-09-15 Over the course of the past two hundred years only one United States territory has experienced foreign occupation Alaska Available for the first time in paperback *Alaska at War* brings readers face to face with the North Pacific front in World War II Wide ranging essays cover the war as seen by Alaskan eyes including the Japanese invasion of the Attu and Kiska islands the effects of the war on Aleutian Islanders and the American campaign to recover occupied territory Whether you re a historian or a novice student interested in this pivotal period of American history *Alaska at War* provides fascinating insight into the background history and cultural impact of war on the Alaskan homefront

Arms for Russia & The Naval War in the Arctic, 1941-1945 Andrew Boyd, 2024-11-30 This major new work fundamentally

reassesses the operations by the Western allies to deliver war supplies to Russia via the Arctic sea route between 1941 and 1945 It explores the motives underpinning Western aid its real impact on the Soviet war effort and its influence on wider Allied and German strategy as the war developed It brings to life key participants political and military describes the interaction of intelligence with high policy and tactics and brings a fresh perspective to key events including the notorious convoy PQ 17 The book disputes the long standing view that aid to Russia was essentially discretionary lacking military rationale and undertaken primarily to meet political objectives with only a minor impact on Soviet war potential It shows that aid was always grounded in strategic necessity with the Arctic supply route a constant preoccupation of British and American leaders absorbing perhaps twenty per cent of Royal Navy resources after 1941 and a significant share of Allied merchant shipping badly needed in other theaters The Soviet claim determinedly promoted through the Cold War that aid was marginal still influences attitudes in Vladimir Putin s Russia and contemporary Western opinion It even resonates through the present war in Ukraine Andrew Boyd demonstrates that in reality Western aid through the Arctic was a critical multiplier of Soviet military power throughout the war and perhaps even enabled Russia s very survival in 1942 and he makes plain that the British contribution to the aid effort was greater than generally acknowledged The book also emphasises that the Arctic conflict was not framed solely by the supply convoys important though they were British German and Russian operations in a theater defined by Adolph Hitler in early 1942 as the zone of destiny were shaped by other perceived opportunities and threats For instance Germany concentrated its fleet in Norway to forestall a potential British attack while attempting land offensives to cut Russia s links with its northern ports It also had vital raw materials to protect Britain explored potential operations with Russia to dislodge Germany from the Arctic coast and sever her access to important resources Elegantly written written and incorporating many new perspectives on the Arctic theater this new work should find a place on the shelves of every historian scholar and enthusiast whose interests extend to the Russian dimension of the Second World War

The Great Patriotic War of the Soviet Union, 1941-45 Alexander Hill, 2008-12-10 This book consists of extracts from key documents along with commentary and further reading on the Great Patriotic War of the Soviet Union against Nazi Germany 1941-45 Despite the historical significance of the war few Soviet documents have been published in English This work provides translations of a range of extracts from Soviet documents relating to the titanic struggle on the Eastern Front during World War II with commentary This is the only single volume work in English to use documentary evidence to look at the Soviet war effort from military political economic and diplomatic perspectives The book should not only facilitate a deeper study of the Soviet war effort but also allow more balanced study of what is widely known in the West as the Eastern Front This book will be of much interest to students and scholars of military history Soviet history and World War II history

The A to Z of U.S. Diplomacy from World War I through World War II Martin Folly, Niall Palmer, 2010-04-20 The period from the outset of World War I to the end of World War II was among the most significant in the history of the United

States Twice it was drawn into foreign entanglements wars it initially thought were no concern of its own and of which it tried to steer clear only to realize that it could not stand aside With each one it geared up in record time entered the fray massively and was crucial to the outcome Each war tested the American people and their leaders and in each case the country came out of the conflagration stronger than before and even more important yet stronger relative to other countries than it had ever been This was the period when the United States became a world leader The A to Z of U S Diplomacy from World War I through World War II relates the events of this crucial period in U S history through a chronology an introductory essay and over 600 cross referenced dictionary entries on key persons places events institutions and organizations

A World at Total War Roger Chickering, Stig Förster, Bernd Greiner, German Historical Institute (Washington, D.C.), 2005 This volume presents the results of a conference on the history of total war

Operation Barbarossa and Germany's Defeat in the East David Stahel, 2009-09-10 Operation Barbarossa the German invasion of the Soviet Union began the largest and most costly campaign in military history Its failure was a key turning point of the Second World War The operation was planned as a Blitzkrieg to win Germany its Lebensraum in the east and the summer of 1941 is well known for the German army's unprecedented victories and advances Yet the German Blitzkrieg depended almost entirely upon the motorised Panzer groups particularly those of Army Group Centre Using archival records in this book David Stahel presents a history of Germany's summer campaign from the perspective of the two largest and most powerful Panzer groups on the Eastern front Stahel's research provides a fundamental reassessment of Germany's war against the Soviet Union highlighting the prodigious internal problems of the vital Panzer forces and revealing that their demise in the earliest phase of the war undermined the whole German invasion

The Dictators: Hitler's Germany, Stalin's Russia Richard Overy, 2006-01-17 A book of great importance it surpasses all others in breadth and depth Commentary If the past century will be remembered for its tragic pairing of civilized achievement and organized destruction at the heart of darkness may be found Hitler Stalin and the systems of domination they forged Their lethal regimes murdered millions and fought a massive deadly war Yet their dictatorships took shape within formal constitutional structures and drew the support of the German and Russian people In the first major historical work to analyze the two dictatorships together in depth Richard Overy gives us an absorbing study of Hitler and Stalin ranging from their private and public selves their ascents to power and consolidation of absolute rule to their waging of massive war and creation of far flung empires of camps and prisons The Nazi extermination camps and the vast Soviet Gulag represent the two dictatorships in their most inhuman form Overy shows us the human and historical roots of these evils

Endgame 1944 Jonathan Dimbleby, 2024-05-23 THE INSTANT SUNDAY TIMES BESTSELLER This book is his best yet Dimbleby's work is in a different league told with such skill and judgment Dominic Sandbrook Sunday Times A gripping and authoritative account of the year that sealed the fate of the Nazis from the bestselling historian June 1944 In Operation Bagration more than two million Red Army soldiers facing 500 000 German

soldiers finally avenged their defeat in Operation Barbarossa in 1941 The same month saw the Allies triumph on the beaches of Normandy but despite the myths that remain it was the events on the Eastern Front that sealed Hitler's fate and destroyed Nazism In his new book bestselling historian Jonathan Dimpleby describes and analyses this momentous year covering the military political and diplomatic story in his evocative style Drawing on previously untranslated German Russian and Polish sources we see how sophisticated new forms of deception and ruthless Partisan warfare shifted the Soviets fortunes how their triumphs effectively gave Stalin authority to occupy Eastern Europe and how it was the events of 1944 that enabled Stalin to dictate the terms of the post war settlement laying the foundations for the Cold War Mr Dimpleby is a sure footed guide to the labyrinthine military operations along a front line that extended nearly 2 000 miles from the Baltic to the Black Sea Wall Street Journal Terrific a tour de force Sir Richard Evans Military history at its very best Keith Lowe Sunday Time Bestseller June 2024

The Cambridge History of the Second World War: Volume 2, Politics and Ideology Richard Bosworth, Joseph Maiolo, 2015-04-23 War is often described as an extension of politics by violent means With contributions from twenty eight eminent historians Volume 2 of The Cambridge History of the Second World War examines the relationship between ideology and politics in the war's origins dynamics and consequences Part I examines the ideologies of the combatants and shows how the war can be understood as a struggle of words ideas and values with the rival powers expressing divergent claims to justice and controlling news from the front in order to sustain moral and influence international opinion Part II looks at politics from the perspective of pre war and wartime diplomacy as well as examining the way in which neutrals were treated and behaved The volume concludes by assessing the impact of states politics and ideology on the fate of individuals as occupied and liberated peoples collaborators and resisters and as British and French colonial subjects

Hitler's Great Gamble James Ellman, 2019-09-20 On June 22 1941 Hitler invaded the Soviet Union in Operation Barbarossa one of the turning points of World War II Within six months the invasion bogged down on the outskirts of Moscow and the Eastern Front proved to be the decisive theater in the defeat of the Third Reich Ever since most historians have agreed that this was Hitler's gravest mistake In Hitler's Great Gamble James Ellman argues that while Barbarossa was a gamble and perverted by genocidal Nazi ideology it was not doomed from the start Rather it represented Hitler's best chance to achieve his war aims for Germany which were remarkably similar to those of the Kaiser's government in 1914 Other options such as an invasion of England or an offensive to seize the oil fields of the Middle East were considered and discarded as unlikely to lead to Axis victory In Ellman's recounting Barbarossa did not fail because of flaws in the Axis invasion strategy the size of the USSR or the brutal cold of the Russian winter Instead German defeat was due to errors of Nazi diplomacy Hitler chose not to coordinate his plans with his most militarily powerful allies Finland and Japan and ensure the seizure of the ports of Murmansk and Vladivostok Had he done so Germany might well have succeeded in defeating the Soviet Union and perhaps winning World War II Drawing on a wealth of primary and secondary sources including many

recently released Hitler's Great Gamble is a provocative work that will appeal to a wide cross section of World War II buffs enthusiasts and historians **The Rise and Fall of the Grand Alliance, 1941-45** Ann Lane,Howard

Temperley,1996-02-12 This collection by leading British and American scholars on twentieth century international history covers the strategy diplomacy and intelligence of the Anglo American Soviet alliance during the Second World War It includes the evolution of allied war aims in both the European and Pacific theatres the policies surrounding the development and use of the atomic bomb and the evolution of the international intelligence community It also considers the origins and consequences of inter allied economic relations as they emerged during the war and the personal relationship between Winston Churchill and Franklin D Roosevelt History of Alaska , Volume II Jonathan M. Nielson, Ph.D.,2018-03-01 The most significant military development to touch Alaska during the interwar years was the advent of air power an innovation that completely altered Alaska's strategic position Suddenly the world became smaller as areas once thought safely distant from potential enemies became vulnerable Nowhere was this more evident than in the Pacific whose countless islands became potential advanced air bases As air technology improved the ability of long range bombers and by the 1930s of carrier aircraft to penetrate American airspace was a development of far reaching significance While such warnings were largely limited to a handful of air power advocates their vocal advocacy constituted nothing less than an insurrection a revolution in military thinking fought against entrenched military conservatism cultural aversion to change fears of budget cuts and War Department lethargy Indeed it was the air power crusader General Billy Mitchell who aggressively fought to convince the War and Navy Departments to embrace the new doctrine of offensive air power Mitchell came to understand Alaska's strategic importance early on Consequently he saw the Aleutians as a vulnerability if left unguarded Japan could creep up and by establishing air dominance take Alaska and Canada's West Coast But he also saw Alaska as a strategic base from which American planes could reduce Tokyo to powder Prophetically in 1923 Mitchell forecast precisely the military threat and strategic arguments that would shape military thinking almost twenty years later I am thinking of Alaska In an air war if we were unprepared Japan could take it away from us first by dominating the sky and creeping up the Aleutians By the mid to late 1930s military and civilian advocates of air power and more visionary strategists were beginning to make their voices heard in Congress and elsewhere decrying Alaska's military vulnerability Between 1933 and 1944 no one was more adamant than Alaska's Delegate in Congress Anthony Joseph Tony Dimond who challenged the nation to defend itself by defending Alaska To Dimond it seemed poor strategy to fortify one pacific base Hawaii while ignoring another Alaska Dimond's campaign was strengthened by passage of the Wilcox Bill sponsored by Representative J Mark Wilcox D Florida officially known as the National Air Defense Act This truly significant legislation authorized the location and construction of military airfields throughout the United States as a general defense preparedness measure Alaska was recognized as one of the nation's six strategic regions and two bases one at Anchorage the other at Fairbanks were recommended in part because

Alaska was closer to Japan than it is to the center of the continental United States. Fortunately for Alaska defense advocates General Douglas MacArthur stepped down as Chief of Staff of the Army and was replaced by Major General Malin Craig in October 1935. Craig and Brigadier General Stanley D. Embick advocated a substantial reconfiguration of Plan Orange, arguing that the Philippines presented an invitation to attack and should be neutralized in favor of defending the Alaska-Hawaii-Panama Triangle. Both the Army and Navy were charged with defending Alaska as far west as Dutch Harbor, and the Army pledged to mobilize 6,600 troops in Alaska within a month of attack by Japan. In contemplating the defense of Alaska, the Army General Staff formulated five priority objectives: first, increase the Alaska garrison; second, establish a major base for Army operations near Anchorage; third, develop a network of air bases within Alaska; fourth, garrison these bases with combat troops; and fifth, protect the naval installations at Sitka, Kodiak, and Dutch Harbor. Alaska was about to go to war. **John William**

McCormack Garrison Nelson, 2017-03-23. In the first biography of U.S. House Speaker John W. McCormack, author Garrison Nelson uncovers previously forgotten FBI files, birth and death records, and correspondence long thought lost or buried. For such an influential figure, McCormack tried to dismiss the past, almost erasing his legacy from the public's mind. John William McCormack: A Political Biography sheds light on the behind-the-curtain machinations of American politics and the origins of the modern-day Democratic Party facilitated through McCormack's triumphs. McCormack overcame desperate poverty and family tragedy in the Irish ghetto of South Boston to hold the second most powerful position in the nation. By reinventing his family history to elude Irish Boston's powerful political gatekeepers, McCormack embarked on a 1928-1971 House career and from 1939-71 the longest House leadership career. Working with every president from Coolidge to Nixon, McCormack's social welfare agenda, which included Social Security, Medicare, and Medicaid, immigration reform, and civil rights legislation, helped commit the nation to the welfare of its most vulnerable citizens. By helping create the Austin-Boston Connection, McCormack reshaped the Democratic Party from a regional, southern, white Protestant party to one that embraced urban, religiously, and racially diverse ethnics. A man free of prejudice, John McCormack was the Boston Brahmin's favorite Irishman, the South's favorite northerner, and known in Boston as Rabbi John, the Jews' favorite Catholic. **Encyclopedia of the Cold War** Ruud van Dijk, William Glenn Gray, Svetlana Savranskaya, Jeremi Suri, Qiang Zhai, 2013-05-13. Between 1945 and 1991, tension between the USA, its allies, and a group of nations led by the USSR dominated world politics. This period was called the Cold War, a conflict that stopped short of a full-blown war. Benefiting from the recent research of newly open archives, the Encyclopedia of the Cold War discusses how this state of perpetual tensions arose, developed, and was resolved. This work examines the military, economic, diplomatic, and political evolution of the conflict, as well as its impact on the different regions and cultures of the world. Using a unique geopolitical approach that will present Russian perspectives and others, the work covers all aspects of the Cold War, from communism to nuclear escalation and from UFOs to red diaper babies, highlighting its vast, ranging, and lasting impact on international relations as well as on daily life. Although the work will focus on the 1945

1991 period it will explore the roots of the conflict starting with the formation of the Soviet state and its legacy to the present day

The Red Warrior: U.S. Perceptions of Stalin's Strategic Role in the Allied Journey to Victory in The Second World War Reagan Fancher, 2024-09-24 Through U S President Franklin D Roosevelt's Lend Lease program American leaders sought to keep Joseph Stalin's Red Army in the field and fighting Adolf Hitler's forces in the Second World War from 1941 forward Delivered by the Anglo American Arctic naval convoys overland through the Iranian deserts and mountains and through the skies from Alaska to Siberia this much needed material aid helped Stalin's Red Army to continue fighting and thereby prevented a separate peace with Hitler's Germany and a mechanized repeat of the First World War's Brest Litovsk fiasco Yet Roosevelt and other U S officials due to their severe underestimation of Stalin's character and his rigid and fanatical devotion to exporting Communism at gunpoint gambled incorrectly that they could win the Soviet premier's heart and mind through several excessive wartime aid gestures including the furnishing of atomic bomb materials to the Soviet regime By 1945 American leaders had succeeded in their strategic goal of keeping Stalin and his Red Army in the war and hastening victory but failed in their efforts to purchase the Soviet premier's goodwill and commitment to postwar peace heralding the global Cold War and setting the stage for later U S martial aid programs to those resisting aggression abroad In addition to its primary focus on the American leadership's perceptions of Stalin's strategic importance to the Allied war effort in the Second World War this work also includes a detailed assessment of Roosevelt's Soviet Lend Lease program alongside U S President Ronald Reagan's later support for the Afghan Islamic guerrillas resisting Soviet occupation during the Soviet Afghan War of the 1980s and a comparison of both martial aid programs with Washington's recent revival of Lend Lease aid for the Ukrainian war effort It offers today's American leaders and policymakers a chance to consult the lessons of history and apply them in the present

The Concise Encyclopedia of World War II Cathal J. Nolan, 2010-04-22 A comprehensive and integrated military political and strategic history of World War II ranging from the daily life of conscripts and civilians to operational and strategic decision making at the highest levels Filled with up to date scholarship yet supremely manageable and accessible The Concise Encyclopedia of World War II offers the opportunity to explore a conflict that remains a source of fascination for scholars students and general readers alike From the battlefields to the corridors of power from the barracks to the home front The Concise Encyclopedia of World War II provides a complete portrait of the war Entries not only address major battles and campaigns but political economic and cultural issues as well plus brief portraits of the conflict's commanding personalities Its global perspective notably corrects the usual Western focus of World War II studies incorporating a wealth of information on often underreported topics such as the Eastern Front and the Sino Japanese War

Historical Dictionary of World War II Anne Sharp Wells, 2013-12-24 This dictionary covers the complex and costly conflict that began when Germany ruled by Adolf Hitler and the Nazi Party invaded neighboring Poland on 1 September 1939 and concluded when Germany surrendered on 7 9 May 1945 leaving much of the European continent in ruins and its

population devastated The war against Germany Italy and the other European Axis members was fought primarily in Europe the Mediterranean the Middle East East and North Africa and the Atlantic Ocean The Axis powers were defeated by the Allies led by the Grand Alliance of Great Britain the United States and the Union of Soviet Socialist Republics The Historical Dictionary of World War II The War against Germany and Italy relates the history of this war through a chronology an introductory essay maps and photos and an extensive bibliography The dictionary section has more than 300 cross referenced entries on the countries and geographical areas involved in the war as well as the nations remaining neutral wartime alliances and conferences significant civilian and military leaders and major ground naval and air operations This book is an excellent access point for students researchers and anyone wanting to know more about World War II

Feeding The Bear American Aid To The Soviet Union 1941 1945 Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Feeding The Bear American Aid To The Soviet Union 1941 1945 PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process.

and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Feeding The Bear American Aid To The Soviet Union 1941 1945 PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Feeding The Bear American Aid To The Soviet Union 1941 1945 free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
