

Feeling Sinister

Siddappa N.Byrareddy

Feeling Sinister:

Belle & Sebastian's If You're Feeling Sinister Scott Plagenhoef,2007-09-15 If You re Feeling Sinister includes interviews with band members producers management and a range of fans and provides perspective on how Belle Sebastian transformed themselves over the space of a decade from an underground slightly shambolic cult secret into a polished highly entertaining mainstream pop group

From Wallflowers to Bulletproof Families Abbye E. Meyer,2022-02-04 Uses of disability in literature are often problematic and harmful to disabled people This is also true of course in children s and young adult literature but interestingly when disability is paired and confused with adolescence in narratives compelling complex arcs often arise In *From Wallflowers to Bulletproof Families The Power of Disability in Young Adult Narratives* author Abbye E Meyer examines different ways authors use and portray disability in literature She demonstrates how narratives about and for young adults differ from the norm With a distinctive young adult voice based in disability these narratives allow for readings that conflate and complicate both adolescence and disability Throughout Meyer examines common representations of disability and more importantly the ways that young adult narratives expose these tropes and explicitly challenge harmful messages they might otherwise reinforce She illustrates how two dimensional characters allow literary metaphors to work while forcing texts to ignore reality and reinforce the assumption that disability is a problem to be fixed She sifts the freak characters often marked as disabled and she reclaims the derided genre of problem novels arguing they empower disabled characters and introduce the goals of disability rights movements The analysis offered expands to include narratives in other media nonfiction essays and memoirs songs television series films and digital narratives These contemporary works affected by digital media combine elements of literary criticism narrative expression disability theory and political activism to create and represent the solidarity of family like communities

[All Music Guide](#) Vladimir Bogdanov,Chris Woodstra,Stephen Thomas Erlewine,2001-11 Arranged in sixteen musical categories provides entries for twenty thousand releases from four thousand artists and includes a history of each musical genre

Thiers, Frederic Shoberl, 1842 *George Michael's Faith* Matthew Horton, 2022-05-05 On Saturday June 28 1986 George Michael picked up his tasselled leather jacket walked out of London's Wembley Stadium and cheerfully tore up five years of glittering pop history He'd just disposed of Wham the band he'd formed with school friend Andrew Ridgeley when they were teenagers and now at 23 he knew he was all grown up He just needed to convince everyone else Faith is what happens when you've outstripped your dreams your peers your friends and your fans and no one's caught up yet It's about pouring all of that confusion insecurity and sizzling ambition into music that comes out confused insecure and ambitious and then selling 25 million copies of it George Michael was always preparing for this and in the process he set a template for all disaffected singers making that move This book examines that model and the themes that went into Faith from engaging in politics to crossing over to a Black audience and writing classic pop songs to endure and speaks to the surviving key players to tell the story of how it was made **Koji Kondo's Super Mario Bros. Soundtrack** Andrew Schartmann, 2015-05-21 Koji Kondo's Super Mario Bros 1985 score redefined video game music With under three minutes of music Kondo put to rest an era of bleeps and bleeps the sterile products of a lab environment replacing it with one in which game sounds constituted a legitimate form of artistic expression Andrew Schartmann takes us through the various external factors e.g. the video game crash of 1983 Nintendo's marketing tactics that coalesced into a ripe environment in which Kondo's musical experiments could thrive He then delves into the music itself searching for reasons why our hearts still dance to the primitive 8-bit tunes of a bygone era What musical features are responsible for Kondo's distinct Mario sound How do the different themes underscore the vastness of Princess Peach's Mushroom Kingdom And in what ways do the game's sound effects resonate with our physical experience of the world These and other questions are explored within through the lens of Kondo's compositional philosophy one that would influence an entire generation of video game composers As Kondo himself stated we at Nintendo were trying to do something that had never been done before In this book Schartmann shows his readers how Kondo and his team not just succeeded but heralded in a new era of video games Phish's A Live One Walter Holland, 2015-10-22 Twenty years after its release Phish's double CD collection A Live One has something rare and precious going for it it still doesn't sound like anybody else Oversized perverse requiring an unusual amount of listener background knowledge Yes to all Yet the collective improvisations it captures unprecedentedly coherent yet freewheeling and open ended are unique in rock n roll This book considers the music and moment of Phish's ecstatically inventive 1995 live document a mix of weirdo acid psych ambient moonscapes vaudevillian Americana and riotous arena rock energy all filtered through bandleader Trey Anastasio's screwball compositional sensibility and the band's idiosyncratic approach to spontaneous group creativity It places Phish and their fandom in historical and cultural context and picks apart the mechanics of their extended group jams And it examines the mystery of how a quartet of nice boys from Burlington VT could have been all at once one of America's biggest touring acts and one of its best kept secrets **33 1/3 Greatest Hits, Volume 2** David

Barker,2007-10-15 The second compendium of extracts from Continuum s acclaimed and successful 33 1 3 series Volume 2 features 20 sharp savvy and very different writers takes on albums by Neutral Milk Hotel Sonic Youth My Bloody Valentine David Bowie the Pixies the Beastie Boys Nirvana R E M the Band and many more A perfect gift for the music lover in your life

Sleater-Kinney's Dig Me Out Jovana Babovic,2016-05-19 Sleater Kinney s 1997 album Dig Me Out is built on Corin Tucker and Carrie Brownstein s competing guitars Janet Weiss s muscular rhythms and layered vocals that teeter between an urgent banshee like vibrato and a lower accompaniment Dig Me Out was the band s third studio album but the first one written and recoded with Weiss It inaugurated Sleater Kinney into a lineup that would span its two decade career This 33 1 3 follows the narrative of Dig Me Out from its inception in Olympia to its recording in Seattle and its reception across the United States It s anchored in a short period of time roughly from mid 1996 to mid 1998 but it encompasses a series of battles over meaning that continued to preoccupy Sleater Kinney in the coming decades The band wrestled with the media about how they would be presented to the public it contended with technicians about how their sound would be heard in clubs and they struggled with pervasive social hierarchies about how their work would be understood in popular culture The only instance where the band didn t have to put up much of a fight was when it came to their fans The acclaim Sleater Kinney received from their listeners in the late 1990s and continue to receive today speaks to a need for icons who challenged normative notions of culture and gender This story of Dig Me Out chronicles how Sleater Kinney won the fight to define themselves on their own terms as women and as musicians and in the process how they redefined the parameters of rock *Belle and Sebastian* Paul

Whitelaw,2024-06-04 In the years since their first release Belle and Sebastian have grown from a secretive cult concern into one of the most beloved and revered pop n roll bands in the world Intelligent and sensitive witty and original beautiful and bold their music inspires the kind of devotion not seen since The Smiths Their continuing desire to push the boundaries of their vision has resulted in some of the most essential and idiosyncratic records of recent times In this the first biography of Belle and Sebastian Paul Whitelaw traces their unpredictable personal and creative curve With all original interviews and personal photos from the band Belle and Sebastian Just A Modern Rock Story is the definitive account of the clandestine world and continuing rise of the unique and fascinating musical phenomenon that is Belle and Sebastian *Adults* Kieran

Hurley,2023-08-15 Everyone always grows up thinking it s the end of the world The only difference with you lot is you think it makes you special A black comedy that is by turns explosive and tender Adults follows acclaimed playwright Kieran Hurley s TravFest19 smash hit Mouthpiece Amongst a raft of anonymous Airbnbs in Edinburgh thirty something Zara is running her own business and trying to make her way in the world A new client has just arrived but her colleague is running late Tensions are high Also the business is a brothel the client is her old teacher and her colleague is having an existential panic attack about growing up They re all convinced that they re the most hard done by and that the mess of a world that s around them definitely isn t their fault But maybe something has to break between them before anything can really change Adults is a raw

darkly funny play about alienation loneliness growing up growing old and the human need for connection intimacy and acceptance to survive in a world that fails you This edition was published to coincide with the world premiere at the Traverse Theatre during the Festival in August 2023 **Hearing Luxe Pop** John Howland, 2021-06-08 Hearing Luxe Pop explores a deluxe production aesthetic that has long thrived in American popular music John Howland presents an alternative music history that centers on shifts in timbre and sound through innovative uses of media orchestration and arranging He travels from symphonic jazz to the Great American Songbook teenage symphonies of the Motown label and 1960s girl groups to the emerging countrypolitan sound of Nashville the sunshine pop and baroque pop of the Beach Boys to the blending of soul and funk into 1970s disco the hip hop with orchestra events of Jay Z and Kanye West to indie rock bands with the Brooklyn Philharmonic The luxe aesthetic merges popular music idioms with lush string orchestrations big band instrumentation and symphonic instruments This book attunes readers to hearing the discourses that gathered around the music and its associated images and in turn examines pop's relations to aspirational consumer culture spectacle theatricality glamour sophistication cosmopolitanism and classy lifestyles
