Victorious Christian Living Dr. Alfred Ee, Sandra Ee, 2014-01-13 The core values of life matters What we are internally will come out externally in all areas of our life The degree and amount of success blessings or money you have is determined by what is inside you It is a fact of nature that what one believes and how you think will Produce Everything else in your life If you Believe you cant you succeed in life that's it its Not Complicated As a man thinks so is he Reproducing We are what we Believe Inside Actually on the outside The Ability to Overcome is a Characteristic of successful people and They think Differently when the face or with REGARD to the problems of life we all face Roman 12 V 21 We are called to overcome and it means we can and must overcome to succeed in life Successful people look for challenges and mountains to climb but refuse to be intimidated or give up their dreams and goals James 1 v 2 4 How are we perfected and become strong It is how we think and how we overcome in life as we face the issues that are seemingly contradictions or perplexing which is an apposing force The successful in life the more problems you have to solve and

encounter is a law of nature But the more problems you solve the better life becomes There is a Time to hold on and a time to Let go in life Life is for living and people who make it all a Drama reveals a need of a Shallow Maturity and empty life and what a Waste to Focus on the Drama and that Miss the Point life is for living and no matter what we are more than conqueror through His love not moaners groaners doubters complainers but are victorious even facing death we triumph We must discern between the urgent emergencies and the vital or important issues of life Stay away from small negative thinking people who only moan and groan who are well meaning but can pollute you and yr happiness or dream We need to be compassionate but we cannot allow dream stealers and hindrances to hold us from a life of success and blessings **Living**

The Renaissance of Feeling Kirk Essary,2024-01-11 Offering a re reading of Erasmus s works this book shows that emotion and affectivity were central to his writings It argues that Erasmus s conception of emotion was highly complex and richly diverse by tracing how the Dutch humanist writes about emotion not only from different perspectives theological philosophical literary rhetorical medical but also in different genres In doing so this book suggests Erasmus provided a distinctive if not unique Christian humanist emotional style Demonstrating that Erasmus consulted multiple intellectual traditions and previous works in his thoughts on affectivity The Renaissance of Feeling sheds light on how understanding emotions in late medieval and early modern Europe was a multi disciplinary affair for humanist scholars It argues that the rediscovery and proliferation ancient texts during the so called renaissance resulted in shifting perspectives on how emotions were described and understood and on their significance for Christian thought and practice The book shows how the very availability of source material coupled with humanists eagerness to engage with multiple intellectual traditions gave rise to new understandings of feeling in the 16th century Essary shows how Erasmus provides the clearest example of such an intellectual inheritance by examining his writings about emotion across much of his vast corpus including literary and rhetorical works theological treatises textual commentaries religious disputations and letters Considering the rich and diverse ways that Erasmus wrote about emotions and affectivity this book provides a new lens to study his works and sheds light on how emotions were understood in early modern Europe

ever since I've been a believer Christianity is not just subjectively true It's objectively true It is factually true and can be proven so beyond a reasonable doubt The third was to highlight some of the lesser known Christians and how God used them to make a difference in our world I hope the lessons contained in this book will bless you as they have blessed me in learning them But even more than that I hope they will draw you closer to Jesus *The Christian Examiner and General Review*
