## **Fellatio Masochism Politics And Love:**

*Fellatio, Masochism, Politics and Love* Leo Abse, 2000 Fellatio one of the most intimate acts possible between man and woman was up to a generation ago for the overwhelming majority in Britain an unspoken of practice today it has become the common coinage of casual sexual exchanges and part of the standard flirtation rituals of our adolescents What is the compulsive need that nowadays compels so many men in Presidential style to risk their whole manhood and place their trust in women who are often little more than strangers to them Why in a contraceptive world able to provide them with safe sex do they choose as balm for their sexual itch a coupling so harzardous and so potentially dangerous to them And why in the era of militant feminism is there such a ready complicity in the practice by so many women Using as illustrative material the political conduct of a number of world leaders and politicians past and present from Mao to Stafford Cripps and Lord Hailsham from Stalin to Enoch Powell Keith Joseph and Reginald Maudling from Robin Cook Gordon Brown and William Hague to Ron Davies and others Leo Abse claims it is that masochism which is now finding expression in the self destructiveness flooding our political landscape and our personal lives BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved [A History of Modern Britain](#) Andrew Marr, 2024-09-04 Sunday Times Bestseller Lively full of rich anecdotes He has the rare gift of being able to explain complex issues in a few crisp sentences Sunday Telegraph A History of Modern Britain confronts head on the victory of shopping over politics It tells the story of how the great political visions of New Jerusalem or a second Elizabethan Age rival idealisms came to be defeated by a culture of consumerism celebrity and self gratification In each decade political leaders think they know what they are doing but find themselves confounded Every time the British people turn out to be stroppier and harder to herd than predicted Throughout Britain is a country on the edge first of invasion then of bankruptcy then on the vulnerable front line of the Cold War and later in the forefront of the great opening up of capital and migration now reshaping the world This history follows all the political and economic stories but deals too with comedy cars the war against homosexuals Sixties anarchists oilmen and punks Margaret Thatcher s wonderful good luck political lies and the true heroes of British theatre His grasp of recent politics and economics is superbly authoritative never better than when discussing Britain s changing relationship with the United States Observer Richer and deeper than television commentary can ever hope to be Daily Mail Includes illustrations and photographs *The Bi-sexuality of Daniel Defoe* Leo Abse, 2020-03-11 This book presents an intriguing and novel Freudian overview of all Daniel Defoe s major works by confronting various psychoanalytic hypotheses regarding Defoe It is an original well documented and compelling cross disciplinary approach to identity issues and creative genius of Defoe **Intimacy Across Visceral and Digital Performance** M.
