In short spiritual discourses ... With ... hymns, original and select* Cornelius SLIM,1852      **The Divine Spirit with the Human Spirit in the Epistles** Witness Lee,2017-03-01 This book covers a great and profound matter the divine Spirit with the human spirit in the Epistles from Romans through the book of Revelation The Epistles come after the four Gospels and the

Acts The Gospels are a full record of the Lord Jesus Christ who He is what He did what He accomplished and what He attained After this the Acts gives us a record of the spread the propagation of this Christ which is the church as the Body of Christ In the four Gospels we have the Head and in the Acts we have the Body the propagation and continuation of the Head After this the twenty two books from Romans to Revelation present a full definition explanation and revelation of the wonderful and mysterious economy of God      Paul, the Founder of Christianity Yoseop Ra,2021-12-01 Although many scholars have studied Paul s theology they have not provided satisfactory interpretation This is because his genuine epistles were studied as they have been left in the New Testament Rather from a redactional point of view Paul the Founder of Christianity approaches Paul s seven epistles Romans 1 Corinthians 2 Corinthians Galatians Philippians 1 Thessalonians and Philemon The book reconstructs his life and uncovers the compilation of sixteen short letters into seven epistles Accordingly these can be divided according to the chronological order of composition When the transformation of Paul s theology is traced one can see a progressive development of Christology the death of Jesus Christ redemption and salvation the Law the end of world the spirit of God and the church of God As a result it can be argued that after the Antioch incident Paul had conflict with the apostles of Jerusalem and founded Christianity for gentiles an argument that is presented in detail based on the evidence found in Paul s sixteen letters      *The Church of England sunday school quarterly magazine* ,1860      Further Talks on the Knowledge of Life Witness Lee,2005-06-01 Consisting of twenty one chapters this book focuses on the matter of life as the central goal of God in the universe It also speaks of how God can be life to man and how man can live an overcoming life unto the maturity in life      *The Routledge Handbook of Pentecostal Theology* Wolfgang Vondey,2020-03-31 Research on Pentecostal and Charismatic Christianity has increased dramatically in recent decades and a diverse array of disciplines have begun to address a range of elements of these movements Yet there exists very little understanding of Pentecostal theology and it is not uncommon to encounter stereotypes and misperceptions Addressing this gap in current research The Routledge Handbook of Pentecostal Theology is an exceptional reference source to the key topics challenges and debates in this growing field of study and is the first collection of its kind to offer a comprehensive presentation and critical discussion of this subject Comprising over forty chapters written by a team of international contributors the Handbook is divided into five parts Contextualizing Pentecostal Theology Sources Theological Method Doctrines and Practices Conversations and Challenges These sections take the reader through a comprehensive introduction to what Pentecostals believe and how they practice their faith Looking at issues such as the core teachings of Pentecostalism concerning Spirit baptism divine healing or eschatology unique practices such as spiritual warfare and worship and less discussed issues such as social justice and gender each chapter builds towards a nuanced and global picture of the theology of the Pentecostal movement The Routledge Handbook of Pentecostal Theology is essential reading for students and researchers in Pentecostal Studies World Christianity and Theology as well as scholars working in contemporary Religious
