**The Female Stress Syndrome** Georgia Witkin,1984 Abstract A self help guide focuses on the many stresses and stress symptoms unique to women The 10 chapters identify the stresses which work on the female mind and body those that are inherent to mothering working aging sex love and marriage Information on endocrinology physiology developmental psychology medicine anthropology and clinical psychology is presented for the layperson Specific advice is given on recognizing and handling stress in different situations e g motherhood widowhood working while children are young The Type A behavior identified in men is also described in women Ways to live with stress are offered along with self help exercises to reduce the effects of stress relaxation techniques and guidelines to help women manage their lives kbc It's Okay to Be Angry Gary J. PhD Oliver,H. Norman DMin Wright,2018-10-16 Did you know that it is okay to get angry In fact anger is a proper and godly response to some of the challenges we face While the Bible admonishes believers to be longsuffering it also shows how anger can be a vital tool in God s hands for bringing about needed change Written specifically for women and counselors this insightful and practical book corrects the popular notion that good Christian women should never get angry not for any reason not at anyone not ever Foreword by Lisa Bevere **The Male Stress**

**Syndrome** Georgia Witkin,1986 **Imported fire ant, 1983-May 1987** Evelyn A. Brownlee,1987 Personnel Supervision (books) 1979-1986 Janet H. Edmonds,1988 Quick Bibliography Series ,1976 **Women, Motherhood and Living with HIV/AIDS** Pranee Liamputtong,2013-03-12 There are about 34 million people worldwide living with HIV AIDS Half are women There has been a dramatic global increase in the rates of women living with HIV AIDS Among young women especially in developing countries infection rates are rapidly increasing Many of these women are also mothers with young infants When a woman is labeled as having HIV she is treated with suspicion and her morality is being questioned Previous research has suggested that women living with HIV AIDS can be affected by delay in diagnosis inferior access to health care services internalized stigma and a poor utilization of health services This makes it extremely difficult for women to take care of their own health needs Women are also reluctant to disclose their HIV positive status as they fear this may result in physical feelings of shame social ostracism violence or expulsion from home Women living with HIV AIDS who are also mothers carry a particularly heavy burden of being HIV infected This unique book attempts to put together results from empirical research and focuses on issues relevant to women motherhood and living with HIV AIDS which have occurred to individual women in different parts of the globe The book comprises chapters written by researchers who carry out their projects in different parts of the world and each chapter contains empirical information based on real life situations This can be used as evidence for health care providers to implement socially and culturally appropriate services to assist individuals and groups who are living with HIV AIDS in many societies The book is of interest to scholars and students in the domains of anthropology sociology social work nursing public health medicine and health professionals who have a specific interest in
