Femi And Old Grandaddie:

African Modernity and the Philosophy of Culture in the Works of Femi Euba Iyunolu Osagie, 2017-06-05 This book is a significant and original contribution to the ongoing conversation on modernity. It uses the creative and critical works of Nigerian playwright and novelist Femi Euba to demonstrate the place and function of African cultures in modernity and makes the case for the vibrancy of such cultures in the shaping and constitution of the modern world. In addition to a critique of Euba's fifty-year artistic career, this book offers an account of Euba's formative relationship with the 1986 Nobel Prize for Literature winner Wole Soyinka during the promising days of the Nigerian theatre in the immediate post-independence period and the effect of this relationship on Euba's artistic choices and reflections. Euba contributes to our understanding of Africa's negotiation of modernity in significant ways, especially in his sensitive reading of Esu, the Yoruba god of fate and chance, as an artistic consciousness whose historical and ideological mobility during New World slavery during Africa's colonial period and in the manifestations in the black diaspora today emblemizes the process we call modernity. By using ritual, myth, and satire as avenues to the debate on modernity, Euba lays emphasis on the transformative possibilities at the crossroads of history. His works engage the psychological interconnections between old gods and new worlds and the dialogic relationship between tradition and modernity. Delineating the philosophical and literary debates that reject an easy division between a stereotypically traditional Africa and a modern West, the author shows how Euba's plays and novel engage the entwined and intimate relationships between the modern and the traditional in contemporary Africa and thereby she asserts the global resonance of Euba's African and specifically Yoruba conception of the world. By meticulously collecting, cataloguing, and critiquing Euba's works, Osagie models a new way of practicing African literary studies and invites us to glimpse narrative genius on the continent that she firmly believes African scholars should both promote and celebrate. **The**

Reading Teacher, 1982 *Bivouac* Kwame Dawes, 2019-04-02 The death of a Jamaican man's father raises questions about the father's political endeavors and about the plight of 1980s Jamaica. Few other novels encapsulate Jamaica's political upheavals so well. Protagonist Ferron Morgan agonizes over his father's death, maybe from a doctor's mistake, maybe from a radical rival's hands. Meanwhile, he's running from everything, including his own emotions about his fiancée, with sad results. *Bivouac* is not an easy or light book, but the immediacy Dawes creates is worth it. Literary Hub included in 5 Books You May Have Missed in April. An examination of grief and politics in a deftly written novel set in 1980s Jamaica. Astonishing prose. Kirkus Reviews. When Ferron Morgan's father dies in suspicious circumstances, his trauma is exacerbated by the conflict within his family and among his father's friends over whether the death was the result of medical negligence or if it was a political assassination. Ferron grew up in awe of his father's radical political endeavors, but in later years he watched as the resurgence of the political right in the Caribbean in the 1980s robbed the man of his faith. Ferron's response to the death is further complicated by guilt, particularly over his failure to protect his fiancée from a brutal assault. He begins to investigate

the direction of his life with great intensity in particular his instinct to keep moving on and running from trouble This is a sharply focused portrayal of Jamaica at a tipping point in its recent past in which the private grief and trauma condenses a whole society's scarcely understood sense of temporariness and dislocation

The Plays of Beth Henley Gene A. Plunka, 2014-11-18 Beth Henley's twelve complete plays three of which have been turned into films have achieved worldwide production At age 29 she produced her first full length drama *Crimes of the Heart* which won a Pulitzer Prize and garnered three Academy Award nominations as a film Her Mississippi upbringing and her penchant for the eccentricities of southern culture however have caused critics to categorize her writing as a kind of southern gothic folklore inspired by feminist ideology This book the first critical study of Henley's complete plays attempts to dispel the common stereotypes that associate Henley's work with regional drama and sociological treatises It argues instead that Henley can best be perceived as a dramatist who delineates an existential despair manifested in various forms of what Freud calls the modern neurosis The book maintains that Henley's plays must be understood as universal statements about the angst of modern civilization and Henley's characters are assessed in light of Freud's proposition that cultural restrictions create neurotic individuals The introduction provides a brief account of Henley's childhood and career Early chapters summarize the theory of the modern *angoisse* espoused in Freud's *Civilization and Its Discontents* while later chapters relate this theory to thematic and stylistic elements of Henley's most popular play *Crimes of the Heart* as well as *Am I Blue* *The Wake of Jamie Foster* *The Miss Firecracker Contest* *The Debutante Ball* *The Lucky Spot* *Abundance* *Signature Control* *Freaks* *Revelers* *L Play* and *Impossible Marriage*

Today, police brutality rages on as millions call for the reformation of our broken law enforcement in the wake of the traumatic murders of Black teen boys like Trayvon Martin, Michael Brown, and Daunte Wright. Read an intimate account of a mother's efforts to save her son. Writing her son's story against the backdrop of a society plagued by systemic racism, economic inequality, and mass incarceration, Golden offers a form of witness and testimony in a time of crisis for Black Americans. Learn how to grapple with the realities of Black America. Join Golden as she confronts the root causes of violence inflicted upon Black teen boys and reassesses the legacy of her own generation's struggle for civil rights.
